Miss Macaulay was badly shaken, but not seriously injured. Mrs. Adamson had both feet taken off at the ankles, and had several ribs broken. It was two minutes before she could be extricated from underneath the engine. She is the widowed mother of three children and is about 40 years of age.

THE EDITOR'S MAIL.

Obstructing Navigation.

SIR,—I wish to bring to the notice of the proper authorities, that two wire fences have been placed across the Morell River, below Peake's Bridge, thus obstructing the navigation of this river. As the public have for a great many years enjoyed the privilege of sailing down the Morell in boats, (fishing on the way) and the mill owners have been in the habit of rafting lumber down this river, it seems too bad that any person should be allowed to unlawfully obstruct the navigation. Would like to hear from some of your readers on this subject. Yours, ROVER.

H. B. PLANT'S WILL.

A Conservative Estimate appraises the Estate at \$8,000,000—In Trust for Heirs.

The will of the late Henry B. Plant, the millionaire transportation manager, was offered for probate in New Haven, Conn., on Friday.

The will leaves specific legacies amounting to \$41,000 to friends and relatives and several annuities are bequeathed. The entire estate, subject to these legacies and charges, is left in trust to the executors, and the trust is to continue during the lives of the widow, Margaret J. Plant, and her son, Henry Bradley Plant.

The trustees are directed to pay from the income of the estate \$30,000 per annum to Margaret J. Plant, \$30,000 per annum to Morton F. Plant and \$10,000 per annum to Henry Bradley Plant. The estate remaining in the hands of the trustees after the decease of the widow, the son and grandson is to be held in trust until the youngest child of the grandson is 21 years of age, and at that time it is to be divided among the hereafter born children of the testator's son and grandson. The estate has not been appraised yet, but a conservative estimate places it at \$8,000,000.

A DESPATCH from Savannah, Ga., says it is confidently predicted here that H. C. Irwin, Vice President of the Plant Investment Company, will succeed the late Henry B. Plant as President of the Investment Company, and also be the next President of the Plant system of railways.

POWELL AFFIRMS IT

Witnesses Will be Called from Here to Tell What They Know About It.

OTTAWA, July 4.—(Special)—Sir Hibbert Tupper has left all his Public Account's cases and other parliamentary duties and gone off to British Columbia.

The Public Account's Committee will examine Sheriff Pricees, and Major Gourdeau, regarding the distribution of the fishing bounties in Prince Edward Island.

Mr. Powell charged extensive frauds, saying he was creditably informed that people not fishermen had received bounty money.

Probably James F. White, Fishing Officer and Thomas N. Elligan of Na 1 Pond will be subpoenaed to give evidence.

The Committee does not know what to do about the Manitoba election frauds in view of Sir Hibbert Tupper's absence.

Wedding Bells.

St. James' Church, Freetown, was yesterday morning the scene of a very pretty wedding when Dr. Joseph Sinclair Galant of Kinkora, and Miss Lizzie A. Hughes of Emerald were united in the holy bonds of matrimony.

The ceremony was performed by Rev. Father Campbell, cousin of the groom, assisted by Monsignor Gillis, and Rev. J. J. McDonald. The bride looked charming, prettily attired in a suit of heliotrope silk, trimmed with white chiffon and pearl trimming, with hat to match.

The bride was attended by her sister Miss Maggie Hughes, the groom being attended by Mr. Peter Duffy of Emerald. The bride was given away by her brother Mr. Thomas Hughes.

The bride and bridesmaid carried white kid Prayer Books, gifts from the groom. After the Mass, which followed the marriage, the bridal party drove to the residence of the bride's mother, Mrs. John Hughes where breakfast was partaken of, with the immediate friends of the contracting parties. Among the invited guests were His Grace Archbishop O'Brien, His Lordship Bishop McDonald, Monsignor Gillis, Revs. Dr. Doyle, Dr. Morrison, Dr. Campbell, Jas. E. McDonald, D. B. Reid, Samuel Campbell, J. T. McDonald, P. D. McGuigan, Hon. Mr. and Mrs. Campbell, Dr. J. Johnson, Mr. and Mrs. Jas. Eden and Miss Carrie Mooney. A few pleasant hours were spent in music and singing when the happy couple left by the express train for Summerside, en route to Halifax, amidst good wishes from those who were present to see them off. The bride wore a travelling suit of peacock green with hat to match.

The number of presents received shows the esteem in which the bride and groom are held by their many friends.
