SUFFERED THREE YEARS

Till Dr. Morse's Indian Root Pills cured his Kidney Trouble

There are few diseases that cause more acute suffering than Kidney Trouble, and Mr. F. A. Thomas, of Sudbury Ont., is one of those who know it. He writes: "For over three years I suffered from kidney disease. First I thought I had sprained my back, for suddenly the pain would catch the small of my back and it would be impossible for me to straighten myself up for several minutes. A dull ache across the kidneys was always present, my urine was thick and cloudy, and passing it caused a burning, scalding pain. Tried medicines, but they failed. I was advised to try Dr. Morse's Indian Root Pills, as they had cured my wife years before. A few boxes affected a complete cure. I now enjoy the blessings of good health, which is due to this remedy."

Don't neglect kidney trouble—it's too dangerous as well as too painful. That old, reliable family remedy, Dr. Morse's Indian Root Pills, has cured thousands and will cure you. It is equally effective in curing constipation and its attendant evils, biliousness, indigestion and sick headaches, and in purifing the blood. 25c a box at your druggist's 16

THE WORLD'S WORK DEPENDS ON THE WORLD'S DIGESTION

From the captain of industry to the hod carrier—from milady in the auto to the woman with the scrubbing brush—the accomplishments of every one of us depend absolutely on the accomplishments of our stomachs. Backed by a good digestion, a man can give the best that is in him. When his stomach fails, he becomes a weakling.

To this loss of power no one need submit. Right habits of eating, drinking, sleeping and exercise, aided by Na-Dru-Co Dyspepsia Tablets, will restore and maintain the full efficiency of the human mind and body.

Na-Dru-Co Dyspepsia Tablets contain the active principles needed for the digestion of every kind of food. They go to the assistance of the weakened stomach, and enable the sufferer, right from the start, to assimilate and get the benefit of the food eaten. With this assistance, the digestive organs regain their tone, and soon the use of the tablets is no longer necessary.

If your stomach is not working properly, try Na-Dru-Co Dyspepsia Tablets, 50c. at your druggist's. National Drug and Chemical Co. of Canada, Limited, Montreal. 145

300,000 SIGN PETITIONS AGAINST NE TEMERE DEGREE.

TORONTO, Jan. 12—Rev. E. D. Wilcox, secretary of the evangelical alliance, has received petitions against the Ne Temere Decree bearing the names of nearly 300,000 Protestant Canadians.

The document was accepted by the alliance at a meeting today as sufficient to warrant taking further steps in the all-Canadian campaign to counteract the terms of the Papal pronouncement in Quebec.

Dr. N. W. Hoyles acted as chairman and there were present the leading representatives of nearly all Protestant denominations.

KING MANUEL STILL HOPEFUL OF RETURNING.

LISBON, January 12—Former King Manuel has contributed $295,000 to help his supporters in their efforts to restore him to the throne. It seems that in addition to his own subscriptions the ex-King has been soliciting among his friends.

This statement rests on the authority of the Royalist leaders on the Portuguese-Spanish frontier, who, or being accused of having personally appropriated part of the Loyalist subscription, issued a balance sheet in which King Manuel's share appears as stated above.

TORONTO, Jan. 12—The will of the late S. F. McKinnon, the head of S. F. McKinnon & Co., milliners, of Toronto, who died recently in London (Eng.), was entered for probate today and disposed of an estate of $1,000,000.

PORT OF BOSTON TO SUFFER FROM STRIKE.

BOSTON, Jan. 12—Representatives of the trans-Atlantic steamship lines, sent a letter tonight to the state board of conciliation and arbitration, declaring it to be their opinion that no good purpose could be served by the calling of the conference by the board for the settlement of the longshoremen's strike. It was further shown, says the letter, that the wages paid longshoremen at Boston are now as high as, or higher than those paid at any port on the Atlantic coast, and that as the bulk of the export cargo which moved through Boston comes from interior points, tributary to competitive points, such as Baltimore, Philadelphia, New York, Portland and Montreal, the lines out of Boston cannot afford to be handicapped to any greater extent than they are now by further increasing their discharging and loading costs, and that under these circumstances, they were not in a position to agree to any advance in the then prevailing wage scale.

BRITISH COLUMBIA MAY BUILD LINE

VICTORIA, B. C., January 12—A railway running north and south through British Columbia intended primarily to open the Great Peace River prairies is the chief matter for legislative action for the session of the British Columbia Legislature, which opened yesterday.

The new line may be built and operated by the Government.

IMPORTANT POINT WON BY GOVERNMENT.

CHICAGO, Jan, 12—An important point was won by the government today in the prosecution of the ten Chicago packers charged with criminal violation of the Sherman law. United States Judge George A. Carpenter granted District-Attorney Wilkerson and an expert accountant permission to examine the books of Morris & Company, outside the sessions of court.

The books are the general journals and ledgers for the period between 1905 and 1910, and were produced in court by the chief accountant of the company. The government wants to read into the record numerous entries in support of its contention that the allowance made for by products are inadequate and are part of the general operating plan of the alleged combination.

MINISTERIAL CRISIS NOW ON IN SPAIN

MADRID, Jan, 15—The Spanish Cabinet of which Jos E. Canalejas Mende was Premier, resigned yesterday.

The Cabinet resigned as a result of a divergence of views with King Alfonso, as to the advisibility of commuting the death sentence of one of the rioters who murdered a judge and wounded several court officials in the town of Cullera last September.

A general strike at that time, in Valencia and other Provinces, involved a plot to assistants General Weolol and the King was compelled to suspend the constitutional guarantees.

A ministerial crisis at the moment of the Franco-Spanish negotiations on Morocco gravity and the King has lost no time consulting with leading statesmen.
