BLACK HAWK VETERAN GIVEN RELEASE

Taffy Abel Fails To Report At Hawk Training Camp.

(A. P. By Guardian's Special Wire) CHAMPAIGN, Ill., Oct. 22.—Taffy Abel, veteran of eight campaigns in the National Hockey League was given his unconditional release today by Manager Clem Loughlin of Chicago Black Hawks.

Abel, 235-pound defenseman, failed to come to terms with the Hawk management all last season and ignored the invitation to report at the training camp here this year.

Loughlin gave his squad of 22 players its first ice scrimmage this morning. He said that from now until the league season opens the Hawks will have an hour-and-a-half ice workout each day, with softball taking up the afternoons.

Howe Morenz, old speedball of hockey, centred Loughlin's first string forward line with Johnny Gottselig at left wing and Mush March at right. Doc Romnes, Donnie MacFadyen and Paul Thompson made up his second line with Louis Trudell, Tommy Cook and Norm Locking composing the third. Art Coulter and Marty Burke worked on one defense with Art Wiebe and "Mise Boy" Levinsky at the other end of the rink.

Armour And Revolta Shoot Way To Finals

(By Whitney Martin, Associated Press Sports Writer) (A. P. By Guardian's Special Wire) TWIN HILLS GOLF COURSE, Oklahoma City, Okla., Oct. 22.—Tommy Armour of Medinah, Ill., grazed campaigner who has won virtually every major golf tournament there is to win and Johnny Revolta, 24-year-old marksman from Milwaukee, Wis., shot their way through mist and chilling winds today to the finals of the United States Professional Golfers Association tournament.

Armour quelled a belated uprising by stocky Al Watrous of Birmingham, Mich., to win on the 35th green two and one, as Revolta turned back the challenge of serious Al Zimmerman, Portland, Ore., four and three.

The gaunt, silver-haired Armour, who, beset by woods, traps and gulleys at one time in his match, remarked: "I could play better golf than this when I was six years old," nevertheless was the iron-wristed, iron-nerved veteran campaigner when it came to the clutches. It was the stolid Watrous who cracked late in the day when a chance to overtake the Scottish veteran loomed.

Zimmerman, who had played three-under-par golf through 102 holes of match play prior to today, and who yesterday poured pars and birdies at Paul Runyan until the little champion dropped, today found the combination of Revolta's steady play and the variable elements more than he could master.

A heavy, stinging mist, driven by a chill north wind saturated greens and fairways and made the small gallery and the players gungling around the course in bundled discomfort. The mist disappeared toward noon, but the wind increased in velocity.

CUBS WILL BE FINED IS RUMOR

Judge Landis Withholds Chicago Players' Shares of World Series Money.

(A. P. By Guardian's Special Wire) CHICAGO, Oct. 22.—Baseball Commissioner Kenesaw Landis today sliced up the biggest World Series player melon in the history of baseball, giving each of the world's championship Detroit Tigers a cut worth \$5,544.76, but he withheld the losers' shares belonging to Chicago Cubs.

Although many observers suspected the Cub cut, worth \$4,198.52 to each player, was held back for time levying purposes because of their arguments and battles with American League umpire George Moriarty, the Commissioner explained the delay by saying "we haven't had time yet to mail their cheques out."

"Do you plan to fine any of the Cubs for their battles with Moriarty?" he was asked.

"Anything is to be announced along that line, you'll hear about it in plenty of time," he parried.

Meanwhile, rumors were current that Manager Charlie Grimm, Captain Ewood English and shortstop Bill Jurgens of the Cubs would be fined \$500 each for their outbursts against Moriarty during the series.

Italians ran their tanks into towns and villages in Ogaden Province, killing the inhabitants by machine guns or crushing them under the tanks. He said he has heard this had been alleged abroad.

"Let us try if we may," he said, "to mitigate the inherent horrors of war by being frank and honest and giving our enemies credit where it is due."

"Is not war terrible enough without investing it with such horrors?" He would not permit his own troops to use gas or dum-dum bullets, he said.

Admitting Italian planes have bombed many frontier towns, he said this had little effect on his troops, who carefully hid themselves in the ground.

"But," he declared, "what grieves me is that a considerable number of defenceless women and children have been killed by the bombs."

