THE BATTLESHIP "OLYMPIA" STRIPPED.

Since the cruiser Olympia went out of commission Wednesday, she has been in charge of two shipkeepers and they have found themselves unable to curb the relic hunting proclivities of visitors.

About 100 visitors were aboard Friday and they stole keys from doors, desks and lockers, bolts, door knobs, caps, guns, trousers, coats, cartridges, belts, pistols, tools, cutlasses, bayonets, pieces of cable, parts of gun carriages

and other machinery, slivers of wood chopped from any available place, and nails.

Admiral Sampson has issued orders that no more passes be issued until the ship is cleared of everything.

C. C. RICHARDS & Co.
DEAR SIRS,—A few days ago I was taken with a severe pain and contraction of the cords of my leg, and had to be taken home in a rig, I could not sleep for the pain, and was unable to put my foot to the floor. A friend told me of your MINARD'S LINIMENT, and one hour from the first application, I was able to walk, and the pain entirely disappeared.
You can use my name as freely as you like, as I consider it the best remedy I have ever used.
