The Patriot states that heavy frost visited Georgetown last month, but by reading between the lines we have come to the conclusion it had reference to political frost. At present we are not much interested in the political situation—but last night old Jack frost left a reminder behind, in the shape of a lot of damaged tomatoes. Fortunately all day Saturday we had a lot of hands picking, and we saved a large share of our stock but as we have large orders for shipping our stock will soon be exhausted. However for this week there will not be any advance on previous prices. Green tomatoes for 60 cts. per bushel, 15 cts. per peck, onions (red and white) 4c lb., 10 lbs. for 30c, wholespice at usual price. secure a supply at present low prices, shortly there will not be any to be had at any price J. BIG CATTLE MARKET MAY CHANGE HANDS.

TORONTO, October 6—The directors of the West Toronto Cattle Market are considering the question of selling the market. It is understood that Swift and company, of Chicago, are anxious to purchase it, and have made an offer. The offer is seventy-five cents for preferred stock and fifty cents on common stock. Since the destructive fire at the cattle markets in West Toronto there has been a disposition on the part of the stockholders to sell out if a suitable offer should be made.

FOLLOWED HER MOTHER'S EXAMPLE.

AND KEPT DR. FOWLER'S EXTRACT OF WILD STRAWBERRY IN THE HOUSE.

Mrs. W. J. Wilson, Tessier, Sask., tells of her experience in the following words: "I wish to tell you of the good I have found in DR. FOWLER'S EXTRACT OF WILD STRAWBERRY. Last summer my little girl, aged two years, was taken ill with Summer Complaint, and as my mother always kept DR. FOWLER'S in the house, when I was a child, I seemed to follow her example, as I always have it also. I at once gave it to my baby as directed and she was at once relieved, and after a couple of doses were taken was completely cured."

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY imparts a healthy tone to all mucous surfaces, corrects and heals all forms of canker and counteracts all tendency to pain and inflammation, while it gives tone to the debilitated system when weakened by exhaustive discharges and fluxes of whatever nature, thus making it the best and safest remedy for Diarrhoea, Dysentery, Colic, Cramps, Pain in the Stomach, Sea Sickness, Cholera Infantum, Cholera Morbus and all Summer Complaints.