Halle Selassie said he was firm in his position to reject one-sided peace terms because, he asserted, the Italian armies have scarcely denied Ethiopia's national defenses and have not yet tested the mettle of Ethiopia's troops. Their morale,

(Associated Press Sports Writer) NEW YORK, Oct. 22.—Mik Jacobs, boxing's new Tex Rickard, stepped today into Madison Square Garden, the arena the original Rickard built, with an agreement for the promotion of two matches involving Joe Louis, paying the way at the same time for a heavyweight title match between the negro and Jimmy Braddock some time next summer.

While no mention of a title match was made in the formal announcement that Jacobs and the Garden would jointly promote a charity bout between Louis and Paulino Uzcudun early in December, and a second involving Louis in March, it was taken for granted that peace has been generally declared between New York's two big boxing rivals.

Although the merger is for only two matches, and President John Kilpatrick of the Garden vigorously insisted there had been no change in policy, it was likewise indicated the foothold Jacobs thus gained in the indoor field would lead later to a broader agreement, possibly involving the year round boxing privileges at the Garden.

The Garden will receive 12-12 per cent of the profits for both matches. The match between Louis and Uzcudun, hammered down Spanish veteran, probably will be staged Dec. 6 for the benefit of a Christmas fund. No opponent has been selected for the March engagement.

Uzcudun never has been knocked down in a trial horse career that goes back to Rickard's promotional days. Rickard brought the durable Basque Woodchopper here from Spain in 1926 and launched him in a heavyweight elimination tournament. Since then he has fought almost all the top-notchers, willing, game, and amazingly durable, but many of them liked him.

Abroad he knocked out Phil Scott in six rounds in 1926, and here he flattened old Harry Wills in four rounds in 1927. He won decisions over Ermino Spalla, Knute Hansen, Tom Heeney, Otto Von Porat, Jack Renault, K. O. Christner, Max Baer, Pierre Charles and Don McCormick. He lost decisions to George Cook, Johnny Risko and Primo Carnera twice each, to Max Schmeling, Tuffy Griffith, Tommy Loughran, Primo Carnera, George Godfrey, Mickey Walker, King Levinsky and Ernie Schaff. He weighs about 200 pounds, is 36 years old.

ART SOMERS TO COACH MINTOS

(C. P. By Guardian's Special Wire) WINNIPEG, Oct. 22.—Without worry or a care, Tommy Gorman, leader of the Stanley Cup holders, Montreal Maroons, sallied forth with his players in training here today.

He smiled because he found an overabundance of professional talent in his camp. Cy Wentworth, husky defenseman, reported today with 21 players on the list, Gorman intimated he would only carry 15 men in the National Hockey League this season. He is receiving a flock of requests for players from other N.H.L. clubs. As to "holdouts" Gorman firmly believes the hockey market is flooded with talent and "holdouts" won't be popular.

Patrick of New York Rangers would like to get two forwards and Windsor Bulldogs, in the International circuit are hoping to have Sammy McManus and defenceman Bill Mackenzie this year," Gorman said. Gorman declined to name the forwards Patrick wanted or any other player wanted to bolster other N.H.L. teams. Besides, he said, Maroons would remain intact until the end of their training season.

Of the four amateurs trying for exhibition with Maroons, two have made an impression with Gorman. Eddie Wares, sturdy player from the Alberta foothills and Kenneth Grivel, Toronto, are likely prospects.

Bill Beveridge, replacing Alex Connell in goal, is going good and continually turned aside a barrage of rubber from Maroons forwards today. Bill Miller entering his second term with Maroons, was in the thick of play, exhibiting tricks, speed and stamina that promise him another bright year.

Seibert a Holdout

Winnipeg, Oct. 22.—Lester Patrick, New York Rangers mentor, declined to deny or confirm reports he was negotiating with Tommy Gorman of Montreal Maroons for two forwards to bolster his team, which is holding its pre-season workouts here.

Rangers and their farm team, Philadelphia Ramblers of the Canadian circuit, had separate workouts today. Lynn Patrick, Ranger centre-forward, suffered a cut be-

ART SOMERS TO COACH MINTOS

(C. P. By Guardian's Special Wire) PRINCE ALBERT, Sask., Oct. 22.—Art Somers of Winnipeg, formerly a forward with New York Rangers of the National Hockey League, has been appointed coach of Prince Albert Mintos of the Saskatchewan Senior Hockey League during the 1935-36 season. Somers' acceptance was received by telegraph today.

Five Turn Pro

KITCHENER, Ont., Oct. 22.—Five youths who starred in amateur hockey circles in Toronto and Hamilton last year have turned professional, Coach Dick Irvin of Toronto Maple Leafs, in training here, announced today.

