Fastest Racing Of Season Witnessed Here Saturday

Speed and thrills featured the harness races on harbor ice here Saturday afternoon. The best times of the season were chalked up in the free for all where Millie Kalmuck, favorite with many race fans during summer meets romped home a winner over Royal Jim, another fast stepper.

Another feature of the afternoon was the appearance of the veteran Tom Holmes, driving Lusby Frisco. He placed third but got a big hand from the crowd. Holmes, away past the four-score mark had had his leg broken twice in upsets in recent years and makes only infrequent appearances on tracks now.

At least a half-dozen horses were involved in spills Saturday but no one was hurt. Most of the trouble was caused by horses throwing shoes on the glib ice. One horse fell heavily and skidded almost one-hundred yards before stopping.

Hawks Defeat Bruins 3-2 In Third Period Rally

CHICAGO, Feb. 14 — (AP) — Rookie Wingy Johnston, who had been hugging the bench most of the season jumped off of it tonight to drill in two quick goals during the closing minutes of the last period and give Chicago Black Hawks a 3-2 National Hockey League victory over the front-running Boston Bruins before a crowd of 14,921 at Chicago Stadium.

The expert stick-work of coach Johnny Gottselig, whom the Hawks pressed into service in a desperate effort to keep in the running, played an important part in the closing surge. The 36-year-old veteran hadn't seen major league action in three years.

GREATER LOVE

HALESWORTH, Eng. —(CP)—To the residents of this Suffolk village George Rogers was just a farmers' lad when he joined the army at 16. Today they mourn him as a 21-year-old commando who died behind the German lines in Tunisia, holding off the enemy so that his comrades could get to safety.

McLaine, Cruikskank In Finals For Consols Trophy

The final matches in the bonspiel for the Provincial curling title are scheduled for this evening, it was announced last night. The winner gets the British Consols trophy.

F.R. McLaine and W.R. Cruikshanks both Charlottetown Skips are in the finals. The McLaine rink has won every game played without a loss while the Cruikshank rink has one loss marked against it. If the McLaine rink wins the first match tonight the championship is decided; if Cruikshank wins another match will be required.

Fourteen matches were played Saturday. The bonspiel opened Thursday afternoon and was held up Friday because of ice conditions at the rink.

Three rinks, one each from Montague, Alberton and Summerside were eliminated in the first day's play. A total of eighteen were entered.

Saturday two rinks still in the running did not compete. They were, Dr. Clark's from Summerside, and A J. Matthews, Alberton. Saturday, too, W.W. Lord skipped in place of A W. Hyndman who was suffering from a cold.

Rangers Rally To Gain 4-4 Tie Over Leafs

NEW YORK, N.Y., Feb. 14 —(CP)— The faltering Toronto Maple Leafs failed to hold a four-goal lead tonight and the New York Rangers rallied to gain a 4-4 tie before a crowd of 13,487. It was the last place Rangers' seventeenth consecutive National Hockey League game without a victory.

A major penalty to Hank Goldup coming just after the tying goal in the third period, apparently checked Rangers when they were on the road to their first triumph since Dec. 29. They had to play defensively when the former Toronto player was banished for drawing blood from ex-Ranger Babe Pratt's mouth with a cross check and they couldn't get started again.

Every Person In Canada Needs Protective Foods In Order To Be Healthy

Two women were standing in front of a store window which had a Nutrition campaign display that featured Canada's Official Food Rules.

Said one to the other: "My husband and I are in our forties; neither of us care much for milk and we don't eat a lot of vegetables, but we keep pretty well, though we're both a bit overweight. I can't see why we should change our eating habits now, just because of all this new-fangled talk about nutrition. For people our age we don't feel so bad."

Nutrition Services at Ottawa has some good advice for those in their forties and over. First of all they say that everyone, regardless of age, needs protective foods in the minimum amounts listed in Canada's Official Food Rules in order to be healthy.

Everyone knows instances of elderly people who have suffered fractures following slight falls, and it is common to hear:— "Oh well, old people's bones are always brittle." The reason that many old people have brittle bones is because, over a period of years, they have not been getting enough calcium in their daily meals. This mineral is necessary, not only for building bones and teeth but for the processes of digestion, the beating of the heart and other bodily functions that go on as long as life continues. When insufficient calcium is provided to maintain these functions it is drawn from the bones, leaving them weakened and easily broken. Milk and cheese are by far the best food sources of calcium.

Vitamins, too, must be supplied all through life for the body is no hoarder of these essential elements, although vitamins A, D, and E are stored to some extent, daily replenishment of vitamins is necessary.

Another bit of nutritional advice to the over-forties is "Watch the scales." Overweight in moderation, is an asset to the young, but becomes a liability in later life.

Use Minard's for sprains.

S'Side Hockey Veterans To Meet R.C.A.F. Team

Summerside hockey fans are in for a big treat Tuesday night at the Crystal rink when "the old timers" cross sticks with the local R.C.A.F. "Flyers."

The veterans, the first time they have been assembled for quite a few years, are out to show the Flyers how the game should be played, on the other hand the Flyers who, it will be remembered only last week trounced a strong army team from Charlottetown, have something to say in this matter.

Familiar faces will be seen on the Summerside line up namely, "Chick" Gallant, Jack Schurman, Dick Steele, Ensor Bowness, Harry Dickie, Surgeon Lieut. Dodds, Dave Lidstone, Charlie Deighan, Frank Woodside, Herb Schurman, Charles Llewellyn, Danny Gallant, Leo Gauthier and others. Ralph Silliphant, an old veteran of other years, will also probably don the blades, but in all likelihood will handle the boys from the bench. "Skull" Bishop, the manager, had his charges go through a stiff workout over the weekend and reports that the Flyers will really have to fly if they expect to be on the long end of the score.

Boy Scouts of Ottawa have been most active in a salvage campaign for medicine bottles to completely maintain the supply for medical centres in the Dominion capital. Since they started this drive nearly a year ago military medical centres have not had to purchase a single bottle, thus saving several hundred dollars. Here are shown Ottawa Cubs and Scouts at a theatre matinee the admission to which was medicine and magazines. The slogan "Help Bottle the Axis" aided in securing many hundreds of bottles in this single effort.
