Abbies Win Island Intermediate Title

Capture Deciding Game From S'side Team By 3-1 Score

Losers On Receiving End Of Tough Breaks In Six And Seventh When Abbies Score Their Runs. Dodds Gets Long Homer For S'side Run.

Three costly errors combined with a like number of hits in the sixth and seventh innings gave the Abegweits the Island Intermediate Baseball Championship yesterday afternoon as they turned back the Summerside All-Stars 3-1 in the fourth game of their play-off series.

It was the locals' third victory and gave them the right to enter the semi-final playoff for the Maritime Intermediate crown, now worn by Springhill Iron Dukes.

It was a tough decision for the Westerners to lose. They accounted for the only earned run of the game in the fifth frame when Jimmie Dodds connected with one of Connors' fast ones to drive it far over the right field fence for a homer. And for a while it looked as if the counter would be sufficient as Wilson, the Summerside hurler, and Connors, Abegweit moundsman, were hooked up in a tight hurling duel with honors about even.

Bradley, starting the Abegweit sixth, was safe on Schurman's error and then went to second on a passed ball. McEachern was safe on an infield hit, Bradley stopping at third but scoring a moment later when a pitch got away from the Summerside catcher.

Whitlock flied out to Ward to start the eighth. Power lined a single to center, stealing second on the first pitch. Doyle flied to Millman for the second out. Connors hit to Schurman who played Power at third but both runners were safe as Dodds dropped the throw. McNeill, with a count of two and two lined one to the right field fence, the blow going for a double as the fielder tripped going after the ball, both runners scoring easily. McNeil was out at third as he tried to stretch the hit to a triple.

The visitors battled back gamely to stay in the running but Connors was too good in the pinches. In the eighth they put runners on first and second with none out but the Abbie hurler forced the next two batters to pop up and then got pinch-hitter Daley on strikes. Again in the ninth they threatened and had the tieing runs on the sacks. Ward singled but was out at second on Crossman's grounder to first. Dodds flied to Doyle in center, Watterworth pinch-hitting for Schurman was held to a single by a brilliant stop of his hard hit ball by McEachern and then for the second time in the game a pinch-hitter failed as Bernard missed a low, curving third strike for the final out.

Features of the game were Millman's spectacular fielding in left, Schurman's fast play at the plate on McEachern's bunt, throwing out Bradley, and McEachern's great stop of Watterworth's drive in the ninth.

LEBLANC HURLS YARMOUTH NINE TO SHUTOUT VICTORY ... ALLOWS BUT TWO HITS IN 4-0 WIN

Dominion Hurler Is In Brilliant Form Also, Striking Out 14 Batters.

(C. P. By Guardian's Special Wire)

GLACE BAY, N. S., Sept. 7—South-paw Copie LeBlanc pitched Yarmouth Gateways to a 4-0 victory over Dominion Hawks today in the first game of a three-out-of-five series for the amateur baseball championship of Nova Scotia.

Achieving his 15th straight win of the season and his 28th in two years of campaigning in Nova Scotia, compared with two defeats, the master moundsman didn't grant a solitary hit in the first seven innings.

Veteran Gets First Hit

He would have turned in the first no-hit no-run performance in the history of Nova Scotia playoffs but for a veteran who started his diamond career long before LeBlanc was born. Ralph Hall, 43 year old catcher and outfielder for the Hawks, pinch-hitting for Campbell ing futile effort to break through the mighty barrier, punched the first ball pitched to him into right field for a clean single, and Billy Boone slammed another one-baser a few minutes later for the two hits the Hawks collected in the game.

Strikes Out Fourteen Yarmouth Batters

But LeBlanc and his mates had to be good because another port sider, "Smokey" Joe Kelly, with a performance that would have meant victory almost any other time, needed only the support of his mates to make it a real battle. He granted eight hits but only one of the four Yarmouth runs were earned and in addition he sent no less than 14 visitors back to the bench via the strikeout route.

