PROBLEMS ARE DISCUSSED BY COMMITTEE

The meetings of the National Finance Committee at Ottawa were all held in camera and confidential reports will be submitted to the provincial governments. Premier Thane A. Campbell declared yesterday. He returned from the Dominion capital Thursday.

The Finance Committee meetings gave Provincial Treasurers a good opportunity to discuss with each other and members of the federal government the financial problems affecting their administrations.

Overlapping tax collections and old age pension systems were discussed. According to arrangements made last year, whereby the Dominion Government facilities were open to the Provinces for the collection of Provincial income taxes, Premier Campbell interviewed Mr. G. Fraser Elliot, commissioner of income tax, regarding the arrangements necessary to transfer the collection of this Province's income tax to the Dominion Government.

It was anticipated that the necessary steps would be taken at the approaching session of the legislature to authorize this arrangement. Ontario was the only Province so far to avail itself of this opportunity.

Premier Campbell interviewed Minister of Labor Norman McLeod Rogers regarding relief problems and was asked if Prince Edward Island intended to do anything toward placing unemployed men on the farm in accordance with the Dominion plan.

Premier Campbell said that he believed the problem in this Province was rather to reinstate in production those farmers, who though living on the land were financially not in a position to operate their farms profitably.

The Minister of Mines and Natural Resources and officials of the National Park Branch talked over the details of the Prince Edward Island park with Premier Campbell while he was in Central Canada.

Premier Campbell was accompanied to Ottawa by Hon. B. W. LePage, President of the Executive Council, and Mr. W. E. Massey, Provincial Auditor. The Provincial Auditor was taken ill and was rushed to hospital in the Dominion Capital where an operation was performed for appendicitis Thursday. Hon. Mr. LePage returned to Charlottetown before the Premier.
