SYMPATHY EXPRESSED - Much sympathy is expressed for Mr. and Mrs. Maxime Peters of Summerside in the loss of their infant daughter of two months, who passed away on Friday morning. The little one was laid to rest in the R. C. Cemetery.-S.

FINED \$200 AND COSTS-A man from the Western part of the Island appeared before Magistrates F. W. Cannon and Hugh J. Massey at the Court House, Summerside, last week for operating a still. He was found guilty and fined \$200 and costs or 6 months in jail.-S.

VISITING IN NEWTON, MASS - Ven. Archdeacon White and Mrs. White left on Saturday morning for Newton, Mass., to visit their daughter, Mrs. (Dr.) McPherson. The Archdeacon has been granted three months leave of absence. It is hoped that the change will benefit the Archdeacon and that he will return fully restored to health. The parish will be in charge of his son, Rev. Charles Deolife White, Chaplain of King's College School, Windsor, N. S.-S.

IS INJURED-The seven year old son of Mr. Coyle and grandson of Alfred Cahill of Summerside received a nasty gash on his right leg on Friday morning which necessitated one or two stitches to close the wound. While his mother was away the little fellow was playing with an axe, which had recently been sharpened. In attempting to chop a piece of wood the little fellow let the axe slip, inflicting the wound. He is now doing nicely.-S.

SOCIAL GATHERING - An event of more than usual importance took place on Wednesday evening, June 24th, at the home of Mr. and Mrs. Major Townsend and Mr. and Mrs. Frank Townsend, Sherbrooke, when a large farewell was tendered Mr. and Mrs. Geo. T. Pickering of that locality on the eve of their departure to take up residence in the Town of Summerside. About one hundred or more neighbors, friends, etc., assembled to do honor to the principals which includes besides Mr. and Mrs. Pickering the Misses Marjory, Ruth, Jean and Master William Pickering. Mr. Major Townsend called the meeting to order, and read a short address which spoke in the very highest terms of Mr. and Mrs. Pickering and family, and wishing them success and happiness in their new location. Tangible expressions of gratitude were presented to Mr. and Mrs. Pickering by Mrs. Lyman Hall and to Misses Marjory and Ruth by Pauline Callbeck, and to Jean and William by Olive Harris and Roy Boates, showing in an unmistakable manner the large place these people occupied in the thoughts, hearts, etc., of the good people of Sherbrooke. The evening was joyfully spent in featuring the following program. Reading, Miss S. M. McNeill, solo, Mrs. Lyman Hall, duet Mrs. Geo. Pickering and Emerson Heustis. Quartette, Mrs. Lyman Hall, Mrs. Geo. Pickering, John Boates and Emerson Heustis. Trio, Mrs. Geo. Pickering, Earle McMurdo and E. Heustis. Community singing by all. Instrumental music, Miss Glen Waite and Mrs. Frank Callbeck. Duet, Pauline Callbeck and Jean Boates. Music by Messrs Barnett and Harris. After a dainty lunch was served by the ladies, a vote of thanks was extended to the Townsend family by the assembled guests. Mr. and Mrs. Pickering thanked all for their kindness and generosity after which the host and honored guests were bunched. A pleasant evening was brought to a close by the singing of the National Anthem.-W.

A man who had taken pity on a lad and given him work as junior clerk kept him at the office rather later than usual one Saturday. The lad became sulky, and performed his duties in a very dilatory manner. At last his employer turned on him. "You ungrateful rascal, where would you be now but for me?" At a cricket match, was the answer.

Picking Your Life Work

(By Alan G. Wagner) As Told to J. V. Fitzgerald. First of all you should have character, that is, those high qualities and traits that make you a person whose word is his bond and whose conduct and ability are not open to question, if you are to become a banker. Character is the foundation stone of confidence upon which credit is built and banking is very largely concerned with credit. It goes without saying that you must possess honesty and by that I mean honesty in small things as well as in big. You must be honest enough to fact the facts even though they lead to a distasteful conclusion. You will need a sound sense of values, a certain financial shrewdness, a thrifty disposition and a natural inclination toward matters of business if you are to climb high on the banking ladder. Such traits as those should be developed at a fairly early age. You can make your way in banking without the help of advanced education, if you are cut out of the right pattern. Some financiers hold that the sooner you begin your career, after a good high school education, the sooner you are likely to reach the top. Many colleges offer excellent courses in finance and banking for those of you who are determined to follow such a career as your life work. But if you are not able to avail yourself of such opportunities, banks and other financial houses provide educational courses for employees. You should have a good knowledge of commercial arithmetic and geography. And neat hand writing even in this machine age is helpful. After you are placed it would be wise, if you haven't already done so, to study economics, accounting and commercial law. You should keep in touch with business conditions in different parts of the country and familiarize yourself with factory production, crops, marketing and like matters. Your initial pay, regardless of your educational qualifications, will not likely exceed \$20 or \$25 a week in the biggest banks and it may run considerably less in smaller institutions. The Professor-I am about to perform a very interesting chemical experiment. Should I do anything wrong, the whole class, including myself, might be blown through the roof. Kindly step nearer, so that you can follow me better. Bride-You must not expect me to give up my girlhood ways all at once. Bridegroom-Certainly not, my dear. Go on taking an allowance from your father as if nothing had happened.

N. S. Bishop Visits S'ide

St. Mary's Church, Summerside, and St. John's Church, St. Eleanor, had the pleasure of a visit from His Lordship Bishop Hackenley, Bishop Coadjutor of the diocese of Nova Scotia, when he administered the holy rite of confirmation to a class of fifteen in St. Eleanor and a class of eleven in St. Mary's, Summerside. The confirmation service at St. Eleanor was in conjunction with the service of even song at 3 p. m. Dr. Hunt, of King's College, presented the candidates whom he had prepared since he has been home for the summer vacation. Rev. Charles DeWolfe White assisted in the service. Bishop Hackenley, after he had completed the confirmation service, gave a very inspiring address to the candidates and left with them the text taken from Ephesians 5:15, "See that ye walk with vigilance." Bishop Hackenley administered confirmation to the candidates of St. Mary's Church at the evening service. The class of eleven was prepared by Ven. Archdeacon White, but owing to illness he was not able to present. His son, Rev. Charles DeWolfe White presented them to the Bishop. In addressing the congregation, His Lordship made reference to the illness of the Archdeacon and asked for the prayers of the congregation on his behalf. The Bishop, who is a very eloquent speaker, addressed the children and admonished them to make their life worth while, striving always for the best. He left the text from Corinthians, 2 chapter, six verse 1 "As workers together with Him, beseech you also that you receive not the grace of God in vain." Prayers were offered for the Archdeacon of the Island, Rev. Mr. White, by Bishop Hackenley at the close of the service.-S.
