

FRIDAY

AN IMPORTANT VISITOR—Mr. Norman W. McLeod was the happy recipient Tuesday morning of an heir to his estate in the shape of a bouncing fine son who tipped the scales at a good many pounds.

THE SABLE COMING—Wednesday's Halifax Herald says:—The steamer Sable, Captain George A. Murray, arrived yesterday direct from St. John's Nfld., making a smart round trip. It is just a week ago today since the Sable left Halifax with a full general cargo for the Newfoundland port. After discharging her freight at Farguhar's wharf she went up to Pier 3 to take a part load of general merchandise for St. John's, reserving space for freight from Charlottetown where she is going direct from here. The Sable, which also brought twelve passengers on this trip, will return to Halifax from St. John's, Captain Murray reports seeing no ice, although he came north of Sable Island.

LAI D TO REST—The funeral of the late Miss Pearl Stewart took place from her father's residence yesterday afternoon at three o'clock, there being a very large attendance of friends and relatives anxious to pay their last tribute of respect to a young life so early called home. Dr. Fullerton officiated at the house and grave, speaking words of comfort and inspiration to the bereaved family. The choir of St. James' church, of which deceased was a valued member, assisted in the singing. The many beautiful floral offerings were silent, but loving tributes from sorrowing friends. The pall bearers were Messrs. Alex Laird, John Collins, Ed Saunders, A. McConnel, W. T. Wellner and A. Pickard, interment being in the People's Cemetery.

SECOND SON KILLED IN ACTION—Mr. Ewen Campbell of Albany has received official notice that his son, Private Ross Campbell was killed in action on May 7th. The deceased enlisted with the 105th P.E. Island Battalion and crossed to France with one of the drafts. He was a fine specimen of young manhood, not yet nineteen years of age, and his death is a sore blow to his relatives and friends. This is the second son of Mr. Ewen Campbell to be killed in action, the first, Douglas, having made the supreme sacrifice last August. Another son, Frederick, was killed in a railway accident a little over a year ago. These successive bereavements in this time of general sorrow constitute a burden such as few are called to bear and the heartfelt sympathy of all goes out to the sorely stricken relatives. Mrs. Arthur Burns of this city is a sister of the deceased.

The death occurred at the home of his uncle and aunt, Mr. and Mrs. Jas. Hynes on May 28th, of Peter J. Walsh, son of Michael Walsh, Little River, at the early age of 27 years. The deceased had been in failing health for the past few years and everything that loving hands and tender nursing could do for him was of no avail. He slowly but surely seemed to be sinking until his pure soul took its flight to his Heavenly Home, which he had been preparing for himself during his short sojourn here on earth. Seldom indeed could you find a young man possessing such excellent qualities. He leaves to mourn besides his estricken uncle and aunt, his father and mother, one sister, Mrs. T. O'Connor, Malden, Mass., one brother, Jack, U. S.; also two half-sisters and one brother residing with his father. During his illness he was strengthened and consoled by the visits of his pastor, Rev. Father McQuaid, who administered to him the last sacraments of the R. C. church, of which he was a most devoted member. His funeral took place Saturday, May 11th, at St. Dunstan's Cathedral, where high mass was celebrated by Rev. Father McQuaid. His pall bearers were Angus McEachern, Willie King, Edmund Handrahan, Leo Currie, Frank Hogan and Luctus Hughes. To his sorrowing uncle and aunt, father and mother, sister and brother, is extended heartfelt sympathy. May his soul rest in peace.

HEAVY ELECTRIC STORM—One of the most severe electrical storms for some years passed over Georgetown and immediate vicinity Saturday. Several people in Georgetown received shocks but fortunately none were severely injured and we are pleased to know they are now little the worse for their dangerous experiences.—G.

A NARROW ESCAPE—A farmer by the name of Mr. McDonald of Bell's River met with a very narrow escape from sudden death last Saturday morning. He was engaged in his field working a farm machine to which three horses were attached when the thunder storm struck that vicinity. Two of the three horses were killed by lightning. Mr. McDonald was rendered unconscious and his little girl, who was following him was stunned. Mr. and Mrs. McDonald's loss is a serious one but he is very thankful his own life and his daughter's was saved.

PASSPORT REGULATIONS—Quite a number of enquiries are being made of U. S. Consul Pierce as to passports to the United States. Consul Pierce states that there are no new passport regulations yet in the United States restricting persons entering the country. Such a law is in project, having passed in the House of Congress. The requirements are the same as for years: Complete identification by letter or otherwise; good health and a reasonable amount of funds. If more stringent regulations are passed due notice will appear in this paper.

