DOWN THE BACK STRETCH

George McIntyre, proprietor of the popular Montague race track, has decided to hold the annual eastern race meet on Wednesday afternoon, July 9th. This is a bit of a departure from the custom of other years, but as the date is an open one and farmer friends of racing will be unoccup'ed at that time Mr. McIntyre believes it will be the one best suited to horsemen and to attract patrons. So please take note of it and be with George and see one of the best race meets of the season—July 9th.

Protestor 2.14 has the honor of stepping the fastest mile over the Charlottetown track so far this season. In a workout last Monday the beautiful black son of Protector (3) 1.59¼, driven by Jimmie Power, trotted the mile in 2.26 with the last half in 1.12 1-2. Prospector is owned by Bud McLean, North Wiltshire. Jimmie also worked the trotter Paulabbe 2.15 a last half in 1.08 the mile was in 2.34.

The three-year-old pacer Raymond Budlong by Calumet Budlong 2.02 3-4, dam Calumet Bee 2.11 had the horsemen all agog and excited the other morning when he was caught alone in the stretch for a final brush. As track caretaker McAusland tersely expressed it, "He finished like a free-for-aller."

Owing to the wet weather and consequently heavy track—which is all to the mustard as far as legging horses up and getting them ready for stout miles later on—there has been few fast quarters or fast eights exhibited by the equine charges of the training fraternity at the track, but we can say this in all honesty, that we haven't seen a better conditioned lot of horses for several years. Practically all of them are being trained in the mornings and the track is just like velvet, and don't they love it—you can see them grip the bit when they hit the stretch at the end of a mile and tear for home!

Answering to over four score in years but sprightly and happy in his work is Gordon Dawson of Klondyke 1898 fame. He is much sought after as a raconteur and his experiences in the vast Yukon among the malemutes, gold and other diversions, furnish an eager band of listeners with amusement and wonder. He has three colts in training, two of them entered in the futurities to race this season. They are working nicely.

Dr. D. A. McIsaac of Glace Bay, was a visitor here this week arranging for a supply of horses with Wellington McNeill, who understands the types required so well that he has made selections for the doctor for many years. The Doctor is the owner of Aaron L. 2.07 1-4 and Peter-at-Court 2.12 1-2.

The many friends of the well known driver Ollie Rudderham, will regret to learn that he may not be seen in the sulky for some time owing to ill health. We hope his absence from the track will be short and we join with hundreds of friends in wishing him a speedy recovery.

The new amusement tax will, according to despatches in Wednesday's papers, be applicable to race tracks, concerts and all forms of amusement. It is so hefty—20 per cent—and the feeling that it is unfair so general among all promoters of these enterprises, that vigorous protests are being made to Finance Ministry Ilsley to either remove or modify it.

One of the handsomest foals of the season is owned by John McLean, M. L. A., Souris East. He is by Calumet Budlong 2.02 3-4, dam Gara by Captain Aubrey 2.07 1-4, granddam by Bingara. Gara is a very beautiful mare and the little chap, which the writer had the pleasure of looking at, resembles her around the head and neck. There is something about such a foal that grips you and makes you want to own it and it was touching to see the look of love and affection showered on it by mother Gara.

In last week's notes we had a query re the breeding of Bill L. 2.16 1-2, sire of Happy L. 2.06 1-4, Aaron L. 2.07 1-4, Direct L. 2.09 1-2 and three others all out of Mary Sue 2.17 1-2. It has been answered by two parties to whom we are grateful for the information. W. N. Waldron, Tyne Valley, P. E. I., writes: "The breeding of Bill L. 2.16 1-2, to his third dam is as follows . . . Bill L. 2.16 1-2, B. H. foaled 1919, by Captain Aubrey 2.07 1-4, first dam Minerva Vernon (no record) by Buzz Fuzz; second dam, Belle Horn (no record) by Waterhorn; third dam, Nelly Lambert (no record) by Daniel Lambert, Jr.

Mary Sue 2.16, the dam of Happy L., Direct L., Aaron L., etc., is a daughter of Braden Direct 2.01 1-4. He has sired 127. He is a son of Baron Direct by Direct 2.05 1-2, by Director 2. 17, by Dictator 113, by Hambletonian 10, by Abdallah."

