

GIRLS! HAVE BEAUTIFUL, LUSTROUS, FLUFFY HAIR--25 CENT DANDERINE

No More Dandruff or falling hair--A real surprise awaits you

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25 cent bottle of Knowlton's Danderine now--all drug stores recommend it--apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre and try as you will you cannot find a trace of

dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair--fine and downy at first--yes--but really new hair--sprouting all over your scalp--Danderine is, we believe, the only sure hair grower; destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once. If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair--taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments--a delightful surprise awaits everyone who tries this.

THE BIRTHDAY SOCIAL, held at the home of Mrs. T. G. Ives, Montague, Monday evening, Jan. 25th, under the auspices of the Ladies Aid of the Baptist Church, Montague, was very much enjoyed by everybody and a large number were present in spite of the inclemency of the weather.

L. O. G. T.--A most enjoyable evening was spent by the members of St. George's L. O. G. T., in their hall on Tuesday last, the event being the ninth anniversary of the founding of the Lodge. After some time pleasantly spent in games and music the members repaired to the rooms of the Boys Progressive Society, in the same building, where a sumptuous repast was partaken of. The evening was brought to a close by the singing of the National Anthem. Owing to the mild state of the weather on January 19th the Carnival which was to have been held in Georgetown on that date was postponed for a week. It came off Tuesday evening. The ice was excellent, the evening fine and a fair number attended. The skaters costumes were without exception good, many were for a distance the most beautiful of the occasion with streamers and pennants and the band furnished appropriate music.

PRESBYTERY--The Presbytery of Prince Edward Island met in St. David's Church, Georgetown, Thursday night for the induction of Rev. J. A. Greenlee, Rev. David Wright, moderator, presided. A request for the congregation of Cove Head for the appointment of Rev. F. S. Coffin, M.A., as an ordained missionary for one year was considered. The request was supported by the Interim Moderator of the congregation, Rev. G. E. Taylor and by Mr. Carr of Cove Head. On motion, duly seconded it was agreed to grant the request and the matter of setting the date for its designation services was left to be dealt with by the clerk of Presbytery and the Interim Moderator. It was agreed to lay the call from the congregation of Orwell to Rev. Dr. MacEwen upon the table until the March meeting of the Presbytery. Presbytery then proceeded to chief business of the meeting. Rev. Archibald Sutherland of Murray Harbor North preached the text, "And there shall be no night there." The Moderator narrated the steps leading to the calling and induction of Rev. Mr. Greenlee and putting the questions of its formula which was satisfactorily answered. He invoked the Divine blessing upon the union now to be consummated and in the name of the Presbytery inducted Mr. Greenlee into the charge of St. David's congregation and welcomed him to a seat in the Presbytery. The right hand of fellowship was given to Mr. Greenlee by all the members of Presbytery present. The call of the new pastor was given by Rev. J. M. McLeod of St. Peter's. It is not of course that a congregation has the privilege of having set before them such high ideals of the Christian Ministry as was St. David's Thursday night in the strong and eloquent address given by Mr. McLeod. Taylor, G. Taylor, and dressed the people in a manner calculated to put them from the start in a proper attitude towards their pastor. A conference with the session and managers followed and the benediction was pronounced bringing to a close a singularly simple but very impressive service. Members of the Presbytery and the congregation repaired to the Town Hall where a reception was given in honor of the new pastor and his wife. The reception was largely attended and the evening was pleasantly spent. After a delicious lunch which was served by the ladies of the congregation the meeting closed with the National Anthem.

BLACK FOX SEEN.--Some little excitement was caused by the appearance of beautiful Reynard in Montague, Tuesday of this week, when he was seen on the ice above the bridge, by several citizens. Although chased by dogs, and men, Mr. Reynard evaded capture, preferring the wilds of nature, rather than the wire enclosure. It is understood from whence he came, and hoped that he may stray this way again, when he will be run high of capturing the coveted prize. Let's hope he comes.--B.

FANCY DRESS CARNIVAL AT MONTAGUE.--The fancy dress carnival held at Montague last Wednesday night in the Montague skating rink proved a grand success and was largely attended. The fancy costumes were numerous and varied, ranging from Admiral John Jellicoe, John Bull, etc., to the colored coon; altogether they showed artistic taste and harmony in colors. The ice was good, the lights caused some trouble for a short time, but were soon remedied by a new fuse. There was a large number of spectators who enjoyed the ghosts, clowns, jokers, etc., as well as the beauty of the finer costumes. After some close scrutinizing by the judges, the following were awarded the prizes: Ladies First prize, Miss Mary Bell, Miss Millie Campbell and Ruth Stewart, fairy twins; second prize, Mrs. T. G. Ives, Britannia. Men's first prize, Harry McGregor, Admiral John Jellicoe; second, T. G. Ives, John Bull. Others who received special mention were Miss Lucy McLean, Miss Vandy; Mrs. E. E. Almost Every One Needs A Tonic

Almost everyone--man, woman and child--needs a tonic at sometimes. It is often said that a man is lazy because he takes little or no interest in his work. He needs a tonic. The same is true of women who do not feel fit to be in bed. She is not merely tired, but ill. A dull pain in the head or back, poor appetite, loss of strength with low spirits and loss of interest in life show that you need a tonic to brace up the nerves and give you a new lease of life. The tonic that when the right tonic is taken all the trouble quickly disappears. The one tonic--the only tonic--for weak and ailing men, women and children is Dr. Williams' Pink Pills, which speedily bring back abundant health, strength and energy. They have done this in thousands and thousands of cases as is proved by the following. Mr. Ed. A. Owen, Burdett, Alta., says: "About two years ago my health was in a wretched condition. My whole system seemed to be run down and the doctor seemed puzzled at my condition. I had no appetite, exertion would leave me breathless, and I was troubled much with dizziness. All the medicine I took did me no good and I was steadily growing weaker. My mother urged me to try Dr. Williams' Pink Pills, and before I had taken them very long I began to feel like a new man and continuing their use I was restored to complete health. I now recommend them to all run down in health as they are the best medicine I know of." Sold by all medicine dealers, or by mail at 50 cents a box or ten boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.
