-NEW SUMMERSIDE DWELLINGS.—Mr. Major Schurman, of Summerside, whose building operations in his home town as well as in Charlottetown has been noted by the Guardian, has recently secured a large block of land in Summerside belonging to the estate of the late Judge Weatherbie, upon which it is his intention to next year erect a number of modern dwelling houses. The situation of this property is very desirable and as there is considerable demand for the class of houses Mr. Schurman proposes to build, the investment is likely to prove a very profitable one. It is said that it is the intention to extend Beaver and Summer Streets to include the other property recently purchased by Mr. Schurman in Summerside and that it is also the intention to add ten feet to the width of Green Street.

The City School Board met last evening at 7.30. The usual routine business was done. A letter was read from Mr. W. S. The subject to be chosen by the writers. Manuscripts to be sent to Mr. Louson not later than September 1st.

The following resolution was moved by Mr. James, seconded by Mr. Smith, and unanimously carried:—"The Board of School Trustees in accepting the generous offer of Mr. W. S. Louson to donate two silver medals as prizes for poetry and prose composition among the pupils of the public schools, desire to express their appreciation of Mr. Louson's deep interest in public education in our city and their hope that the competition may accomplish the object he has in view."

Dr. MacDougald officiated both at the church and at the grave, assisted by the whole choir. A sad feature at the grave was witnessed when three small little children of deceased, dear to their loving father, lowered in his grave never to be seen again by them showed how deeply they felt their sudden loss to say nothing of the tender care their father had always showered on them during his life-time. The following who were neighbors of the deceased acted as pall-bearers: Messrs Joseph A. and Joseph J. Doucette, Thomas Perry, Manuel Gaudet, Peter Knox and Peter Harper.—Z.

The unfortunate man, at the time of the accident, was coming up the travelling road on his way home, accompanied by his helper and two loaders, who were on each side of him, when a heavy piece of stone broke a boom and it fell, striking him across the neck and shoulders. He died instantly. Neither his helper nor loaders were hurt in any way. SUPREME COURT.—The case against Edwin L. Harrington was continued at the Supreme Court yesterday, when considerable evidence was given for the defence. Council having addressed the jury and the Chief Justice summed up, the jury retired at 4.15. At 5.25 they returned, and the foreman stated that they had found it impossible to come to a verdict. They asked His Lordship for further information as to their responsibility in regard to the law, and having been addressed again by the Judge on the question of intent on the part of the prisoner they again retired. In ten minutes they returned with a verdict of acquittal. Harrington was then discharged.

After the Convener's address Dr. G. F. Dewar addressed the meeting and announced that he would not again be a candidate, should the honor be offered him, as he would not be able to give the matter the attention which such an important position demands, owing to his professional and other business duties.

Mr. H. F. Feehan next addressed the meeting reviewing the history of the district and of the political situation generally during the past four years. He modestly intimated that if it was the wish of his constituents he was willing to again accept the candidacy, but if they had any other man in view he was quite willing to withdraw in his favor and to do all in his power to elect the choice of the district. After addresses by several of the electors, it was moved by Mr. Wallace W. Owen, Frenchfort, seconded by Mr. Benjamin Jenkins, Mount Abillon that a hearty vote of thanks be tendered to Messrs Dewar and Feehan for the able manner in which they represented the Third District during the past four years. This motion was unanimously carried. Mr. H. F. Feehan was proposed as Council man by Mr. Wallace W. Owen, Frenchfort, seconded by Mr. Benjamin Jenkins, Mount Abillon, and as there was no other nomination Mr. Feehan was declared the unanimous choice of the Convention.

-CROPS GOOD.—The crops in and near St. Eleanor's are exceedingly good. During the past few warm days the root and grain crops have come on at a surprising rate, while there are some pieces of clover which will rank with any in the Province. For the past few years several persons of St. Eleanor's have made a business of growing vegetables, which find a ready market among the citizens of Summerside during the summer months. Their gardens are well advanced, and it will not be long before they will be making their regular trips with the earlier varieties.—V.

-WEDDING BELLS.—A quiet wedding took place at Summerside on Wednesday morning, June 30th, when Rev. Charles E. After the ceremony the happy couple crossed by the Empress on a bridal tour to St. John and other points in New Brunswick and Nova Scotia, returning home via Pictou. J. McDonald expressed their regret at their departure and hoped that the ties of friendship which had existed would not be parted but grow stronger as distance severed them. Mr. and Mrs. Dougan although completely taken by surprise each replied in suitable terms thanking the young folks for their remembrance, and saying that although they were leaving they could ever cherish bright in their memory the days that were gone by and that the ties of friendship that had existed would still continue to exist. Mr. Dougan then had the floor cleared away and to the sweet strains of music furnished by Mr. J. J.