Mr. Waldron says: "I enjoyed reading in Down the Back Stretch Mr. Hervey's write-up of Bingen 2.06 1-4 and Peter the Great 2.07 1-4. Some claim there is nothing in luck. I am of the opinion luck is two-thirds of the battle. If Peter the Great had died at nineteen coming twenty and Bingen had gone to Patchen Wilkes' stock farm, how it would have changed the whole picture!"

A. Leadbetter, Ready-to-Wear-Clothing-Footwear of Springhill, N. S., writes giving practically the same information as Mr. Waldron, but states further that Minerva Vernon was bred in the J. R. Cowan's stable, Springhill, the dam and sire being owned by him. Belle Horn was a Morgan male. At present Bill L. and Mary Sue are owned by W. W. Bowers, Great Village, N. S. The last foal William Latta, former owner of Bill L., raised from this cross was, I believe, Buzz L., now owned by Wellington McNeill, the name no doubt coming from the great-grandsire Buzz Fuzz."

H. E. Hatch, who loves horses so much that he keeps a beautiful stock farm near Toronto and breeds high class trotters and pacers, has leased his good sire Peter McKillop 2.16 1-2 sire of last season's sensational green pacer Grattan McKillop 2.05 1-2, to the Pine Ridge Stables, Ontario, for the breding season of 1941, and the first mare mated to him is Pandora, yearling record 2. 24 3-4, owned and bred by that veteran Ontario horseman Uri Pierce. Mr. Hatch's fashionably bred brood mare Hollyrood Pamela foaled a colt by Volomite 2.03 1-4 on April 20th.

Our faithful friend "Jim" Pendergast sends us in the Kensington horse news, for which we are duly grateful . . . "Edward Turner of Hope River is mighty pleased with a beautiful colt foaled last week. He is sired by Lusty Frisco (3) 2.07 1-4, out of Nora Kalmuck by Kalmuck 2.15 1-2, dam by Petrello, by Prodigal, second dam by La-Copia, third dam by Commodore, fourth dam by Preceptor, fifth dam by Black Pilot. The colt is a bright chestnut with small blaze in face and two white stockings behind, halfway to the hocks. Curiously enough his markings correspond to those of his grandsire, that king of trotters, San Fransisco 2.07 1-2. Many of San Fransisco's 350 standard performers were chestnut colored including the Grand Circuit performer Chilcoot 2.04 1-4. Quite a number have been to see Mr. Turner's foal, some of them connoisseurs of equine symmetry, living around Hope River and vicinity, and they were most favorably impressed.

Speaking of the 'Wisenheimers' putting the O.K. on the new arrival reminds me that in the early day of the Sports of Kings in this provinces, Hope River scintillated on the racing firament with brilliant constellations. The late Thomas Reid owned and raced Park Campbello by Parkside 2.21 1-4, which was among the fastest steppers of his generation. Beatrice Fraser Reid (the present Mrs. Dr. McKenna of Oyster Bed Bridge) owned another good racer. It was in Hope River that the famous match race took place between Lady Chief by Island Chief, and Lady Pilot by Black Pilot, at the trotting park owned by the late Dr. John T. Cosgrove, fifty or more years ago.

Lady Pilot was driven by William Harrell and Lady Chief was owned and driven by Robert Fitzsimmons. Nervous tension was high as there was great rivalry between the adherents of the Chiefs and Pilots. They were not kindly disposed towards one another, to say the least. It was like a smouldering volcano, liable to errupt at any minute. In the earlier days of racing people seemed to be more susceptible to insult and fancied injury. Physical prowess of the knock-down-and-drag-out order was paramount, and a miniature Donnybrook Fair (hit a head wherever you see it) could and often did, start while one would wink.

The horses had two heats each at the end of the fourth heat. As they were going out for the fifth the owner of Lady Pilot said to his driver. . ."Can you beat her?' The response was, 'I can't beat her unless I run her.' 'Well, run her, d--it, run her.' That was enough. He ran her slightly ahead of Lady Chief on the stretch. This made driver Fitzsimmons' nervous and he urged Lady Chief too much. She broke and both mares came under the wire running, with Lady Pilot half a length in the lead. Consequently Lady Pilot was awarded the race. It was a tense moment. The friends of Lady Chief and owner-driver Fitzsimmons were about to become belligerant but were calmed by the quick Irish wit of a Priest who happened to be present by accident or design. His action saved the day and the baser passions of anger, hatred and revenge were replaced by tolerance, resignation and sweet accord."

