

Amatite ROOFING
Saves Paint Bills
YOU never see anybody painting an Amatite Roof!
It has a mineral surface that needs no painting.
Roofs that need painting are out of date. A few years ago everybody painted their roofs as a matter of course.
Then came Amatite with its real mineral surface—practically a pitch concrete. This mineral surface is durable and permanent.
It comes in rolls ready to lay, with liquid cement for the laps and large-headed nails packed in the center of each roll, so that there is nothing else to buy. Anybody can lay it.
And remember—*it needs no painting.*
Sample and booklets free on request.
Everjet Elastic Paint
Use in pipes, Great in durability. Available about the farm for prolonging the life of "rubber" footings, fences, iron work, machinery, tanks, etc.

TO APPOINT CIVIL GOVERNOR

MANILA, Nov. 13.—(Special).— Governor General Harrison has left here for Mindanao, accompanied by Major General J. Franklin Bell, Commander of the Philippines Department. It is generally expected that the result of his journey will be the appointment of a civil Governor. The American troops have been withdrawn from that territory already. The Philippines Commission is holding its session without the presence of any American member, and any vacancies in the government service are to remain unfilled until the Governor General's return.

QUEBEC HOUSE IS OPENED.

QUEBEC, November 11.—The provincial legislature was opened this afternoon by Sir Francois Langellier, the lieutenant-governor, with the traditional ceremonies.
The session is expected to last until Christmas and matters dealing with Montreal are expected to occupy a large part of it. The report of the license commission which investigated the liquor traffic will also be presented.
In the speech from the throne, presented by Sir Francois Langellier, greetings were extended to the Duke and Duchess of Connaught on their return to Canada and congratulations to Her Royal Highness of recovering from her illness.
The speech expresses the hope that the license commissioner report

will help the legislature to find a solution of the very complicated and difficult question of the sale of alcoholic liquors and the plague of intemperance.
The speech mentions that the receipts of the province exceeded the expenditure for the fiscal year ended June 30, 1911.
Allusion is also made to the great activity in colonization and the contention made that still more could have been done in this connection if the section of the transcontinental railway between Quebec and Cochrane had been completed.

CENTENARY OF ALLEN G. THURMAN'S BIRTH

COLUMBUS, O., Nov. 13.—Veteran politicians remember the day as the centenary of the birth of the late Allen G. Thurman, Ohio's "Grand Old Roman," who, for a generation was the leader of the Democratic party of this State and one of the great men in the United States Senate for twelve years.
Allen G. Thurman was born in Lynchburg, Va., Nov. 13, 1813. In early youth he moved with his parents to Chillicothe, O., where he was educated. Young Thurman was private secretary to Gov. Lucas, of Ohio, in 1834, and the next year was admitted to the bar. He was elected to the 29th Congress and was the youngest member of that body. After serving as chief justice of the Ohio supreme court he was Democratic candidate for governor in 1867, but was defeated by Rutherford B. Hayes. In 1868 he was elected to the United States senate, and he became the acknowledged leader of the Democratic minority. In 1881 Mr. Thurman was succeeded in the senate by John Sherman. In 1888 he was unanimously nominated for Vice President of the United States by the Democratic national convention on the ticket with Grover Cleveland. His death occurred in Columbus on December 12, 1895.