Hally Horton was the all-round star of the day. His fielding for the Gateways was brilliant and he punched out three doubles in five trips to the plate to top off his defensive performance.

Get Runs In Second and Third

Gateways scored all their runs in two early innings. Nate Bain started the second with a single to right. LeBlanc, attempting to sacrifice, got as far as second and his mate to third when Kelley threw his bunt wild to first. On Boyd's grounder to Gouthro, Bain scored, the third baseman's throw to the plate being just a little slow for McKinnon to make the play.

Then Deveau fanned but McKinnon dropped the ball. He threw to first for a put-out and the return peg from McMullin was not fast enough to catch LeBlanc, who slid safely over the rubber. Boyd, who had advanced to the hot corner on these plays, romped home on Amiros' single to centre. Amiro moved up on Hally Horton's double into the crowd but they were stranded when Boone took Goudey's liner and White fell a victim to Kelley's curves.

The final run was scored in the third. Doug Horton opened with a double to left and scored on LeBlanc's crashing two-baser to centre after Bain had popped to Ray Sloan.

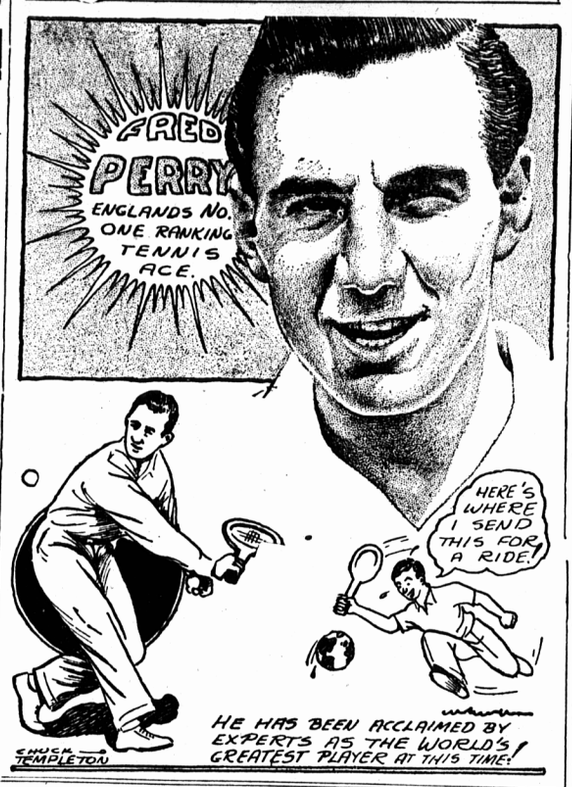
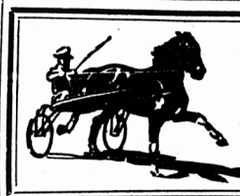
Chuck Templeton's SPORTRAITS





DOWN THE BACK STRETCH

The Nova Scotia Provincial Exhibition which closed at Halifax on Monday, Labor Day, September 3rd, was the most successful from a harness horse racing standpoint of any since the Great War. There were eighteen classes raced in the six days racing, one of these being for three-year-olds and the others for aged trotters or pacers. Excluding the three-year-old class which was also excluded for statistical purposes in connection with the Provincial Exhibition at Charlottetown, we find that the fastest heat of the seventeen classes was the 2.06¾ record breaking mile of Toll Gate on the final day of the meeting, and the slowest the third heat of the 2.25 Trot Maritime Bred—2.21.

There were 52 heats trotted or paced. Two dead heats were recorded during the meeting and in one of them, the third of the 2.15 Trot, three horses dead heated, a very unusual occurrance—Hollyrood Lee, Bonnie Cameron and Frank J. Ortolan.

The average time of the 52 heats trotted and paced was 2.13. There were 20 heats trotted, the average time being 2.15½. There were 32 heats paced, the average time being 2.11½.