"Big Jim" concludes with the following aside which is too good to leave out. . ."I thought this would be just a short note but I have delineated, expatiated and disgressed. I enjoyed your historical sketches so much that I thought the above bit of history might be apropos." You missed your calling, Jim, you would have been a sports writer and perhaps you would have been getting $50,000 a year like a star writer who recently was given that stipend by a Boston paper.

The story of a Great Canadian pacer The Eel 2.02 1-4. In the past two weeks we have given the story of The Eel up to the end of the season of 1908. . It was the misfortune of this phenomenal horse to be in the hand of men who regarded him as a tool for the getting of money. In January of 1909 he was brought out to make three appearances over the ice at Toronto and Montreal. Then in the Spring he went barn-storming over half-mile tracks in Canada and Michigan and as soon as the Grand Circuit commenced he made ten appearances in races on it and one exhibition. He was seven times first, once second and twice third. In the $15,000 American handicap pacing derby at Readville he went a wonderful race. Starting from scratch he finished third, the two horses that beat him having 315 and 450 feet of a handicap and there were no less than 33 others behind him. The terrible campaigns of 1908-09 took their toll and in 1910 he was only able to race three times, once first and twice second. In 1911 he staged a great comeback, took part in ten races and won five all over minor tracks.

In 1912 he began his fifth and last campaign facing a new generation of free-for-allers, among them some great ones. He started ten times, won five and was second in every race he lost. He forced Evelyn W. to pace the second heat at Syracuse in 2.00 1-2, which was a new world's record for mares, his own time being 2.01. At the close of the meeting he was shipped to Columbus, where while being led to the track he was caught in a terrific rain storm. Neglect by his groom brought on pneumonia and when driver McEwen, who had not seen the horse for two days, arrived The Eel was in such a state that no efforts could save him. Thus perished this marvellous horse—in many ways one of the most wonderful the standard breed has produced. He was ten years of age at the time of his death. In his five campaigns he took part in 45 races, was 27 times first, 12 1-2 times second, 5 1-2 times third and never fourth and never unplaced. His earnings were $31.380.

White Sox Trim Tribe In Doubleheader 7-1 And 5-2

NEW YORK, May 30—(AP)—White Sox defeated the American League-leading Cleveland Indians in both ends of a doubleheader at Chicago today, 7-1 and 5-2, behind the sterling pitching of old Ted Lyons and southpaw Thornton Lee.

A holiday crowd of 37,565 saw the 40-year-old Lyons set the Indians down with five hits in the opener. Lee followed up with a six-hitter, the two losses slicing Cleveland's margin over the second-place White Sox to only two games.

At Boston, a five-hit pitching performance went to waste in the first game of a doubleheader before a crowd of 34,500, when New York Yankees scored three times in the ninth inning to win 4-3.

But Mickey Harris came right back with a spectacular two-hit job in the nightcap and his team mates tallied some of the surplus runs they couldn't get out of their system in the opener, to overwhelm the Yankees 13-0.

At Washington, Philadelphia Athletics found Senators pitching to their liking and took a double victory, 7-4 and 14-4.

At Detroit, big Rudy York belted his 11th and 12th home runs of the season as Tigers maintained their mastery over St. Louis Browns by winning both ends of a doubleheader before 35,412 spectators.

The Tigers twice came from behind in extending to 14 games their string of victories over the Browns at Briggs Stadium. Pinky Higgins' ninth-inning single, his fourth hit of the game, won the opener, 6-5, and an 18-hit attack off three Brownie pitchers, clinched the nightcap, 10-6.

Reds Break Cardinal Streak; Dodgers Win Two

NEW YORK, May 30—(AP)—Cincinnati Reds broke the winning streak of Cardinals at St. Louis today, taking the second game of a doubleheader in 13 innings, 3-2, after the National League-leaders had won their 11th straight victory in the first game, 4-1. Ival Goodman's single and Frankie McCormick's double scored the deciding run in the nightcap.

At New York, Brooklyn Dodgers extended their newest winning streak to seven games by sweeping a doubleheader from New York Giants, 8-0 and 6-2, before 59,487 fans at the Polo Grounds.

At Pittsburgh, with pitcher Rip Sewell playing the double role of goat and hero, Chicago and Pittsburgh divided a doubleheader before 17,294 the Cubs winning the first game 7-6 and the Pirates the second 5-4.

