

Many men fool with sickness just as a bear fools around a trap. A man doesn't like to own up that he is ill. He says "O, it amounts to nothing. I shall be all right to-morrow." But he isn't all right to-morrow; nor the next day. Pretty soon the trap snaps to; and he has some serious disease fastened on him.

The only sensible course is to keep away from the trap, and not allow sickness to get any hold on you. It is a frightful mistake to trifle with indigestion and bilious troubles in the belief that they will cure themselves. On the contrary they drag the whole system down with them.

When the appetite and digestion are irregular it shows that the machinery of the body is out of order and is not doing its proper work; the blood-circulation is poorly supplied and is being gradually debased by bilious poisons.

The proper alternative for this condition is Dr. Pierce's Golden Medical Discovery. It acts directly upon the digestive functions and the liver; and enables the blood-making glands to supply an abundance of pure blood, rich with the nutritious vital elements which build up healthy flesh and enduring strength.

In all impoverished and run-down conditions the "Discovery" is far better than malt "extracts" or nauseating emulsions. It creates genuine permanent strength. It does not make flabby fat but solid muscle. It is a perfect tonic for corpulent people.

A full account of its properties and marvelous effects in many so-called "hopeless" cases, verified by the patients' own signatures, is given in Dr. Pierce's thousand-page illustrated book, "The People's Common Sense Medical Adviser." This splendid volume will be sent free on receipt of 31 one-cent stamps to pay cost of postage and mailing only. Address, Dr. J. C. Pierce, 663 Main Street, Buffalo, N. Y.

For a cloth-bound copy send 50 stamps.

"Having suffered for several years with indigestion," writes Samuel Walker, Esq., of Parkersburg, Chester County, Pa., "I concluded to try your valuable 'Golden Medical Discovery.' After taking five bottles I was entirely cured. I also suffered from bladder trouble, which was also cured by the 'Discovery.' I feel like a new man."

ST. JOHN, N. B., EXHIBITION NOTES

A large and varied exhibit of Natural History collections is assured for the St. John Exhibition. The New Brunswick and Fisheries, the Dept. of Marine and Fisheries, the University of N. B., the St. John Natural History Society and many private collectors will contribute.

Collectors everywhere are invited to send in their collections. \$150 is offered in prizes and glass cases will be provided for all perishable specimens. No expense will be spared in making this department of the Exhibition one of the best of such exhibitions ever held.

It will afford a chance for all lovers of nature study to learn all about the appearance and occurrence of the animals, birds, fishes, insects, plants and fungi natural to this country. A great special feature will be the fish exhibit. The magnificent collection of the Department of Marine and Fisheries, Ottawa, will be shown, and the Chief Game Commissioner of New Brunswick will have an exhibit of live fish in tanks, and be on hand to give full details of all that goes to make the sportsman happy in this country of forest, lake and stream.

Every one who has a collection of stuffed animals, birds, fishes, or mounted insects, plants, fungi or minerals, is invited to send them to the St. John Exhibition, where they will be shown and protected by glass cases.

Intending collectors should send for Prize List of the Exhibition showing prizes offered and giving full directions how to make and mount collections. Address, C. A. Everett, Sec'y Exhibition Association, St. John, N. B.

The amusements at the International Exhibition, St. John, N. B., will this year be of an especially entertaining character.

The outdoor attractions will include wonderful feats in slack wire balancing, man fired from a cannon and high diving.

There will be a high class double Vaudeville performance, twice daily in Amusement Hall.

There will be seven nights of Pyrotechnic display with many new features, showing the blowing up of battleships and assaults on fortresses. Every one should take in the great New Brunswick holiday.

Arrangements have been concluded for through trains to carry live stock from St. John to Halifax on the 21st September next. Stock can be loaded at the platforms in the Exhibition grounds, St. John, and unloaded on the Halifax grounds. There will be no transfers and no delays.

NEBRIETY IS A DISEASE—Parties can be cured at the KELLEY INSTITUTE, Portland, Maine, of Alcoholism, Morphism, Cigarettes and Tobacco, also from Neurasthenia or Nerve Exhaustion. The undersigned citizens will cheerfully give information to any person who wishes to be cured of any of the above diseases and desire to live a better and healthier life. You may call upon them for such facts as is placed in their hands. This is the nearest Keely Institute to the Maritime Provinces hence practically the cheapest.

British Warships at Target Practice
Vancouver, July 16.—The so-called mysterious movements of H.M.S. Amphion have brought her to Comox, where she is target practicing, in a match between the warships. The story of chasing a Spanish privateer is only a ridiculous rumor.

