

1941-MARITIME HORSE RACING REVIEW-1941

Four Maritime Records Are Broken And Seven New Track Records Made

59 miles trotted or paced in 2:10 or better during great racing year - Watchim's mile in 2:07 fastest ever trotted by a Stallion in the Maritimes.

(By D. A. MacK.)

As we stand on the threshold of the New Year we pause to look back in review of the doings in Harness Horse Racing on Maritime tracks the past season. We find that more tracks were operating, with more racing, and that greater numbers of people passed through the turnstiles. This feature of our sport was not confined to the Maritimes, the same thing was evidenced in Quebec and Ontario. It just shows that our people, with their war worries, require amusement and relaxation. Harness racing brings them out into the open and furnishes healthy excitement that stimulates and serves to drive away care and worry from the mind.

The total race meets held in the Maritimes was 42, beginning at Bridgewater, N. S., the 25th, of June and ending at New Glasgow, N. S., October 15th. Nova Scotia held the greatest number—19, in all—four days at Bridgewater, June 25th, Sept. 2nd, October 2nd and 3rd, four days at North Sydney, July 1st, August 23rd, September 1st and 3rd, four days at New Glasgow, July 15th, August 6th, September 10th and October 15th, three at Amherst, July 16th, August 20th and 21st, two at Truro, July 12th and August 27th, and one each at Middleton, July 1st and Inverness, July 30th.

Prince Edward Island was second with 12 days racing, Charlottetown putting on six days, a four-day Old Home Week meet, August 12th, 13th, 14th, 15th, and a two-day Good Will meet September 24th and 25th. Northham had two days, July 23rd and September 10th, as also had Montague, July 12th and July 30th, and there was one day racing each at Alberton, July 1st and Kennington, July 16th.

New Brunswick had 11 days racing, three at Shediac, July 1st, September 3rd and October 13th, two days at St. Stephen, August 20th and 21st, two at Chatham, July 1st and September 3rd, and one each at Campbellton, July 1st, Buctouche, July 20th, Bathurst, July 31st and Port Elgin.

St. Stephen had resumed racing after a discontinuance of a year, and Chatham track, which had not been used for several years, was rebuilt and re-opened with renewed vigor.

While there is no authentic record of the number of people that witnessed the above races, it is a pretty conservative estimate that upwards of 100,000 persons paid admission.

210 MILES. It is not so many years ago since 210 miles over Maritime tracks were a distinct novelty, but now they are fairly common, and the past season broke all records with 59 trotted or paced in 2:10 or better. The Nova Scotia owned pacer, Rainey G. Henley 206 leads the parade with 10, All Grattan 206 1-4 second with 9, San Ton 207 3-4 has 7 to credit, Uscita Britton 209 and Aaron L. 207 1-4, 208 1-4, 209 1-4, 210 1-4, 211 1-4, 212 1-4, 213 1-4,
