is the holiday maker. What is Christmas but a time of joy, of entertainment, of peace and good will? What produces these things so much as a jolly family circle with the addition of a few friends, all listening to the wonderfully varied programs produced by an Edison Phonograph playing Edison Amberol Records?
You can have just such a real Christmas. Hear the Edison Phonograph today play some of those new Sousa's band Records, and you will learn for the first time what Edison has done for sound-reproducing machines.
We carry a large and up-to-date stock of Edison Phonographs and Records, and would ask everybody interested in phonographs to call and get our prices and terms.
