Graduate Nurses Receive Diplomas

Large Attendance At Exercises Last Evening. Need Of More Accommodation At P.E.I. Hospital Emphasized By Chairman.

Saint Paul's Parish Hall was filled to capacity last evening when the graduating exercises were held in connection with the Prince Edward Island Hospital training school for nurses. The graduating class consisted of seven young ladies, each of whom was presented with a magnificent bouquet after she received her diploma from His Honor Lieutenant Governor-Heartz, the bouquets being presented by Misses Ruth Sinclair and Janet Stewart. Mr. W. K. Rogers, chairman of the Hospital board of trustees presided, the meeting being opened with prayer by Rev. H. D. Raymond.

With the chairman on the platform were His Honor the Lieutenant Governor, Rev. Mr. Raymond, Dr. H. D. Johnson, Dr. G. F. Dewar, Dr. I. J. Yeo, Dr. C. C. Archibald, Dr. J. C. Houston, Dr. J. W. McKenzie, Dr. J. P. Lantz, and Dr. R. F. Seaman. Seated also on the platform were the graduating nurses and nursing staff, looking very attractive and competent in their neat white uniforms.

The presentation ceremonies were interspersed with an enjoyable musical and recitative program which was warmly applauded and encored. Following were the graduating nurses:

- Miss Mary Florence McKenzie.
- Miss Mildred Hanna Thompson.
- Miss Margaret Ella Simpson.
- Miss Ella Beaumont Saitt.
- Miss Florence Thelma Piatt.

DOMINIONS IN ACCORD WITH THE PARLEYS

None Had Expressed Disagreement With The Results of Recent London Naval Conference.

(Canadian Press)
LONDON, May 12.—Evident agreement of the British Dominions with action in the recent London Naval Conference was made known by Premier Ramsay MacDonald in the House of Commons. The Prime Minister declared that no Dominion had expressed disagreement with the results of the Parleys. Lord Wolmer asked if any communication had been received from the Dominion criticising the Government's naval conference participation and results. Mr. MacDonald's reply was an emphatic "No Sir."

Record Produce Shipments

Since the last potato season until the end of April, 1,600,000 bushels of potatoes have been shipped from the province by the Potato Growers Association, and in addition 100,000 bushels of turnips. The total amounts to 2,500 carloads valued at a figure approaching two and one half million dollars.

SCOTCHFORTH PARK ASS'N. MEETING

The annual meeting of the Scotchfort Park Association was held last evening in McLellan Bros. store. The president, Mr. D. B. MacDonald, Bedeque, occupied the chair. The first business was the election of officers for the ensuing year. It was moved and carried that last year's officers be re-elected. It was likewise moved and carried that Mr. Leo MacDonald should be managing director. Some time ago it was decided to hold our celebration on July 16th, but owing to the selection of that date for St. Peter's Bay horse races it was deemed advisable to change the date of the Scotchfort celebration from July 16th, to July 23rd. The proximity of the place, and more important still, the fact that we have many warm supporters in and about St. Peter's Bay made this change of date quite agreeable. The Scotchfort Park Association is resolved to do everything possible to make its 1930 picnic on July 23rd, so attractive and remunerative that it may be voted "the best yet."

Argument For British Trade

(Special to the Guardian)
REGINA, May 12.—An argument for British trade is put forth by the Saskatchewan Wheat Pool which has installed British made engines in 240 of its 1,048 country elevators. These engines cost a quarter million dollars, while ball bearings from Britain cost about as much, and British made rope is used extensively.

HECTIC WEEK IN PARLIAMENT

Progressives Critical of Liberal Desertion From Free Trade Principles.

(Special to the Guardian)
OTTAWA, May 12.—The first week's proceedings, subsequent to the historic Budget, has ended, quietly and orderly. The element of excitement in the early part of it was, of course, afforded by the masterly speech of the Hon. R. B. Bennett, leader of the Opposition, which brought forth the announcement of dissolution of Parliament at "the earliest possible moment."

Agreed With Premier.

At first, it was thought that the leader of the Opposition, who has the whip in his hand, would only consent to certain votes of supply

Daylight Saving Bill Read Twice

Third Reading to Take Place This Morning Before City Council —Busy Meeting Last Evening.

A bill for the introducing of a system of daylight saving in Charlottetown, to go into effect on June 1st, and continue till August 31st, received two readings at the regular monthly meeting of the City Council last night. The third reading is to take place this morning at 9 o'clock.

After the reading of the minutes His Worship Mayor Prowse, who presided, announced that since the time of the presentation of a petition to the Council favoring daylight saving a counter petition has been presented. He then called upon Mr. Thomas White who with Messrs. Byron Brown, Reg. Sterns and Chas. Galigner formed a committee for a presentation of his views.