WORSE THAN YELLOW FEVER
Kidney Disease Man's Deadliest Foe. Dodd's Kidney Pills its Only Cure.
Toronto, July 18.—"Yellow fever and smallpox combined, do not kill as many people, as Kidney Disease does," was the assertion of a prominent Toronto physician, recently.

The assertion is fully borne out by facts, and were it not that there is a means of checking and eradicating Kidney disease the number of its victims would be trebled.

But the use of Dodd's Kidney Pills keeps the death-rate from this complaint, quite low compared with its former height.

If Dodd's Kidney Pills were used in every case of Kidney Disease there would be no deaths from it.

PRINCE EDWARD ISLAND And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, free alike from chilling fogs and excessive heat. The many days and winding esurries, together with the dark and bright green foliage, and the rich verdure of the meadows, make up a scenery which is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, whose waters are almost as saline as those of the ocean itself, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing. The average temperature of the water is about 65 degrees.

Charlottetown, the important city of the Island, has over 12,000 inhabitants, and is the capital. It is connected by rail, steamship and stage with all the important villages, towns and seaports, and an extra fine farming region. It has many great retail stores, besides a large wholesale trade. It has two Electric light plants and a street railway will soon be an accomplished fact. It has a first class water works system supplying the city with as good if not the best water in America, and a complete modern system of sewerage is now being constructed. It is famed for its wide streets, many of which are shaded, its many pleasant drives, the principal of which is the new Park road, its attractive surrounding, pure water, and clear, cool and breezy air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park.

Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, \$2.00 up per day, \$10.50 up per week; Queen, \$1.50 per day, \$6.00 up per week; Revere \$1.00 to \$1.50 per day, \$4.00—\$5.00 per week.

Summerside is the next largest town in the Province, with about 4000 inhabitants. It is situated on beautiful Bedeque Bay and in the centre of a fine large farming region. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. Tourists are delighted with the beautiful scenery and the many pleasant drives in the immediate vicinity of Summerside. The hotels are—Clifton, \$2.00 per day, by agreement per week; Russ, \$1.50 per day, \$7.00 per week; Campbell, \$1.25 up per day, \$6.00 per week.

Georgetown and Souris are the two important towns in the eastern part of the Island, with a population of about 1,000 each. In the former the Aitken, \$1.50 per day, by agreement per week; Tapper, \$1.50 per day, \$5.00—\$6.00 per week, furnish good hotel accommodations, while in Souris the Sea View, \$1.50 per day, \$8.00 per week, affords exceedingly home-like quarters.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne, a large, airy hotel at \$1.00 up per day, \$4.00 to \$8.00 per week. In Alberton, there is the Albion Terrace, \$1.50 per day, 5.00 per week. In Tignish, Railway, 1.00 per day, 5.00 per week. In Kensington, Clark's 1.25 per day, 6.00 per week; Commercial 1.00 per day, 5.00 per week. In Montague, McDonald 1.00—1.50 per day, 6.00 per week. In Mount Stewart, Clark's and Manson, each 1.00 per day or 4.00 per week.

The following hotels open for the summer season: At Hampton, Pleasant View, \$1.00 pr. day, \$5.00 pr. week. At Stanhope, Mutch's \$1.30 pr. day, \$5—7 pr. week; Cliff \$1.00 pr. day, 5—6 pr. week. At Brackley Beach, Shaw's \$1.30 pr. day, 6—8 pr. week; Sea View, \$1.00 pr. day, 5—6 pr. week. At Rustico, Seaside, \$1.75 pr. day, 7—10 pr. week. At Malpeque, North Shore, \$1.00 pr. day, \$6. up pr. week. At Tracadie Beach, Acadia \$2.00 pr. day, \$8.00—10.00 pr. week. At Alberton, Seaford, \$1.50 pr. day, \$7.00 pr. week. At Pownall, Florida, \$1.52 pr. day, 5—7 pr. week.

In addition to those already mentioned there are several other important and progressive towns and villages in the Province, all with ample hotel accommodations, while the numerous comfortable farm houses prepare

SAVE THE MOTHERS

Dodd's Kidney Pills Their Only Safety in Female Diseases.

You have seen a flower nipped by frost, fade and die in the flush of its beauty. That is how women die when attacked by any of the diseases peculiar to their sex.

Woman's burdens are woefully heavy. Her sufferings are agonizing. Her patience is grand. Disease preys upon her. The light dies out of her eyes, her steps become slow and dragging; she loses flesh; grows sallow, listless, droops like a flower. Then she dies. Her family is left to the cold mercy of the world.

"Mother's dead!" What a piteous phrase. What sufferings have been endured before it was used. Why should mothers, wives, sisters suffer so? They need not. Dodd's Kidney Pills will quickly and thoroughly cure all cases of Female Weakness. They never fail. They give health, strength, courage: a new lease of life.
