Stocks Surge Upward On N.Y. Market

(By Frank MacMillen, Associated Press Financial Writer) NEW YORK, Oct. 7—Stock prices slanted upward today in restrained trading. The rails and a few specialties got the bulk of attention from buyers.

Cautious advances from brokers to their clients on account of the international political situation, and the fact that the day was a Jewish holiday, combined to hold dealings down to the smallest proportions for a full session since Sept. 3.

Turnover was 946,810 shares. A rise of 3 of a point was shown by the Associated Press average of 90 stocks at 48.7.

The 15 carriers equities in the compilation advanced 5 of a point at 23.9, while the industrials and utilities shaded upward.

U. S. government securities developed strength. Most of the metal leaders were up only fractionally, but the advances were sufficient in the view of the recent rise in the majority to make a number of new highs for the year or longer for such issues as Anaconda, American Smelting, Kennecott, Phelps Dodge, American Metals and St. Joseph Lead.

Up about as much elsewhere in the list were American Telephone at 138 3/4, Sears Roebuck at 55, Chrysler at 73 5/8, Allied Chemical at 167, Standard Oil of N. J. at 44 1/2 and Monsanto at 84 3/4.

Plus signs were in the majority in the Canadian list. Distillers, Seagrams, Dome Mines, Dominion Stores, Imperial Oil, Lake Shore and Hiram Walker were fractionally higher. International Nickel and Ford of Canada were off slightly.

IN MEMORIAM SAMUEL ABBOTT

There passed away on the morning of Wednesday, October 2, 1935, at P. E. I. Hospital, Samuel Abbott, a well known resident of Cornwall in the 62nd year of his age.

He had been suffering for some time with spinal trouble and entered the hospital for treatment on Friday, Sept. 27th and was operated on on Monday morning, Sept. 30th and died on Wednesday Oct. 2nd at 8 o'clock in the morning. His death came with a shock to all.

He was cheerful and hopeful that the operation would be successful in restoring him to health once more. His sudden passing has left a feeling of deep sadness in the home and community where he was loved and respected. He was a loyal husband, kind and affectionate to all in the home, including his own children and grand children, all of whom will miss him very greatly.

He was a member in full communion of the United Church of Canada at Cornwall and took an active interest in all that was done in church and state. He was born in Princeton Road, and removed as a young man to Quincy, Mass. Returning from U. S. A. he settled in Springfield and later removed to Cornwall. He lived on his farm on the Cornwall-East Wiltshire Road for 16 years. He leaves to mourn his sorrowing widow and three daughters all of whom are married. Mrs. Elmer Willis of Kingston; Mrs. Colin McPhail of York Point; and Mrs. Godfrey at Cornwall; also a large family of brothers and sisters, Fred and Frank in New Jersey; Theophilus in Maine; Golding of Wyoming, B. C.; Mrs. Heston in Springfield; Mrs. Fred Dollar, Brookfield; Mrs. Rendle at Bella Coole, B. C.; Mrs. Dwight Pound in New Westminster, B. C. The funeral was held on Friday, Oct. 4th at 2 o'clock conducted by Rev. D. K. Ross assisted by Rev. Henry Pierce and Rev. Thos. Paley. The large number at the funeral overtaxed the capacity of the Cornwall church, many coming from Springfield and Princeton Road places where the deceased had spent part of his life. The pall bearers were, Messrs. Frank Howard, Walter Boyle, Malcolm McPhail, A. C. Sinclair, Leigh Goode and Robert Willis.

BLIND AS BATS NEW YORK, Oct. 7—Fifth Avenue's first woman president of a big store charged the male sex today with "not knowing a darned thing about women."

In that respect, they're as blind as bats," said Hortense M. Odium, who as chief executive of a women's specialty shop.

The average man, she asserted, "doesn't think of a person's need for encouragement—he forgets how women like to be told, 'see, you look swell!'"

"You're doing a swell job," Mrs. Odium thinks too, that men have delusions of grandeur about the importance of their executive posts.

"The salesgirl who says, 'Madam, may I serve you?' is as important as a store president, because she meets the public," said the firming store head.

"I'm beginning to learn by degrees that women understand women, and men are as blind as bats."

JOBLESS MAN FINDS ANSWER TO PROBLEM KITCHENER, Ont., Oct. 7—Here's an unemployed man who had a novel idea. He lives in a \$35-a-month house, and his rent is paid monthly in cash—but paid, for eight months.

The man, on relief, found a man residing out of town who owned a house here that was gradually going to pieces. He told the owner that he would "overhaul" the house if materials were supplied. He figured out his time on an hourly rate.

The understanding was that he was not to be paid in cash but that his work would apply as rent on the home he was to renovate. Agreement reached, he started work on the house several months ago.

Now the dwelling has been re-papered throughout, a new garage built, the building painted, a stucco finish put on the outside, a new sunroom, a new porch, a new concrete driveway, new sidewalks and new steps all added.

The grounds have been improved and what was formerly a neglected house is now a thoroughly modern and attractive little home.

The owner is satisfied and the tenant is satisfied. He doesn't have to worry about rent until some time next summer.

WE GATHER JUDGES WIVES 'HUMAN' TOO

TALLAHASSEE, Fla., Oct. 7—There is "probably no greater cruelty which may be inflicted upon a man 'than that which is inflicted by a contentious unreasonable and nagging woman," the Florida Supreme Court said yesterday.

It affirmed a County Court decree awarding Paul W. Nolan a divorce from Mrs. Sarah L. Nolan. However, the court reversed the lower court's awarding of permanent alimony to Mrs. Nolan.

Justice Rivers Duford, who wrote the court's opinion, said a "nagging" woman makes a man's life "well nigh unbearable, by a continuous indulgence in fault
