

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown.

SATURDAY Guardian fifty cents a year.

Rev. Dr. BURKE, who was in the city yesterday, returned to Alberton by the afternoon train.

The many friends of Dr Strickland will be pleased to learn he is about again after a week's illness. He resumes his practice today.

A PLEASANT DANCE was held in the Lyceum last evening in aid of the Charlottetown Hospital. There was a large number of delighted patrons.

STENOGRAPHY was given judgment yesterday in the Prohibition case against Lewis Brown of Cherry Valley compelling him of first offence to pay him \$100 or 3 months.

Miss ANNIE O'NEILL leaves this morning on return to Boston after a very pleasant visit of several weeks at her home in Vernon River. She will be accompanied by her sister Miss Eliza O'Neill.

There were large loads of merchandise to West River ports by the S. S. City of London yesterday. 40 passengers came to Charlottetown on the return trip and the return cargo consisted of 75 cases of goods.

CONTRIBUTORS should remember that to ensure early appearance of correspondence all matter sent in should be cut down as much as possible. Every attention is paid to correspondence but it is impossible to get everything in as written, especially when as of late many communications are being received each day.

DAVID STEWART, Northam, bought the wrecked schooner J. B. Martin at Egmont Bay yesterday. There was a large number present at the auction and bidding was lively. The hull and equipments brought \$150. The cargo was sold in lots and was all disposed of, the largest individual purchaser being Rev. Father Boudreau. The total proceeds amounted to nearly \$2,000.

ALREADY the Exhibition building has been arranged in gala attire for the exhibition next week and the display made by local and foreign concerns will make the spaces allotted to them not one bit inferior in interest to anything in the building. An improvement is the excellent lighting of the upper balcony which enables exhibits in the Domestic, Needle and Art work, and similar classes to be seen to advantage in the evening.

The scheme of decoration while very artistic, if carried out according to the plan as presented indicated by the interior will compel spectators to believe that they are in the United States. Some more Union Jacks should be displayed.

The S. S. Halifax arrived at ten o'clock last night from Boston with a general cargo and the following passengers: Miss M. Gauthier, Miss J. McDonald, Mrs. Goodhue, G. F. and Mrs. Doyle, Mrs. McLean, A. McDonald, A. McEachern, Mrs. W. D. McDonald, J. Wetherby, From Halifax: Mrs. Butler, Mrs. Brown, Mrs. Stewart, Mr. Stewart, J. M. Nicholson, J. M. Nicholson's horse, Kaloi was brought from Halifax by the steamer.

THE curiosity and interest excited by the composite photograph as to which of many citizens have guessed the identity of the sisters, may now be allayed. The men who sat for the portrait are his Worship Mayor Paton, Mr. Hazard, and Mr. Hood. Yesterday many of the guesses sent in were correct. The first was by Pope Ber, and the second prize fell to George Prowse.

YESTERDAY was Prohibition Day at the Police Court. Sarah Jane Higgins was convicted of third offence and was sentenced to six months in jail. The adjourned case against P. P. Gillis, charged with a fourth offence was renewed, but further adjourned till the 11th inst. John Reddy was fined \$2 or ten days for drunkenness. During the time Court was sitting a man named Cyrus F. Cody, who was disturbing the proceedings was fined \$5 by the Magistrate for contempt of Court.

THE marriage of Miss Emily de Millie McVean a society leader in Cambridge, Mass., is a topic of comment in the newspapers of Boston. Miss McVean is a daughter of Professor McVean of Harvard, and is the possessor of a wonderful voice. She has suddenly given up her musical education and renounced her prospects of a successful professional career to become the wife of a titled officer in the French Army. Local interest attaches to the fact because the bride's father is a native of King's County, in this Province, and Mrs. Daniel McLaren of this city is a cousin of the bride.

AN HONEST MAN. Wrote and told us that Ozone had not cured him of Stomach trouble. He did not say what kind of Ozone he used and asked him if he was sure he had been taking solution of Ozone, the kind that contains a coupon entitling the purchaser to one full sized 2c. package of Celery King free of cost. He replied that he had unknowingly taken some other brand, and was sorry that he had treated us unjustly. Then he commenced to use Ozone (the coupon kind) with Celery King—he is a well man to-day. You can be cured just as easily if you are careful to ask your druggists for Ozone (the coupon kind) made by the PUBLIC DRUG CO., BRIDGE BURG, ONT.

THE receipt given by the Y. M. C. A. last evening was attended by fifty male students of Prince of Wales College. The games in the social room were kept busy for about a half hour, then a short musical program was given. W. A. Gaudet gave two well rendered solos on the trombone. Miss Hazel Bremner sang two selections, which were enthusiastically received. John Marchison's song was enthusiastically encored. Mr. Archibald welcomed the students to the Association, rooms and presented the different privileges of the Association, all of which are given to the students for \$2 for an out of town student, and \$3 for a local student, these privileges other men are charged \$5 for. George Irving, a former student of P. W. C. and now college secretary for Canada addressed the students on the work of the college Y. M. C. A. and proposed that a student's Association be organized. A constitution was suggested and a committee appointed which will complete organization. The work of the Association will be to promote social life and Bible study among the students. Three Bible classes will be organized and taught by Prof. Ross, Prof. McMillan and L. W. Archibald. The committee will select two representatives to attend the Student Conference to be held at Fredericton on Thanksgiving Day.

As the company have only appeared in the larger cities in Canada, this will give the country people who attend the exhibition an opportunity of witnessing one of the best moving picture shows on the road, as their pictures embrace the very latest Comic and sensational pictures of the day, including the great San Francisco earthquake and Fire Pictures which have given so much satisfaction wherever shown. Don't forget this company exhibits only in the market building.

Mrs. McPHAIL and family of North River, left for San Francisco yesterday.

Those who want work of any kind or are looking for help of any kind should send their names and addresses with all particulars or call at The Guardian Employment and Information Bureau, New Prowse Block, Charlottetown, Telephone 122a. Those who do not desire to advertise will please send 25 cents with their request, which amount will be returned to them on application if they do not get what they want.

The infinite capacity for taking pains to do things in the very best way, which is evidenced in the methods of this Canadian Pacific Railway, makes it a pleasure to refer to the great undertakings so successfully carried out by that great company. Lately the institution of the Overseas Mail Limited train, afforded the world an instance of how speedily and thoroughly the C.P.R. was able to transport mails almost round the world in record-breaking time. Nothing seems beyond the power of this great railway in matters of transportation. Distance offers no obstacle, for with their own splendid steamships, connecting at both ends of their railway, the circle of the world can be completed so quickly as to make the records of a few years ago seem ridiculous. Lately a regular schedule of 29 days between Liverpool, England, and Hong Kong, has been published, and the C. P. R. keep up connections along this long route of travel in the time advertised. An example of the manner in which the Dominion business is cared for was shown by the special C.P.R. exhibits arranged by the C. P. R. at St. John N. B. and Halifax, N. S. This was designed chiefly to advertise the Northwest. The winter service of the Atlantic steamers of the system begins next month when the Empress of Ireland which can accommodate 2000 passengers will stop on the route. W. C. Casey the Travelling Passenger agent for the Maritime Provinces has been in Charlottetown since Saturday. He went to Summerside yesterday and crosses to St. John today. He will visit Charlottetown next week and will be accompanied by Mr. Howard, District Passenger Agent at St. John. The C. P. R. are paying particular attention to providing a comfortable service for those who patronize the Farm Laborers' excursions to the Northwest, and that they have succeeded is attested by the fact that many ladies have this summer made the journey in comfort.
