**Bristol and Vicinity**

The death of Mr. James Murphy occurred in Charlottetown last week. He was a resident of this vicinity all his life until a few years ago when ill health forced his retirement from farming and he moved to the city. Bristol has lost one more of its oldest residents as Mr. Murphy was eighty-six. His funeral was held on Monday morning to the Church of the Little Flower, Morel, where Requiem High Mass was sung by the Pastor, Rev. P. McKenna, who also conducted service at the grave. He leaves several sons in scattered places, while one son resides on the old homestead.

Friends of Mrs. Stannis Lapierre who has been in poor health for some time will be pleased to learn she has entered the Charlottetown Hospital for treatment.

Friends of Mr. Russell Kelly will be pleased to hear he has again taken his former position with the firm of Holman's Ltd after two years on sick leave.

Pte. George Laybolt who has been home for some time on leave has returned to his training centre on the mainland.

Friends of Cpl. Russell Hawbold, R.C.A.F., will be interested to know he has been transferred to the airport near the City.

Mr. Anselm Lapierre, who resigned his position as head chef at the Provincial Infirmary, to enter the army, has now taken a position for a few months as head cook at Falconwood Hospital.

Mr. John Keefe arrived home from his short business trip.

Those who listened to Share the Wealth from Toronto on Saturday night will be surprised to hear Pilot Cyril Sinnott, R.C.A.F., of Bristol, speak at the meeting in Toronto. Stranger still is the fact that one of the winners that night was his sister Miss Mary Sinnott, who is teaching at Savage Harbor.

Mrs. William W. MacDonald was a business visitor to the city this week.

Mrs. Alice Cudmore was in the city for a few days last week on business. Mrs. Cudmore has purchased the farm property of Mr. Ted Anderson in the west end of St. Peter's Harbor district, known as the old McEwen farm.

**AUSSIE MOTHERS WON'T GO NATIVE**

CANBERRA, Feb.—(CP)—Two Australian mothers, the aboriginal and the koola, carry their babies on their backs.  
Perhaps this idea was in the mind of the Department of War Organization when, faced with a shortage of basic materials for prams, well evolved plans for a carrier for white mothers like a soldier's pack in which the child could lie down or sit up.  
But the mothers turned it down cold so the department succeeded in developing substitute materials for prams and in simplifying and standardizing types.
