### DECLINE TO MEDDLE IN ONT. LIQUOR ISSUE

Dominion Convention  
Leaves Question of  
Headquarters To  
Executive.

(Special to the Guardian)  
TORONTO, Nov. 19.—By a stand-  
ing vote which brought all but an  
insignificant number of the eight  
hundred or more delegates to their  
feet the annual conference of the  
Liberal-Conservative Association  
this afternoon squashed the resolu-  
tion sponsored by F. W. Wilson,  
M.L.A. of Windsor, that a discus-  
sion be permitted on the proposal  
to urge that legislation be intro-  
duced in Ontario to permit Govern-  
ment liquor control in ridings that  
had voted "wet" at the last plebis-  
cite.

The conference decided that a se-  
ries of meetings will be organized  
between parliamentary sessions at  
which politicians will be invited to  
speak. A tentative proposal was  
made that the party proceed at once  
with organization of ridings and no-  
mination of candidates. It was finally  
decided to leave the matter of  
nominations to the executives.

John McNaughton, of Quebec, said  
that since the last Federal election  
there had been a definite growth  
of Conservative politics as evi-  
denced by the results of provincial elec-  
tions. He urged a closer entente be-  
tween Ontario and Quebec.

The question of permanent head-  
quarters was left for further con-  
sideration by the executive.

### SOVIET EXPEDITION RETURNS FROM WRANGEL

(Canadian Press)  
MOSCOW, Nov. 19.—The Soviet  
expedition which recently hoisted  
the Russian flag on Wrangel Is-  
land returned here today. With the  
party was Charles Wells, a mem-  
ber of the Stefansson party who  
was taken off the island with three  
 Eskimos. Wells has been as-  
signed quarters in the government  
naval building under the Soviet  
Commissariat of Foreign Affairs.  
According to Soviet officials Wells  
made a written statement in the  
presence of a British Consul, stat-  
ing that he left Wrangel Island of  
his own accord and was entirely  
satisfied with his treatment during  
the voyage of the Reg October to  
Vladivostok. When removed from  
the island, Wells had in his pos-  
session United States and British

### DISILLUSIONED

The notorious Emma Goldman  
who was deported from the United  
States as an undesirable alien in  
1919 spent a considerable part of  
her exile in Russia. She now seeks  
asylum in England and on her ar-  
rival there was given a banquet at  
which she said that the oppressed  
as they never were under the  
Czar and all ideals have been dis-  
credited.

Prince Edward Island, and W. L.  
Hall, K.C., Conservative leader in  
Nova Scotia, spoke enthusiastically  
of conditions in his province. The latter  
prophesied that the Liberal admin-  
istration in Nova Scotia would be  
out of office by next summer.

### WILL TRY TO PROVE WORTHY OF HIS TRUST

Meighen Appreciative  
of Confirmation as  
Leader—Raps the  
Government

(Canadian Press)  
TORONTO, Nov. 19.—Expressing  
his satisfaction with the out-  
come of yesterday's national con-  
ference of Conservative leaders  
here, at which a national associa-  
tion of the Liberal-Conservative  
party was formed, Right Hon.  
Arthur Meighen addressed the  
Ontario provincial convention of  
the party today. He would try  
to be worthy of the honor paid him  
by yesterday's conference in con-  
firming him in the party leadership.  
His speech was brief because the  
Conservative leader had to leave  
for a speaking tour of the West  
Hastings riding.

In his recent tour of the west, Mr.  
Meighen said that he found people  
not at all satisfied with the ac-  
complishments of the present Govern-  
ment in its three years of office.  
It had shown less and less willing-  
ness to shoulder the responsibilities  
of office. Mr. Meighen made  
special reference to the taxation  
conference which, he said, had  
proved abortive because the Govern-  
ment disavowed responsibility.  
The unemployment conference had  
not found a solution of the problem  
it sought to face. That was be-  
cause the one thing which could have  
furnished the key to the problem.

### RAILWAY STRIKE IN BRITAIN IS THREAT

(Canadian Press)  
LONDON, Nov. 19.—The  
locomotive engineers and  
railway men threaten that  
there will be a general stop-  
page of the railways of this  
country next January unless  
the railway companies live  
up to the terms of the settle-  
ment of the last strike,  
whereby the engineers and  
railwaymen were to receive  
increased pay beginning in  
January, 1925. A clause in  
the settlement contained the  
words "unless in the mean-  
time it is agreed otherwise,"  
and this is regarded as a  
possible obstacle to the pay-  
ment of the increased wages  
next January, but the union  
leaders declare that the new  
scale must come into opera-  
tion at the beginning of the  
year.

