

Ready For Christmas

Day by day your opportunity for Christmas shopping is shortening, this year more than ever before it is not only wise, it's really necessary to do your shopping early. All over this store every possible preparation has been made for your service . . . your visit to all departments is invited.

See the many bright expressions of fashion for yourself and your family . . . everything from gay glamour to sober service. Once more . . . it is suggested that you shop early . . . forenoon shopping ensures you swifter service.