BAY FORTUNE NOTES—Much credit is due the teacher of Edlington school, Miss Annie Campbell, and her pupils for the neat and attractive appearance of the school and for the thorough cleaning of the interior of the schoolroom, which they with the aid of two of the young ladies of the district cleaned and polished. Last evening Miss Annie Campbell with three of her pupils and Miss Irene Dingwell, met at Miss Emily Underhays, another of the pupils, and made chocolate candy and forwarded it to four of the brave heroes overseas, namely, Ptes. Howard Wood, Charles Campbell, Leigh McKenzie, and Peter Campbell. As soon as school re-opens after vacation they intend to meet again at some home in the district and make boxes of candy to forward to the remainder of the boys from Fortune and Rollo Bay, who are so manly defending our country.

THE WINGS OF THE AEROPLANE—War conditions have afforded an excellent opportunity for farmers in certain sections of Canada to engage extensively in the production of fibre flax. They will thereby not only add to their sources of income but will also be of direct and vital aid in the war efforts of the Allies. The mastery of the air is proving a great, perhaps the determining factor, in the struggle now going on. Aero planes are being built in vast numbers as rapidly as possible. As covering for the wings of these, linen is the only material found satisfactory. Large quantities are also needed for machine gun webbing, ambulance and truck covers, thread for sewing and form, and a number of other uses. Were the supply of fibre flax for these purposes to fall short, as is threatened, it would directly and profoundly affect the success of the Allied forces. Before the war, flax was imported into the United Kingdom mainly from Belgium, France, Germany, the Netherlands and Russia. The German supply is, of course, now cut off, while in 1916 France produced no flax for export, Belgium a mere fraction of its former quantity. Owing to conditions in Russia no exports of fibre flax can be depended on this year; Ireland, the great flax producing country in the United Kingdom, itself, cannot with the best of seasons and with the largest possible rearing under flax, commence to meet the demand for fibre. The foregoing information is contained in a circular on flax growing issued by the Federal Department of Agriculture and that can be had free by addressing the Publications Branch of that Department, Ottawa.

SCHOOL WORK—The following is the standing of the pupils of Edlington School for the month of April: Grade VII—Emily Underhays, Grade V—1, Gussie McDonald; 2, Blanche Stead; 3, Jessie Burke; Grade IV—1, Edwin Wood; Grade III—(S)—1, Jennie Burke; 2, Orrin Dingwell; 3, Myrtle Dingwell; Grade II—(C)—1, John J. McDonald; 2, Floyd McKenzie; 3, Fulton Underhays; Grade II—1, Roy Wood; 2, Mildred McKenzie; 3, Wesley Dingwell; Grade I—1, Ellen Stead; 2, Harry McKenzie; 3, Ed in Dingwell; Grade I—(J)—1, Florence Coffin; 2, George Dingwell.

A GOOD SHOWING—The Murray Harbor South District representative, Rev. E. S. Weeks, reports good response to the appeal for the Red Triangle Fund (Y. M. C. A.) Murray Harbor school district raised \$184.00. Guernsey Cove District \$36.10; White Sands, \$35.00; Cape Bear, \$33.95—A total \$289.05 with Abney to report yet. The canvassers were the respective teachers—Roy Brahat (Prin.) and Miss Ethel M. Johnson (Asst.) for the Harbor; Miss Minchin for Guernsey Cove; Miss Peters for White Sands and Miss Mary McDonald for Cape Bear.

The following letter has just been received by Mrs. Hector Campbell, regarding the death of her son, Bert, who was killed in action on Nov. 28th:

France 7418.
Dear Mrs. Campbell:—I thought I had written to the relatives of all the boys who were killed in my company but possibly at some time before I got definite information about the death of your son I may have missed you. I am very sorry I did, Mrs. Campbell, because I know you all like to get whatever details are available. Your boy was wounded with the same shell as killed Pte. Burke and another. The three were in the trench together just about fifteen yards from me, and a heavy shell landed right into the trench killing the other two instantly and wounding your son very severely about his legs and stomach and partly burying him. We dug him out right away and did what we could for him but we couldn't get him out until dusk as we were in full view of the enemy. As soon as it got dark enough I detailed a party to carry him out on a stretcher. It was very rough going and it took ten men fully six hours to carry him back to the Dressing Station. I didn't expect he would live but the party told me he was still alive and conscious when they handed him over to the medical officer.

You have every reason to be proud of your boy, Mrs. Campbell for he was marvellously brave and set us all a wonderful example of enduring what must have been very severe pain. I helped to dig him out and although we must have caused him a good deal of pain about all he said was, "Do you think I'll live, Captain?" I told him I thought he would and that we were going to get him out as soon as it got dark. His personal belongings you should have had by this time if they were available. They were all left on him when handed over to the M. O. at the Dressing Station. I will make inquiries regarding them, but I feel sure that our paymaster would have forwarded anything he received.