Three horses were double race winners. Toll Gate 2.00¼, owned by H. M. Sweeney, Bridgewater, N. S., winning both Free-For-Alls. Patrick Direct 2.07¼, owned by R. L. Isnor, Halifax, N. S., winning the 2.18 Trot and Pace and the Junior Free-For-All and Captain Cope 2.14, owned by Dr. F. T. Bowness, Kensington, P. E. I., winning the 2.27 Trot and Pace and the 2.24 Trot and Pace.

Of the $6,500 in purses, Nova Scotia owned horses won $3,942, Prince Edward Island owned horses $1,700, New Brunswick owned horses $410 and Ontario owned horses $378. H. M. Sweeney, owner of Toll Gate, was the largest winning owner with $770, the result of two first places in the Free-For-Alls.

The following horses reduced their records during the meeting. Trixie Volo, owned by Brenton Ramsey, Alberton, and driven by Tyndall Semple, Kensington, from 2.13 to 2.11. Calumet Duke, owned by Mrs. Margaret Ballard, North Sydney, and driven by Billy Hood, from 2.14 to 2.12. Roy Volo, Jr., owned and driven by Harry O'Brien, Alberton, from 2.18½ to 2.16½. Jack Hardy, owned and driven by K. X. Baxter, Brookline, N. S., from 2.14½ to 2.14¼. Bonnie Cameron, owned by S. E. Thompson, Halifax, and driven by Bryson, from 2.12½ to 2.12, and by the way, he had the honor of trotting the fastest heat during the meeting, 2.12. Captain Cope, owned by Dr. F. T. Bowness, Kensington, and driven by Tyndall Semple from 2.16½ to 2.14.

While Prince Edward Island horses did not figure as prominently in the winning columns as years ago when they usually walked off with a bigger proportion of the prize money, yet an honor came to the Island in that Tyndall Semple of Kensington, was the leading driver with three firsts and one second, totalling eighteen points. Cummings and Jardine tied for second with sixteen points each, Sweeney, driver of Toll Gate, had fifteen, Billy Hood twelve points, Isnor ten points and Rudderham eight points. Our heartiest congratulations are extended to our old friend Tyndall whose ability to balance a horse and drive one is unquestioned and shone so remarkably in the above performance.

Just before we get off the subject of statistics regarding Halifax, may we remind you that probably owing to better conditions and faster classes the speed performances at the Provincial Exhibition, Charlottetown, were of a faster average. The average time of the 27 heats at Charlottetown was 2.11¾. The average of the 15 heats paced was 2.10½, the average of the 12 heats trotted 2.12¼. The fastest heat paced was 2.05¾, the fastest heat trotted 2.12.

Secretary J. W. Boulter of the Charlottetown Driving Park track has announced the classes which will be raced on Wednesday afternoon, September 19th, in connection with the Prince Edward Island Harness Racing Club Two and Three-Year-Old Stakes. They are 2.18 Class Pace, purse $200; 2.15 Class Trot, purse $200, 5% to enter, 5% from money winners, five to enter, four to start. Entries to close Friday, September 14th. This will give four events for the afternoon's racing and should provide good sport for the windup of the season.

We were interested in reading in Saturday's Guardian, Horse Memoirs by C. E. MacKenzie. They brought us back to the good old days when as a boy we witnessed a contest at the Charlottetown Driving Park track with some of those named participating. We remember with pleasure Golden, a beautiful bay owned by Mr. A. N. Large, Charlottetown. Others that bring back memories of the past are Black Pilot, Minnie Grey, Blackbird and Whistler.

Wistler was one of the first race horses the writer ever saw done up a la mode with bandages, feet packed, etc., etc. He was in the stable of George Essory at Highfield and was given expert care by Mr. Essory's son Albert. If we remember correctly Whistler was one of the first horses to go far afield. He took part in a race in Montreal.

