The pictures that greeted the visitors to Fairland last night were exceptionally good especially the Train R. library and thrilling escape of the 4 sperdoo. The starting realism with which these pictures abound has lately taken well with the patrons of the Moving Pictures show. The Cavalry School was also a very interesting one as was also a Good Pipe and Caught with the Goods.

GOOD REASONS FOR ITS SUCCESS. The majority of earthly remedies are useless. But one that does cure is "Cathartone." It cures the head of all mucus discharge. Putrid matter in the nostrils, phlegm in the throat, and disease germs are completely swept away. The cause of the disease is destroyed, and the system so thoroughly cleansed that the poison that cures is permanent. All types of catarrh, throat and bronchial trouble, colds and coughs are more certainly cured by Cathartone than anything else. Two sizes, 25c and \$1.00 at all dealers.

DIET NOT THE WHOLE MATTER. Your table is loaded with food—digestible and wholesome as you never gain strength. What's the trouble? Look within, and what do you find? A lazy liver, stomach overloaded with work—useless work—because the bowels and liver are not sufficiently active. Relief is quickly supplied by Dr. Hamilton's Pills. They make weak folks strong by removing the cause of the weakness. Digestion improved, constipation leaves, liver takes new life, kidneys wake up—the whole system is invigorated by Dr. Hamilton's Pills. No better medicine for the sick or well. 25c at all dealers.

RHEUMATISMAL MOST KILLED HER. For years Mrs. S. Stahl, child of Humboldt, Ont., was a martyr to rheumatism. "I was so stiff and lame I could scarcely walk," she writes. "An attack striking my limbs made walking impossible. Friends and doctors gave prescriptions but I only got relief from Forrozone. It took twelve boxes to get rid of it from the first. Today I am well, feel stronger, weight heavier and I look the picture of health." Whether muscular or inflammatory, chronic or otherwise, Forrozone does cure rheumatism and neuralgia, 50c per box at all dealers.

Every woman will want a pair of Dorothy Dodd Boots. f she only knows about them. See them displayed in our window. Price \$10.00 and \$12.00.

Furs! Furs!! Furs!!! Rich Elegant and Fashionable. Yes, fashionable, we say it advisedly and would caution ladies who have just purchased, or who intend to purchase fur jackets, not to get out of conceit with them simply because certain merchants wish to dispose of old fashioned stock which they have been carrying over for years past. We see no reason to get 'panicky' over our furs, doubtless due to the fact that our reputation for selling reliable furs at reliable prices wears well, and stood us in good stead this mild autumn season, which has not indeed been favorable for heavy fur selling—with the result that our fur jackets have gone out slowly but steadily during the past six weeks, showing when bottled no today that our sales have been almost up to last year's of the same date in spite of mild weather. Consider for a moment and you will know that there is a reason or all this. We mark our furs honestly, and by selling them at half price would be very heavy losers, which is a rather unique way of merchandizing. It sometimes happens that goods have to be sold this way; for instance when garments are off style or damaged in any way, but when new goods are offered for half price it behooves us to find out how they were priced in the first instance. All our magnificent stock of furs have been selected with the utmost care—and all paid for—and we are quite sanguine of selling them at our usual small percentage. Don't be deceived ladies—go around all you wish—then come to us—and if you are wide-awake, you will buy your jackets here, as has been done so often in the past, to good advantage to your purse. The latest quotation on Furs real—Prices on all lines remain firm and high, with a marked upward tendency. Persian Lamb Jackets, Electric Seal and Bokhara are as popular as ever. Seal Jackets while high in price still find their usual market &c. &c. From this it will be seen that the "dying scream" of a few will not sound the death knell to the popularity of Fur Coats which will ever be indispensable garments for our severe winter weather and especially for those residing in the country or whose advocations take them out in all kinds of weather. Even for City trade the Fur-lined coat will never attain or hold the same popularity. We can and will undersell any competition—but customers will not expect us to put our magnificent new Furs in competition with old or shop-worn goods. Come here as usual for honest Furs at honest prices. We will always treat you square. M. TRAINOR & CO.

Welcome Wall Paper News. For sometime past, owing to our enormous sales, we have been "out" of the cheaper lines of wall paper, but now we have secured for you such bargains in wall papers as Ch' Town has never seen—not cheap papers, but high class papers at cheap prices. The papers are simply splendid, all new pattern with handsome blended borders, made by the Celebrated Menzie Wall Paper Co., the finest in Canada. We have secured from the Mills thousands of rolls—the remainder of the years out put at prices so low as to enable us to give you such bargains as the following: Papers which regularly sell at from 15 to 20 cts a roll will be given you at seven cents a roll. Papers which regularly sell at from 25 to 30 cts a roll 10 and 12 cts a roll. Papers which regularly sell at 30 to 40 cts a roll for 15 and 20 cts a roll. All double rolls. These papers would readily sell at their usual prices, but we were most fortunate in securing an extraordinary bargain and are happy to pass it along to our customers. There is bound to be an immense demand for these papers, and it will certainly pay you to purchase now—even if not needed for immediate use. We would advise our out-of-Town customers not to let this splendid opportunity slip. Give us an idea of the color preferred, and the prices, and we will send you samples that are sure to please, as there is not a poor pattern in the lot. We will continue giving 1-3 off our regular stock in order to have empty bins for an immense spring stock. M. TRAINOR & CO. Leaders in Low Wall Paper Prices.