Mr. White stated that while the daylight saving system may be favored by some it will be a hindrance to a great many. A petition has been signed by 287 people. The system would seriously inconvenience the hotel and restaurant business. Meal hours would be one to two hours longer. A woman with small children puts her children to bed at 9 o'clock and will thus be deprived of an hour of relaxation. It is the quantity of people to be pleased not the quality. The law is to made for everybody. The comparison with St. John and Halifax is not fair as Charlottetown has a much larger buying country population.

The reading of bills followed. In reference to a certain bill Councilor Holman asked that, since the prohibition commission are sending parents of children to jail, is it fair that the city shoulder the expense of the support of these children when the Government is receiving the lion's share of the fines.

At The Sacred Heart Home Last Sunday

Sunday afternoon Benediction of the Most Blessed Sacrament was given in the Sacred Heart Home by Rev. Joseph Gallant; the Corpus Christi choir rendered the music. A short instruction was given by Rev. B. Gillis, who also extended the thanks of the boarders for the kindness of the choir. He also took occasion to mention the fact that the director, Mr. W. J. Brown was this year celebrating his silver anniversary as a member of the choir—twenty-five years, the last number of which he has been director, and through whose efforts both the male choir of St. Dunstan's Basilica and the Corpus Christi choir have attained such efficiency.

Navy Will Have Colorful Season

(Special to the Guardian)
LONDON, May 12.—Britain's navy will figure so conspicuously in what promises to be the most colorful summer season this country has seen since the world war this year, that questions likely will be forthcoming regarding the reasons for training the spotlight on the fleet. Ships from the Atlantic fleet will visit forty or more seaside resorts, and among them will be the Rodney and the Nelson, the two latest built battle-ships. There will be navy weeks at three places. Hotel keepers and tradesmen approve of the policy because more visitors will be attracted. But some others will be asking why, following the London Naval Conference, such a comprehensive visiting program as was published today was decided upon.

Premier Saunders Appointed Judge Supreme Court

Will Succeed Mr. Justice Hazard On Court Bench.

(Canadian Press)
OTTAWA, Ont., May 12.—Hon. A. C. Saunders, Premier of Prince Edward Island, has been appointed a judge of the Supreme Court of that province. The appointment was announced today by the Department of Justice.

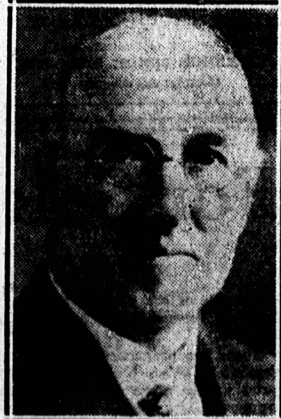

It is understood that Hon. Mr. Saunders will succeed Mr. Justice Hazard, who is retiring from the Supreme Court Bench, a position which he has occupied with distinction since 1911.

Hon. Albert C. Saunders, Premier and Attorney General of Prince Edward Island, was born in Summerside on Oct. 12, 1874. He began his legal career in 1900, when he was called to the bar of this Province, having been admitted as an attorney in the previous year with Mr. J. E. Wyatt, K. C., Summerside, and later with the firm of Peters, Peters

British Planes Raid Turangsai

(Canadian Press)
LONDON, May 12.—A British aeroplane raid was made yesterday against the forces of the Haji of Turangsai on the northwestern frontier of India. Rt. Hon. Wedgwood Benn, Secretary of State for India, announced in the House of Commons this afternoon. Mr. Benn added that the results of the raid were not yet known. Previously despatches from Bombay said that British authorities in the Gujerat district had served an ultimatum on the Haji, notifying him to remove his followers from the vicinity of Peshawar immediately.

Peshawar is the key city of the northwestern frontier, and the surrounding country is inhabited by warlike tribes. Mr. Benn said the air raid became necessary when the Haji had met a warning to leave by blocking the high road with felled trees. At that time he was within twenty miles of Peshawar.

The Tariff Revision

(Special to the Guardian)
WASHINGTON, May 12.—Tariff revision proposals of the Canadian Government as advanced this month, will impose higher import duties on between \$176,000,000 and \$225,000,000 worth of U. S. products, customarily supplied each year to that country. Further products of the British Empire, more or less competitive to those of the U. S. which Canada ordinarily imports to the value of \$2,000,000 a year, will be given either increased preference in duties or entirely free import status. This is

Island Golfers To Oppose Amherst

AMHERST, N. S., May 12.—An invitation from the Charlottetown Golf Club to Amherst golfers to play on the Island course on June 3, was received over the week-end by the club secretary, W. A. Gross. The invitation was referred to the games committee as to whether the date would be suitable. The Amherst club will be playing in Charlottetown some time during the present season.
