**Investiture**

Billy LeClair, at a very impressive ceremony, was invested into the Brotherhood and received his Tenderfoot Badge and the neckerchief of "The First" . . . Congratulations Billy!

**Patrol Competition**

Competition among the four Patrols was very keen from the beginning to the end of Camp . . . A highly prized trophy, in the form of a bust of our late founder, an army uniform as a Major General, was won by the Owl Patrol under P. L. Frank Zakem with a grand total of 683 1-2 points. The above mentioned trophy was kindly donated to "The First" by former Scout and Patrol Leader, Edward Mullins, to whom our heartfelt thanks are offered. This prize is to be presented annually to the best Patrol in Camp.

The Fox Patrol, led by P. L. George Howatt, took second place with 640 1-2 points. This Patrol and especially its Patrol Leader, deserves great credit as George experienced his first year as Patrol Leader in Camp, and most of the members were also new to camping. They did a splendid job. George received a camera for a well leadership job and the Patrol now has as a souvenir the Official Camp Registration Card.

Following closely with 639 1-2 points, the Robins, led for a time by P. L. Maurice Decoste, who had to leave camp early to attend an army camp, and P. L. Alan D. MacDonald of Souris who took over when Maurice left, placed third in the competition. They had the honour of winning the "Honour Patrol Flag" four out of nine of the inspection days, more than any other Patrol. They received as a prize the Troop Totem, to be held

**1st Charlottetown Basilea Troop Camp Report**

Time marches on, and once again the members of "The First" have completed a successful camp. Months previous to the opening of the Camp the Scouts and Leaders of "The First" talked about and planned for this annual summer camp, and as a result all things were accomplished with a minimum of trouble.

July 2, the opening day finally arrived, and the Scouts were transported in a body to Buchan where all things had been put in readiness by the advance party which had been in camp since Sunday, June 29. To the left of the Big Hut was the Notice Board with the Camp Registration Card; directly to the south, Deck Tennis, boxing ring and makeshift volley-ball paraphernalia had been erected; in front of the kitchen the marquee was erected, tables and benches in their places; to the right of the kitchen could be seen the outdoor fireplace for heating dish water, and back to the north the grease pit, well sheltered; a shelter was over the evidence tables and benches had been put in order. The Big Hut had been put in order, as had the kitchen, and all pots, pans and utensils thoroughly scrubbed with sand and steel wool, followed by a wash with soap and water. Much firewood had been cut and stored away in a dry place . . . the fireplace had been erected. It could easily be seen that the advance party had done its job well and that the O.S. and S.N. had worked very hard on these very necessary preparations.

The Camp was officially opened with prayer and in jig time the Patrol Sites were put in order. Then followed a grand swim in the Deep Hole and all were ready and anxious to partake of a meal, well prepared by our good Camp Cook, Mr. John McCarville. Sr. Ganteen, Softball and a Court Fire completed the day and all retired to their tents for a well earned rest. The first night was "as usual" — quiet, but with some mosquito trouble and sleeplessness.

Experienced Patrol Leaders being in charge of each tent, very little time was lost in getting organized next day . . . the fully prepared programme progressed very well until interrupted by rain a few days later— however, by dropping a few items, those things deemed most important were caught up as time went by.

**PROGRAMME**

The programme centered about, as much as possible, the woodcraft arts and general outdoor work, and although test work was not insisted upon, a considerable number were passed. Axemanhip, tracking, camouflage and stalking, outdoor cooking, sand-pit tracking problems, plaster cast work, hiking, swimming, boxing, dodge-ball, etc. were utilized to make the camp a most enjoyable one.

**Council Fires**

Many original songs, parodies, skits and items were presented at both indoor and outdoor Council Fires. Alan D. MacDonald's skit, "Sherlock Holmes Mystery" was really a treat . . . we have yet to hear Eddy Kays sing "Mammy" . . . John Walsh's grand announcement, previous to skits and his running commentaries were something to hear . . . the Cook brought down the house with his tall tales and step-dancing, and several Scouts were invested in the traditional "Grand Order of Slam." Many of the popular Camp songs were enjoyed and much pleasure was experienced by all who contributed to and took part in the singing of the many verses of "The First" Camp Songs.

