A CORRESPONDENT writing to The Guardian states that the Str. Hillsboro left Charlottetown on Monday the 20th inst., passed up to Orwell and Vernon River Bridge, without calling at Halliday's wharf, or giving the merchants of Eldon any intimation of her coming. He says that Eldon merchants have a quantity of freight lying at Steam Navigation wharf and Railway in the City for some time and also eggs and pork ready for shipment to Charlottetown and desires to know why intimation of the coming of the boat was not made.

NORTH TRYON AND VICINITY.—Our farmers are busily engaged in getting ready, their farming implements, for the spring's work. But if the weather keeps as cold as it has been, during the present month, cropping time will not be as early as expected.—The popular owner and manager of our sash and door factory, Geo. Ives, has secured the contract for building and remodeling the str's of Wright Bros, Victoria. The sub-contract for building has been let, to Creamer & Sons, of this village.—The inspecting and clearing of the boilers and pipes of the Tryon Woolen Mills has been concluded and the factory has commenced operations. This foremost industry of our village has gained such a prominent position in the other provinces that it will take all summer to fill the present order of the company.—The pharmacist in the drug department of one of our leading stores made a grand discovery in medicines the other day, medicines have been prepared, prescriptions have been filled out, but not until lately has washing soda been turned into Ipsos Salts. But such has been the case. And the poor animal to which the former was given has been put out to dry.—L. B. Cru spent Sunday in Tryon visiting friends.

BRIDGETOWN ITEMS.—La grippe is quite prevalent here at present.—Grand River is now free of ice and our merchants are expecting to receive large supplies of spring and summer goods in the course of a few days.—The supply of milk to the Dundas Creamery is now steadily increasing.—Wm McLeod still continues to supply the largest amount of milk.—Miss Laura Miller returned on Saturday from Souris, where she had been selecting millinery goods from Matthew & McLean's store, for their branch store at Bridgetown.—The many friends of Miss Mary Clay, who has been very ill in Montreal or some time, will be pleased to learn that she is much improved in health, and will likely leave for home in a short time.—Miss Margaret Acorn arrived home from Boston last week. Miss Acorn reports the weather very fine when she left there, the grass quite green, and the trees coming out in bloom.—Miss Irene S. Wigginton, last week received from Prof. Robertson, a cheque of \$50, being the 3rd. prize for the McDonald Seed Competition, which has been going on for the last three years.—The children of Bridgetown school, under the management of their teacher Miss Ada G. McDonald, are preparing a grand entertainment, to be given in the Hall on the evening of the 30th.

At a regular meeting of Ever Onward Division, No. 186, S. O. T., on Monday, 20th inst., the following resolution was moved by Bro. Henry B. McLean, seconded by Bro. John R. McGregor, supported by Bro. W. McDonald, W. Boyce and L. Wood, and carried unanimously:
To Mrs. Euphemia Stewart and family:

Whereas—You have been called upon to suffer an irreparable loss, in the death of so kind and loving a husband and so tender and affectionate a father; and whereas, the circumstances connected with his death are particularly sad and much to be deplored; and whereas, you are now called upon to pass through a season of bereavement and of untold sorrow over the loss of one who for years has shared with you the burdens of life and who has imparted to you such tender words of instruction; therefore resolved, that we the members of Ever Onward Division, No. 186, S. O. T., hereby tender you our most profound and sincere sympathy in this, your hour of trial and affliction, and direct you to the words of the Psalmist—"Still trust in God; for Him to praise, a good cause I yet shall have." And we pray that the God of all comfort and of all consolation may comfort and sustain you through life; and at the close of your own lives may the Great Patriarch above conduct you to that Haven of Rest where sorrow and parting are never known and where Love and Harmony reign forever.
