

A MIRACLE OF CHARITY

Eighteen months ago three children were found in an isolated section of Manitoba, near Whitemouth, half naked and starving, both their parents having died. They were taken in charge by the Salvation Army in Winnipeg and are now well developed and cured of the disease which had crippled them. The upper picture shows the children as they appeared when rescued from their shack; the lower picture shows them as they appeared today.

LEMON JUICE WHITENS SKIN

Girls! Make beauty lotion at home for few cents

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle-remover and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

The British occupied Arras and Famers and have progressed along the Scheldt to Valenciennes. One thousand prisoners were taken. A determined counter attack by the Germans northwest of Le Quesnoy was repulsed by the British.

A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

If cross, feverish, sick, bilious, give fruit laxative at once

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue. Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits, sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

The Daily Tragedy of BELGIUM

May this country never know the bitter agony Belgium passes through EVERY DAY.

May WE never live to see our people rationed on a bowl of soup and two pieces of bread a day.

Our children emaciated by slow starvation and falling easy victims to consumption, rickets and all the diseases fostered by mal-nutrition.

It's the little children that suffer most fearfully. The daily ration provided by United States loans to the Belgian Government is so pitifully inadequate for a growing child; it no more than momentarily stays the gnawing hunger.

There is hope for Belgium and her future generation only if YOU and the thousands who in the past contributed so generously to Belgian Relief, will help again. Leave souls who are attempting to administer the needed help to Belgium's children must have the necessary funds to carry on.

Mr. Hoover in his appeal of July 8th, 1918, for help for Belgium's children says, "This transmission of money is absolutely safeguarded by virtue of an agreement between the belligerent Governments, the C.R.B., and the Neutral (Spanish and Dutch) protecting Ministers in Brussels."

Don't wait for someone to come and ask you for a contribution. Send it in. Be generous. Be quick.

Make cheques payable and send contributions to