**Field Day**

Despite cloudy weather and a few light showers, Field Day preparations commenced while the Scouts were having their early afternoon rest hour. The following is a list of the events held: Dodgeball, Nail-Driving Contest, Staff Throwing, Egg Frying, Blindfold Peg Driving, Boxing, Horseback Fight and Tug-of-war. Points were awarded as follows: Owl Patrol 82, Owl Patrol 51, Beaver Patrol 46, Robin Patrol 31. Free pop for all and then a swim completed the afternoon programme. The evening was spent with Softball followed by a Night Hike which consisted of Star Study, Tree Recognition by touch and smell, study of Night Noses, Compass directions, Camouflage and Stalking.

in their Patrol Corner until next year's camp.

The Beavers, under P. L. Charlie Ready, had a total of 681 1-2 points . . . they were a well organized patrol, led in the number of points for Hike Day, won the Honour standard once and were consistently well up in the competition.

**Hike Day**

Saturday July 5 — A wonderful experience for the Scouts . . . sealed instructions, maps, outdoor cooking, spies, ferocious animals and cannibals. Patrols left Camp in the morning bearing sealed envelopes . . . all had a grand time. Beaver Patrol had to ford a deep stream carrying all equipment and supplies on their shoulders . . . Foxes got lost and ended up about five miles from their proper destination. Owls and Robins reached objectives. Written reports, sketches and nature collections were handed in on their return . . . Beavers were judged best Patrol . . . Owls next.

**Visitors Day**

Many parents and friends of Scouts of "The First" arrived during the day, inspected Camp and expressed their pleasure at the appearance of the Camp. Early in the morning Rev. Kenneth McMillan arrived and celebrated Holy Mass in the Headquarters Building. Accompanying him were Robert Kelly and Edward Mullins, a former P. L. of "The First." Mr. F. A. Driscoll and family arrived late and spent very enjoyable day with our thanx out to Mr. Albert Zakem, Group Committeeman, Mr. Albert Kays and Mr. Joseph Kays who so generously treated the entire camp during the afternoon. We had the pleasure of having Patrice McMillan and friends with us for breakfast and dinner, also the Driscoll family for dinner and supper.

**Bush Day**

Once again, the Patrols, working as distinct units, were on their own . . . this time for twenty four hours. Following Flab-break, each Patrol was issued with supplies and equipment sufficient for a full day's activity in the bush . . . working steadily each Patrol finished one or two bivouacs away from their regular Patrol Sites by nightfall. Gadgets were erected, pile dug and the sites put in order for the night . . . then followed sing songs, cocoa and eats at the respective bivouac sites while Leaders made the rounds to see that everything was going well. All slept soundly until about 11:00 p.m. when a rain Tuesday morning . . . so ended the Bush Day. It is worthy of mention that the Robins, under P. L. Alan D. MacDonald, slept in their bivouacs for the balance of the Camp except Tuesday night.

Rain again interrupted the programme during Tuesday and all Patrols returned from a short nature hike drenched to the skin . . . a brisk rub down, a change of clothes and the Scouts were once more playing games, singing and passing the time in the Big Hut.

**Field Day**

**In Memoriam**

**MRS. GEORGE PROFFIT**

There passed suddenly after a brief illness following paralytic stroke, Mrs. George Proffit, at her home in Lower Darnley, at the age of 71 years.

The late Mrs. Proffit was the daughter of the late Mr. John Crozier and Mrs. Crozier. By her many sterling qualities she endeared herself to a host of friends who will long cherish her memory, as she was ever ready to lend a helping hand to all who needed help. She was a faithful and consistent member of the St. Memorial Presbyterian Church, a member of the choir, helping so willingly in the service of song. She was called to higher service after a well spent life. Truly it can be said of her, "She being dead, yet speaketh."

The funeral service was held in the Keir Memorial Church, which was filled with many sympathizing friends. The service was conducted by Rev. James MacDowall, assisted by Rev. O.J. Givolis in Scripture reading and prayer. Her pastor, in his address, paid a fitting tribute to the life of the deceased, and gave a most comforting and helpful message to all bereaved.

The hymns sung were, "The Lord's My Shepherd," "Rock of Ages," "Mr. Permenas Phillips and Mr. Tyndal Semple sang a beautiful duet, "Some Day We'll Understand." At the close of the service the remains were conveyed to the nearby cemetery and tenderly laid to rest.

There are left to mourn their great loss her sorrowing husband and one daughter, Mrs. Roy Woodside, Malpeque, also one sister, Mrs. Margaret Burns, Malpeque, and a wide circle of relatives and friends to mourn the loss of one who has gone but will not be forgotten. The bearers were Daniel Champion, Fulton Simmons, John Bealstro, James Hickey, Lloyd Adams, and Clarence Hickey.

There were many beautiful floral tributes from sympathizing friends. The funeral arrangements were in charge of Mr. Joseph L. Davison of Kennington.