Cold Cash, son of the great Peter Volo 2.02, made history at Syracuse, New York, mile track last Wednesday afternoon when he paced three winning heats in the Free-For-All in 2.00, 1.58½, 1.58½, a world's record for three heats in a race. The

TIGERS DROP TWO GAMES TO ATHLETICS

Yanks Gain But Half a Game as They Lose to Chicago White Sox.

(A.P. By Guardian's Special Wire)

NEW YORK, Sept. 7—Aided by Jimmie Foxx's 41st home run of the season and Bob Johnson's 30th Philadelphia Athletics defeated the League leading Detroit Tigers in both games of a doubleheader at Detroit today. The scores of the two games were identical, 5-4.

It was the first time this season Detroit had lost both games of a bargain bill but the damage to the Tigers' pennant changes was slight, as the second-place Yankees lost to Chicago, they gained only a half game, remaining five behind Detroit.

Foxx's blow was the clinching hit of the first game. It came in the third inning and drove Tommy Bridges to the showers after he had been nicked for three scores in the second. Bing Miller provided what proved to be the winning run when he rapped Luke Hamlin for a homer in the seventh. The Tigers came back to drive Roy Mahaffey to cover with a three run burst in the ninth but Bill Dietrich stopped them short of a tie.

Joe Cascarella outlasted three Detroit hurlers in the afterpiece, giving only six hits while the A's got twice that number, Johnson's circuit swat came off "General" Alvin Crowder, who started, and started a two-run rally that sent him to the showers and won the game.

Yankees Lose Big Chance

The last-place Chicago White Sox injected themselves into the American League pennant race far enough to deprive New York Yankees of a big chance to gain on Detroit's league leaders. The Sox pulled out a 6-5 victory over the Yanks in the ninth inning when Manager Jimmy Dykes doubled to bring home Luke Appling from first.

As Detroit lost a doubleheader, the Yanks picked up a half game. Had they won it would have been 1 1-2 and they would have been only four behind.

Lefty Gomez, who took the slab in the eighth was the victim of Dykes' blow and met the end of a 10-game winning streak.

Senators Divide With Browns

Washington's crippled Senators divided a doubleheader with the re-vamped St. Louis Browns at St. Louis, the Browns dropped the first contest 4-7 and winning the second in 12 innings 3-2.

Manager Hornsby moved Bejma, an infielder, and Rollie Hemsley, a catcher, to outfield posts.

Bejma hit safely four times in the two games and Hemsley tied the score in the ninth inning of the nightcap with a home run.

Why are some lecturers like camels?—Because they can go on and on and never know how dry they are.

Aim For Perfection

While British track athletes have been able to hold their own in recent years, there has been a comparative weakness in field events. In an effort to gain strength in this particular department of sport the British Amateur Athletic Association has inaugurated a summer school at Loughborough. The course is under the direction of Captain F. A. M. Webster, who will have as tutors many world-famed athletes. Our picture shows F. Foley, expert hurdler, placing an athlete in the correct position for hurdling.

Summary Final Days Play In Golf Tourney

(C.P. By Guardian's Special Wire)

DIGBY, N. S., Sept. 7—The summary for today's play in the Maritime Provinces golf tournament:—

CHAMPIONSHIP DIVISION

Final: E. A. Sharpe, Saint John, defeated C. M. Cain, Yarmouth 6 and 5 (36 holes).

CHAMPIONSHIP CONSOLATION

B. Babcock, Halifax, defeated J. A. Likely, Saint John.

SECOND DIVISION

Final: Bill Kelly, Sydney, defeated L. Ross, Digby, 1 up.

CONSOLATION

J. O'Neill, St. Andrew's defeated L. Mitchell, Halifax.

THIRD DIVISION

Consolation: L. B. McPhee, Digby defeated D. C. Skinner, Saint John, 3 and 2.

FOURTH DIVISION

Final: H. W. Warren, Halifax, defeated G. H. Hughes, Charlottetown.