Sewell started the first game for the Pirates but was a victim of triples by young Bob Sturgeon and Phil Cavaretta, both coming with two men on base, and was charged with the loss.

In the second game, after the Pirates had bunched six singles in the sixth to score four times and tie the game, Sewell came in as a relief hurler and shut out the Cubs.

At Philadelphia, the Phillies and Boston Braves took turns in ending long losing streaks as they split a doubleheader.

The Phils stopped a six-game plunge by taking the opener, 6-5, while the Braves shattered an eight-game losing streak by winning the afterpiece, 4-1, as southpaw Art Johnston turned in a five-hitter in his first major league start.

Rose And Davis Win Speed Classic; Wilbur Shaw Forced Out

INDIANAPOLIS, May 30—(AP)—Mauri Rose, diminutive Indianapolis driver, and Floyd Davis of Springfield, Ill., accomplished a two man job in winning the 500-mile Indianapolis Motors Speedway Race today—an event that was delayed an hour by fire and marred by three wrecks.

Rose and Davis split the task of piloting Davis' car to victory at a speed of 115.117 miles an hour in the annual Memorial Day test of men and machinery on the 2 1-2-mile brick and asphalt oval.

Davis started the race and Rose, one of the most consistent finishers in speedway competition, completed it. Rose got into Davis' car at 177 1-2 miles after his own mount had been forced out by carburetor trouble at 152 miles.

The split victory will go into the record books as a triumph for the car, which is owned by Lou Moore of Indianapolis, retired race driver.

Rose and Davis combined to turn in the second fastest race in the Speedway's 29-year history despite nearly 100 miles of yellow flag, or "caution," driving while wreckage was being cleared from the track.

Speedway officials estimated the crowd at 160,000, probably the largest yet lured by the speed classic.

Rose finished more than 2 1-2 miles ahead of Rex Mays of Glendale, Calif., who was second also in last year's race. Ted Horn of Paterson, N.J., was third and Ralph Hepburn of Los Angeles fourth.

Fifteen of the original 31 starters finished the punishing grind.

Wilbur Shaw of Indianapolis, seeking to become the only man to win four Indianapolis races, was forced out of the running after 380 miles. Shaw was eliminated by a crash into a wall on the southwest turn.

Perry and Budge In final round

CHICAGO, May 30—(AP)—Don Budge and Fred Perry, defending champions, advanced today to the doubles fnials of the National Professional Tournament, eliminating Dick Skeen and John Faunce of Hollywood, 9-7, 6-0, 6-4.

Retains Leadership

MONTREAL, May 30—(AP)—Montreal Royals staved off a threat by Buffalo Bisons to knock them out of first place in the International League today by winning the abbreviated nightcap 11-2, after bowing to the Bisons, 5-1, in the regulation opener at Buffalo.

Freddy Hutchinson, $75,000 Detroit farmhand, was at peak form as he nailed down his eighth victory against one reverse in the first game. Hutchinson yielded only four hits, issued one walk and fanned seven men. His teammates collected four home runs, two by Mickey Rocco, to account for the Bison tallies off Tex Carleton and Al Sherer.

Ed Head, who scored his seventh victory of the season without a defeat, turned in a brilliant hurling performance in the nightcap.

At Rochester, John Berly won his 99th league victory as the Red Wings took the nightcap of a doubleheader with Toronto Maple Leafs, 6-3, after bowing to the Leafs' lefty Porter Vaughan in the first, 3-0. His victory kept the Wings tied for third place in the league as Buffalo split with Montreal.

At Newark, Bears gained ground on the league-leading Royals by defeating Jersey City Giants in both ends of a doubleheader They routed the Giants in the opener, 19 to 2, and won the nightcap 5-4 in the overtime ninth inning on a 400-foot single by Ziggy Sears with bases loaded and two out.

Hawks trim Vics 18-15

The undefeated New Dome Hawks defeated the Sporting Club Vics last evening in an exciting game of softball played on the Victoria Park diamond. The smooth playing Hawks emerged on the long end of an 18-15 score.

The Vics never gave up trying all through the encounter and it was only after a bitterly fought game that they bowed in defeat to their opponents.

Sunday the Hawks will clash with an R. A. F. team in a game which is expected to produce plenty of action. It will take place at the Park diamond at 2.30 p. m. A game of soccer between two R. A. F. teams will be played immediately after.