Yours faithfully,
G. W. ANDERSON, (Capt.)

"VALLEY FARM"—The play "Valley Farm," which was put on in Montage Hall, on Thursday evening, May 24th, was a decided success. Those who took part surely are entitled to great credit for the way they carried it to such a successful close. There were greeted by a crowded house, which of course assured the financial part. The proceeds are for Red Cross purposes. The company re-reheated the play in Sturgeon on May 14th, for the same worthy cause.—T.

MIMINGASH—A pleasant evening was spent at Mrs. James Gallant's, when the people gathered to attend a banquet given by Miss Maggie Gallant. Miss Vera Costain has returned home from Charlottetown, where she has been attending P. W. College. Miss Regina Gallant was a recent visitor to Mr. R. Jones', the guest of their daughter, Stella. Miss Myers has returned home after spending the winter in Boston. Mr. and Mrs. Alex. Crossman have moved to Mimingash, where they will remain for the summer. Miss Cecelia Jones spent the week at Mrs. Leo Peters'. Business is rushing here and reports say good catches of lobsters are being made.

MONTAGUE W. M. S.—The Women's Auxiliary of the Methodist church, Montague, has just closed its most successful year on record, both financially and in the number of new members enrolled. Over \$36.00 more was raised this year than any previous year. The Band in connection with the Auxiliary had a good year in every way. Seven new members were gained. Mite Boxes contained \$9.00 and were opened, the proceeds on Tuesday evening. The prize given by Mrs. (Rev.) Donville to the member whose box contained the most money was won by Miss Phoebe McDonald. As President of the W. M. S. and Leader of the Band, Mrs. Donville is to be congratulated for the splendid work done during the year.

INTERESTING SERVICE—On Sunday, May 12th at 10 o'clock a. m. the new rooms for Sunday School work in the Montague Christian Church were opened for the first time. These rooms are of the most modern design and workmanship and are well equipped for training the various grades of this large school. The aim for the summer is "one hundred and fifty in the regular sessions of the school" and this will surely be reached, when without any effort at all, on opening day, there were ninety-nine present. Sunday, May 12th, the Church also celebrated "Mother's Day," by a special service at 11 a. m. and a very special "Mother's Day" program at 7 p. m. Two of the mothers present in the morning received bouquets of carnations and maiden hair fern, and two in the evening were crowned "Queens of Home."—T.

PRISONERS OF WAR—A card bearing "Hearty Christmas Greetings" was sent to each of the adopted prisoners last Christmas, and the senders got so many expressions of appreciation from the men, that the branch here of the Canadian Red Cross Society are sending the accompanying card for Dominion Day. The card reads as follows: Dominion Day, 1918. The People of Prince Edward Island send greetings to you and all Canadian Prisoners of War, on this the Natal Day of our Dominion. I thank you for the part you have taken in their defense, and pray that He who "maketh wars to cease" and heareth "the sorrowful sighing of the prisoners" will grant a speedy peace and joyful restoration to your homes. (Canon) JAMES SIMPSON, Treasurer. (Miss) FLORENCE D. NORTON, Secy. The personal touch of sympathy conveyed by such a card helps the receiver to feel that the home people are not unmindful of the sacrifices they have made on our behalf, and is well worth the additional labor and expense it involves. As the Society cannot take the money paid for the adoption of prisoners, for this purpose, they will be glad to receive special donations however small, to help defray the cost. They have now two hundred and eighty-four prisoners adopted in this Province, which is about one tenth of the whole number, and are anxious to complete the three hundred before July 1st. Contributions may be sent to the Treasurer, Canon Simpson, Charlottetown, who will also be glad to furnish any information on the subject of adoptions.

OUERATION ON EYE—Rev. Mr. D. J. Gillis, Indian River, who has been in a hospital in Montreal had an operation performed on one of his eyes a short time ago, and expects to have the other eye operated on soon. His many friends will be pleased to hear that the first operation is reported successful.

