

# You'll look slimmer, better, in a garment . . . proportioned for you

Our Miss Hefel and Mrs. Cannon have recently returned from Saint John, where they completed their course in foundation garment fitting under the direction of Miss Langtane of Quebec City. They are now in a position to advise and recommend the type of garment required and best suited to your figure that can be worn with exceeding comfort and no tell-tale bulging under snug fitting dresses.

### Three women may all take the same size dress, but they each need a different foundation.

Regardless of your height, weight or dress size, the type of foundation you need depends on your basic figure type — average hip, straight hip or full hip. Three women, who all wear a size 34 dress, may need different foundations for comfort, for flattering control — because their basic figure types are different. Whatever your basic figure type, we have a wonderful selection of "famous" foundations to fit you. Come in and let our corsetier's help you select the one that's perfect for you.

Brassiers—of finest grade fabrics by "famous makers." Brassiers—that mold your figure to firm, slender lines all the way down to your waist.

### Kensington Plans Playground Centre

The citizens of Kensington and of the surrounding districts are invited to attend at the Town Hall, Kensington, P. E. I. on the evening of Friday, April 16th, at 8 p. m.

The purpose of this meeting is to try to arrange and formulate plans for a playground and amusement park for the benefit of the young and old.

It is quite agreed that this playground and amusement park is a much needed and worthy project and will be a splendid addition to an already prosperous community. A number of generous citizens have already expressed their desire to help in the work and to this is added a helping hand by the Kensington Branch of the Canadian Legion. The men of the Legion have given much already but they are still willing to help the youth of the land and especially those in Kensington and the surrounding districts. However, the support of everyone is needed and we extend an invitation to all to attend and in this the Teachers of all School districts are not overlooked. Their help is needed.

It is believed if plans are carried through that a Playground and Amusement Park will be in use to be shared by young and old and of which everyone may be proud of.

Your support is needed. Everyone is invited.

### In Memoriam

#### MR. HERBERT BOWNESS

It was with deep regret that residents of Kensington and surrounding districts learned of the passing of Herbert B. Bowness, a retired farmer and respected resident at the advanced age of 88. In December of last year he suffered a broken hip and entered the Prince County Hospital where all medical care and attention was given. In March he was taken to the home of his daughter, Mrs. Frank Woodside, where he was tenderly cared for. A few weeks before his death, he gradually became weaker and passed away on April 9th.

There are left to cherish his memory three sons, Lorne, Charlottetown, (now in Vancouver); Nelson, Toronto, Edison, Halifax; three daughters, Hazel, Mrs. R. E. Moase, New Annan; Jennie, Mrs. Lyman Huestis; Wilmet; Ruth, Mrs. Frank Woodside, S'Side; one brother Colledge, Michigan and two sisters, Mrs. Cobb, New Jersey, and Louise in California, also twenty-one grandchildren and six great grandchildren. His wife predeceased him fourteen years ago, also one son Harley and two daughters Egie and Ruby (Mrs. Mayne Stewart).

The funeral was held on Sunday, April 11th, from the United Church, Kensington and was largely attended. The service was conducted by the Pastor, Rev. Louis Murray, who took as his text the 23rd. Psalm "The Lord is my Shep-

herd" and spoke comforting words to the bereaved. The hymns sung were "The Lord's My Shepherd", "The Sands of Time" and "Abide With Me." The quartet "Nearer My God to Thee" was beautifully rendered by Rev. Louis Murray, Wilfred Taylor, Roscoe Walker and Russel McKay. The pall bearers were Messrs. Gordon Day, Waldron Davison, Elmer Stewart, Stanley Sharpe, Horace Glover and John A. Douglas. The floral tributes were many and beautiful. Burial service took place in the People's Cemetery.

itors. Minutes of previous meeting read, approved and signed. Business arising from the minutes was discussed. Plans were made to hold a card party in Darnley Hall in near future, proceeds to be set aside for fencing school grounds. Several members extended thanks to W. I. for treats sent to sick in their

homes during month. The matter for convention project was discussed and a committee named to design and dye material, and a booking was planned for Saturday afternoon, at the home of Mrs. James Hickey. Correspondence read as follows: Receipts for donations sent to Red Cross, Canadian Ap-