### Attitude of Baldwin Gov't. On Geneva Protocol Not Yet Defined

(Canadian Press)  
LONDON, Nov. 19.—It was stated  
in British official circles this  
morning that the British attitude  
toward the Geneva protocol on security  
and disarmament had not yet  
been defined by the new Baldwin  
Cabinet, nor had the Labor Govern-  
ment's request that action on the  
protocol be postponed until after  
the coming meeting of the League  
of Nations Council in Rome, was  
made. It was stated in order to  
give the Cabinet time to place the  
matter before the British Domi-  
nions and allow Ministers of Great  
Britain to investigate the protocol  
as it will affect Great Britain.

### Canada's Exports Of Pulp Wood

(Canadian Press)  
OTTAWA, Nov. 19.—Canada's  
exports of wood pulp totalled \$40,  
170,357 during the twelve months  
ended October, compared with  
\$47,155,825 during the twelve  
months ended October 19th. Pulp-  
wood exports in the two periods  
were \$13,608,039, against \$13,667,  
606 manufactured paper \$98,400,

H. R. H. looked much refreshed on his arrival in England. This  
photograph was taken just before the Olympic doped at Southampton.  
and shows the Prince promenading with Captain Howarth. A  
book containing 61,120 clippings from newspapers regarding the ac-  
tivities of the Prince of Wales while on this continent has been com-  
piled for H. R. H. by a newspaper clipping agency. The book weighs  
325 lbs. No president of the United States ever received so much  
publicity in so short a time.

### Canada Leads World In Live Stock & Agriculture

(Special to The Guardian)  
TORONTO, Nov. 19.—When the doors  
of the Royal Coliseum swung open yes-  
terday morning preparatory to the hold-  
ing of the third annual Royal Winter Fair  
it demonstrated beyond a shadow of a  
doubt that Canada has attained to that  
point in her history when along the line  
of agriculture and the breeding of live  
stock, at least she stands unrivalled among  
the nations of the world. No finer ex-  
hibition of the products of the farm and  
all that pertains to the breeding of horses  
cattle and sheep and swine has ever been  
seen on this side of the Atlantic, provin-  
cial or national, and one of the most grati-  
fying features of the big show is that the  
Republic to the south has never been so  
generously represented.

### Newsy Wire Briefs Flashed In At A Late Hour

(Canadian Press)  
LISBON, Nov. 19.—The gov-  
ernment of Premier Gaspard  
resigned this afternoon follow-  
ing a rejection by parliament  
today of a motion for a vote of  
confidence.  
BELFAST, Nov. 19.—Mrs.  
Darrell Figgis, wife of Deputy  
Figgis, member of the Dail  
Eireann, was fatally shot at  
Rathfarnham outside Dublin,  
this morning.  
TOLEDO, Ohio, Nov. 19.—  
Father, mother and a three  
month's old daughter were burned  
to death at 2.30 this morning  
when a fire of undetermined  
origin destroyed their home at  
Perryburg.  
CAPETOWN, S.A., Nov. 19.—  
South Africa will again next  
year participate in the British  
Empire Exhibition at Wembley,  
announcement to this effect  
has just been made by the  
Hertzog Government. This is  
a reversal of the South African  
Government's decision of Octo-  
ber 24.  
VICTORIA, B.C., Nov. 19.—  
Flogging of women drug traf-  
fickers met with the approval  
of Mrs. Mary Ellen Smith, M.  
L.A., Vancouver, who favored a  
resolution passed in the Legis-  
lature yesterday to authorize  
the lash for convicted drug  
traffickers.  
ST. JOHN'S, Nfld., Nov. 19.—  
At the trial this morning of Leonard  
G. Reid, son of the late Sir W. D.  
Reid, who is facing a charge of  
manslaughter following the killing  
of six men last September, when  
his automobile ran into a crowd of  
people near here. It was stated  
Reid's car was travelling at a rate  
of fifty miles per hour when the  
accident took place. The state-  
ment was made by expert motor  
mechanic Silverlock, who had  
made an examination of the car  
and locality of the accident.  
LATER  
ST. JOHN'S, Nfld., Nov. 19.—  
A visit by the court to the scene  
of the tragedy, testimony by the  
witnesses, and a declaration of  
a speed of fifty miles an hour  
and an announcement by the defense  
that the death car would be  
brought into court tomorrow, were  
the high lights today in the sen-  
sational manslaughter trial of  
Leonard G. Reid, son of an old  
and prominent Newfoundland fam-  
ily, driver of an automobile that  
killed six men on Topsail Road,  
in September.  
R. G. Silverlock, introduced by  
crown as an expert motor mechan-  
ic, was on the stand throughout  
the morning and declared his be-  
lief that the death car was travel-  
ling faster than fifty miles an hour  
when it crashed into a group of