ROTARY CLUB—Rotarian Reuben Macdonald presided at the weekly luncheon of the Rotary Club yesterday, when Rotarian C. S. Chandler delivered a most interesting address on the "Hardware Business." He gave some very interesting reminiscences and a great deal of sound practical information concerning the running of such a business. He mentioned he has been forty years in the business and along with Mr. Pidgeon of Rogers Hardware, was the oldest in the line here. He was the pioneer in early closing, having successfully canvassed the trade in favor of six o'clock closing thirty years ago. Mr. Chandler then referred to the change which had taken place in the supply of hardware goods; formerly it was mostly imported from England; then the United States and Germany took it over. Now a great quantity of the goods was made in Canada. Lined oil and cement were wholly Canadian made and of better quality than the imported articles. Rotarian C. H. B. Longworth reported on the Red Triangle subscriptions, the list of collectors and their returns being given elsewhere. He mentioned that only \$139 had to be collected to reach Charlottetown's proportion of \$5000. The county was doing well over \$7,000 having already been subscribed in Queens County, so that this county alone had contributed so far \$15,000 of the \$20,000 allotted to the whole province. On the motion of Mr. H. M. Vanbuskirk, seconded by Mr. C. H. Black, a special vote of thanks and appreciation was accorded to the guest of the day, Professor Hinton for the invaluable services he had rendered the Club since its inception. The Professor has closely identified himself with the aims and objects of Rotary and he placed his splendid talents ungrudgingly at the disposal of the Club. Now that he is going to Halifax to undertake military service in connection with the V. M. C. A., the Club felt that they could not let him depart without formally tendering to him their thanks and wishing him God speed. They also associated Mrs. Hinton with the vote and special reference was made to her good gifts as an elocutionist as well as a vocalist. Professor Hinton suitably replied, and said that if he could have passed the medical test he would have been in khaki long ago. Mr. Hall, of the Harris Abattoir, Toronto, who was present, also spoke in appreciation of Rotary.

SCHOOLWORK—Following is the report of the Montague High School for the month of April:—Principal's department, Grade 9—1, Mary McIntyre; 2, Millar McLeod; 3, Phoebe McDonald and William McIntyre; Grade 8—1, Harold Mellich; 2, Carl Hildeby; 3, Catherine Gillespie; Miss Gordon's department, Grade 7—1, Agnes Mahar and Harry Johnston; 2, Marion McDermid; 3, Maud Peardon; Grade 6—1, Cecil Johnson; 2, Stephen Mahar and Arthur Younker; 3, Roy Moore; Grade 5—1, Fred Younker; 2, John Campbell; 3, Eileen Poole; Mr. Bear's department, Grade 7—1, Cecil Currie; 2, Leonard Campbell; 3, Fred Hynes.

A SOCIAL EVENING—A very pleasant social evening was spent by the members and whole Sunday School, of the Christians Church, Montague, on Monday evening, May 13th in their beautiful new rooms. The whole place was thrown into one spacious hall, when all mingled together, filling pleasant moments, never to be forgotten by those present. Light refreshments were served about ten o'clock, after which a number of speeches were given by the gentlemen present; among them being Rev. O. B. Emery, Charlottetown and Mr. J. A. Dewar, M.P.P., New Perth. Rev. C. E. Armstrong, pastor of the Church, who planned and carried the whole to such a successful climax, received many compliments and expressions of gratitude from his people during the evening, who have learned to esteem him very highly.—T.

Bob Long
UNION-MADE
Overalls
Shirts & Gloves
Known from Coast to Coast

Bob Long says:
"My overalls and shirts are the best made, because—the cloth I use stands 68 pounds pressure to the square inch. Such pressure would go through the usual cheap overall cloth like a tank through the German lines."

Insist on "Bob Long" brand. Ask your dealer for Big B—the big grey overall—the cloth with the test.

The B-H Color Scheme Advisor

WOULD you like to "see" your house in its new coat of paint, before you paint it? You can. The Bram-Henderson "Color Scheme Advisor" enables you to try out different color combinations before deciding on the color scheme most pleasing to your eye.

This unique device consists of a transparent outline of a house, behind which you place color cards of every known shade—one color for the walls and another color for the roof. With the transparent sheet, there comes a set of 40 cards each of a different color. First you try a white card on the walls, in combination with a green card for the roof. Then you try a brown card behind the wall section of the transparency, along with a red card for the roof. And so on, until you have exhausted the possibilities of every known color combination.

We have one of these "Color Scheme Advisors" and will be pleased to let you experiment with it before you select your

B-H "ENGLISH" 70% Pure White Lead
(Brands Genuine B-H)
100% Pure Zinc
100% Pure Paint

for the Spring painting of your house or any other building. Of course you are going to paint this Spring—and equally of course, you are going to use B-H "English" Paint—the paint with the guarantee behind it.

Our store is the B-H Store—which means that this is paint headquarters. The outstanding reputation of this brand is based on its superior covering capacity and exceptional durability—both of which features we know to be due to the combination of Bram-Henderson's Genuine B.B. white lead and pure zinc, which the makers of B-H "English" Paints maintain in spite of the repeated advances in the cost of these ingredients.

Color Cards from our local agents.