CONSOLATION

D. A. Schofield, Saint John, defeated E. C. Wilson, Yarmouth, one up.

36 Holes Medal Play For Professionals

James Rimmer, Ashburn, Halifax 69-76—145.

A. D. Skinner, Pines, Digby, 72-73—145.

J. Madash, Amherst, 76-73—149.

J. Hitchcock, Charlottetown, 72-77—149.

Tom Tonks, Liverpool, 79-77—156.

H. S. Foley, Yarmouth, 79-78—157.

B. Kerr, Perth, N. B., 80-77—157.

L. B. Thornton, Riverdale, Moncton, 82-77—159.

B. French, Truro, 88-78—161.

V. Balch, Riverdale, Saint John, 82-79—161.

A. Kellie, Sackville, 81-85—166.

Play-off, Rimmer, 33; Skinner 37.

CHALLENGE

I the undersigned do hereby issue this challenge to Benny Binns to box a six three minute round bout in Charlottetown.

Signed Jack Johnson
Mt. Stewart.

He's Up! He's Down!

But this time he stayed down, he being "Tiny" Dudgeon of Glasgow, Scotland. The business-like gentleman who is doing the throwing is Meehan of the Canadian wrestling team and the event was the open-ing of the wrestling at the British Empire games.

RAINBOW HAS ADVANTAGE IN COMING RACE

Several Factors Tend to Aid Vanderbilt In Defence of the America's Cup.

(By Tom Horgan Associated Press Staff Writer)

NEWPORT, R. I., Sept. 7—All apparent advantages lie with the defender of the America's Cup, Harold Vanderbilt's Rainbow, in her approaching sailing due with the British challenger, T. O. M. Sopwith's Endeavour.

Two factors—and quite possibly the deciding ones—must remain undisclosed until the starting gun Sept. 15. They are the skill of the invading skipper and the sailing qualities of Endeavour.

In all other respects Vanderbilt and Rainbow seem to have the advantage. The defender is sailing on home waters, and that must furnish psychological support. Vanderbilt has been sailing off Newport most of his life, and knowledge of tidal conditions and the habits of breezes must be as an extra sense to him.

Rainbow should have a distinct advantage in her highly trained and efficient professional crew.

Many of the paid hands, including Captain George Monsell, sailing master, were with Vanderbilt four years ago, when he skippered Enterprise to victory over Shamrock V., the late Sir Thomas Lipton's last challenger.

Sopwith's crew consists largely of amateurs, recruited after most of his professionals struck for more money. There is no question that the recruits are a fine bunch of boys, willing and eager, but whether enthusiasm, will measure up to clocklike organization remains to be seen. Most of the newcomers aboard Endeavour have had plenty of yachting experience, largely on cruising boats. A few have sailed their own yachts on the other side.

Unfairness in the conditions of the contest that caused unpleasantness in previous years now has been entirely removed. Defender and challenger now comply with the same structural rules. Previously the invader arrived here in cruising rig, with much weight that could be employed more advantageously elsewhere, absorbed by living accommodations, while the defender remained nothing but an empty shell. This year, for the first time, the defender is as fully equipped for cruising purposes as the visitor.

Canadian Boat Is Winner

TORONTO, Sept. 7. — Roaring down Lake Ontario's mist-hung water course in the foaming wake of Chicago's Emancipator III, little Miss Canada III brought the first world's championship for 225-cubic inch hydroplanes to Canada tonight.

Like a silver torpedo, the Emancipator, with Mortimer Auerbachel of Chicago at the controls, cleaved across the rolling course before the Canadian National Exhibition, 100 yards in front of the Canadian challenger in the third and final heat of the championship series — but the race, based on point totals, gave the contest to the mahogany Canadian craft.

Marshall—the bell on your house has been out of order for weeks. I should think you would have it repaired.

Peter—What's the use? Nobody ever rings it these days. Our friends just sit out in their cars and honk their motor-horns until we come to the door.