### THE STRANGEST STRIKE IN LABOR HISTORY

90 British Union Of-  
ficials Protest at  
Refusal to Rein-  
state Ex-Minister

(Special to Guardian)  
LONDON, Nov. 19.—The ques-  
tion of reinstating ex-ministers of  
the Labor Government in the po-  
sitions they formerly held in the  
trades unions has led to one of the  
strangest strikes in the history of  
the trade union movement. Nearly  
ninety officers, organizers and  
officials of the Transport Workers  
Union have gone on strike as a  
protest against the action of the  
union's executive in declining to  
reinstate Harry C. H. Gosling, as  
president of the union, a position  
he held before he became minister  
of transport in the late govern-  
ment. The plea of the executive is  
that when the office of president  
became vacant, on Mr Gosling en-  
tering the government, it had been  
intended to abolish it on the  
grounds of economy. This means  
that Mr Gosling who is now ill,  
loses his governmental salary of  
£2,000 a year and he gets no com-  
pensation, as the other ministers  
do, by resuming their former posi-  
tion.  
Much secrecy is being observed  
but supporters of Gosling hint  
that personal reasons actuated the  
executive, and insinuate that it is  
the intention of the executive to  
place Ernest Bevin, secretary of  
the union in complete control.

### GOV. GENERAL OF SOU- DAN NARROWLY ESCAP- ES DEATH

(Canadian Press)  
CAIRO, Nov. 19.—Major  
General Sir Lee Stack, Sir-  
dar of the Egyptian Army  
and Governor General of the  
Sudan, was badly wounded  
in the stomach when attack-  
ed with bombs and revolver  
bullets while driving from  
the Ministry of War today.  
His Aid de Camp, his chafu-  
four and a policeman were  
also wounded. The assal-  
ants escaped. At the hospi-  
tal doctors reported the Sir-  
dar's condition as serious he  
having three bullet wounds  
in his stomach, hand and  
foot. The attack was boldly  
made in broad daylight un-  
der the eyes of many who  
witnessed the dastardly at-  
tempt at assassination.

### Reid's Car Was Traveling Fifty Mile Hour Clip

(Canadian Press)  
ST. JOHN'S, Nfld., Nov. 19.—At  
the trial this morning of Leonard  
G. Reid, son of the late Sir W. D.  
Reid, who is facing a charge of  
manslaughter following the killing  
of six men last September, when  
his automobile ran into a crowd of

accident took place. The state-

### Lusitania Skipper Travels 3rd Class

(Canadian Press)  
MONTREAL, Nov. 19.—A Star  
cable from London says that  
Capt. W. T. Turner, commander of  
the Lusitania, when the latter was  
sunk, is enroute to Australia as a  
third class immigrant.

### DE VALERA RESTING HOPE ON BALLOT

CLAIMS SUDAN

King Fuad, of Egypt, in the ad-  
dress from the throne on the oc-  
casion of the opening of the Egyptian  
parliament reasserted the claims of  
his government upon the Sudan.  
While the trip of Zaghoui Pasha,  
the Premier did not bear fruit, the  
King is confident that new nego-  
tiations will soon be opened up.

### ISLAND FOXES STILL WINNING ALL PRIZES

(Special to The Guardian)  
TORONTO, Ont., Nov. 19.—The  
judging of adult foxes was com-  
pleted at the Royal Winter Fair to-  
day. Tomorrow the pup classes will  
be judged. Competition is very keen  
and in some classes there are as  
many as twenty-four entries, most-  
ly wonderful specimens and fitted  
splendidly. Never before has so  
many outstanding foxes been  
shown. The mode of judging is to  
place all the foxes of a class in  
a row on tables and then compare  
them and eliminate the non prize  
winners.  
The results are:  
Medium Silver Adult Males.  
First—Pure Canadian Co., Sum-  
merside.  
Second—Col. D. A. MacKinnon,  
Charlottetown.

### 15 Vacant Seats In Free State Parlia- ment Will Be Con- tested.— Serious Situation.

(Special to The Guardian)  
DUBLIN, Nov. 19.—Although  
Dublin has restored order and  
established civil law in its terri-  
tory, the Irish Free State Govern-  
ment is now facing a situation  
more dangerous to its existence  
than revolutionary war.  
DeValera's Republicans now that  
guns have fallen, are employing  
political organization and depend-  
ing upon the ballot to demolish  
that which the revolution shook.  
The fifteen seats now vacant in  
the Free State parliament give  
the Republicans the opportunity  
constitutionally of challenging  
the Government and the present  
ministry feels that heavy cam-  
paigning is necessary to meet the  
test.  
Five elections for these seats  
took place during the week. Presi-  
dent Cosgrave adjourned Parlia-  
ment to allow the ministers and  
friendly deputies to address cam-  
paign meetings. Cosgrave says that  
not merely the future of his party,  
but the future of the Irish Free  
State is dependent upon the result  
of the election.  
His ministerial position is also  
threatened by a flank movement  
of the national group led by former  
Minister McGrath, who resigned  
his seat recently as a protest ag-
