PLEASANT AFFAIR.—A very pleasant evening was spent at the home of Mr. and Mrs. A. Beaton, Brookfield, on Feb. 15th, the occasion being a reception given in honor of the marriage of their daughter Annie Isabel and Mr. William Nelson. Upwards of eighty invited guests assembled to wish the young couple a happy and prosperous journey through life. The evening was pleasantly spent with songs and instrumental music. Mr. Wilbert Drummond presided at the organ in his usual satisfactory manner. At the appointed hour the guests sat down to partake of a sumptuous repast prepared for the occasion to which all did ample justice. The presents which was numerous and costly of which one was a valuable gold watch from one of the bride's brothers now at the front in France, fighting for the Empire, testified to the popularity of the contracting parties. The party was brought to a close by Mr. Charles E. McDuff, the popular teacher of the district, who in a neat speech, on behalf of the guests, thanked the host and hostess for their kindness and hospitality and making a touching reference to the fact that the half of their family was now at the front fighting for the empire and he hoped that before long those present would meet again to extend a hearty welcome to the boys on their return home. After singing "Auld Lang Syne" and the National Anthem all repaired to their homes well pleased with the evening's engagement.