This announcement was coupled with one that the "Blues" and "Whites" as the squads clashing in a series of exhibition games within the next two weeks will be known, will play for the "Ace" Bailey Trophy. Only the games to be played in Hamilton, Midland, Kitchener and Toronto will count, those in London, Buffalo and Syracuse bringing Leafs into contention with the International League teams of those cities.

Jack Howard, Hamilton Tiger dance star, and Norval Fitzgerald, his forward teammate, have signed professional contracts in addition to three Toronto boys, George Parsons, Normie Mann and Jimmy Fowler. Signing of the quintet reduces the number of "simon pures" in the Leaf camp to three—"Chuck" Shannon, Ed Downey and Jack Church.

If today's two hour ice workout can be taken as a criterion, there promise to be plenty of contention between Dick Irvin's "Whites" and Eddie Powers "Blues" in the four game series for the "Ace" Bailey Trophy.

SAINT JOHN, N. B., Oct. 22.—

brother of the famous Lionel, Montreal Maroons, and "Chuck," Toronto Maple Leafs. "He's the dead spot of his brothers," commented Ross, expressing an opinion the husky youngster is slated for big time hockey.

Arrival of Walter Murray from Niagara Falls boosted the number of amateurs at the camp today to 15. Bruins and Cubs regulars here total 26 and defenceman Eddie Shore, now expected to reach Saint John Friday, will complete the complement.

The players had peppery skating and puck-carrying workouts this morning and afternoon. Ross, from a seat in the stands where he watched every move, said he was impressed with the fine physical condition of both professional and amateurs. They worked forward lines with Tiny Thompson in his usual place at goal while the Bruins practised.

Coach Frank Patrick put the National League players through their paces while Lionel Hitchman, Cubs coach, was on the ice with the Cubs and amateurs.

NIAGARA FALLS, Ont., Oct. 22.—Pittsburgh Shamrocks of the International Hockey League moved into the city today and will spend the next three weeks here preparing for the league battles and playing three exhibition games. President B. L. Babcock and business manager Larry Welch are in charge of the party, while Coach Sprague Cleghorn will look after the training duties.

The squad exceeds the 30 mark with 10 amateurs from the Maritimes and Quebec trying for regular berths. They are Philippe Riche, right wing, and Henri Gaudet, centre, Three Rivers, Que.; Gus Langlais, left wing, Riviere Du Loup, Que.; Len LeBlanc, left wing, Moncton; Gerry Phillipin, defenceman, Valleyfield, Que.; Gene Ranger, defenceman, Longueuil, Que.; Ocell Lamertus, centre, and Jack O'Connell, left wing, of Montreal; Leo Hamel, right wing, Quebec City, and Phil Whalen, defenceman, Memramcook, N. Jacobs And Garden to Jointly Promote Indoor Boxing Shows.

Island Senior Football League Opens Tomorrow

Saints and Nomads clash in their first league game tomorrow afternoon at the Abegweit Grounds at 3:30 sharp. There is considerable doubt among the followers of the game as to which team they should give the victory. It will be remembered that in the exhibition game on Saturday last the Saints were forced to the limit in order to squeeze out a 3-0 verdict. This exhibition fixture afforded both coaches an opportunity to pick the weak spots in their squads and to adjust the defects accordingly. The opinion gleaned from last Saturday's fixture is that both teams are formidable squads and apart from this presupposition of a victory for either team would be an incredible prediction. A collection will be taken up at this time.

Probable lineups for tomorrow's game follow:

Nomads — Fullback, Hunter; Halves, Larter, Peters, Leightner; Laphorne, McDougall, Arsenault; Quarters, Coyle, Mann, Jay; Forwards, Hennessey, Matheson, Toombs, Hillier, McKenzie, Smith, Chandler, Jordan.

S. D. U. — Fullback, Pineau; Halves, Dunn, S. Trainor, Arsenault, Walsh, R. MacKinnon; Quarters, Butler, McDonald, C. Trainor, Forwards, Hennessey, Robin, Connolly, Kelly, Landrigan, Simpson, Callaghan, Mullins.

Nomad players are asked to be on hand by 3:00 o'clock.

DESILETS IS BEST CANUCK PROSPECT

Manager Mantha Says Former Charlotte-Town Player Will Probably Be Signed Up For The Season.

QUEBEC, Oct. 22.—Negotiations are under way for the purchase of right winger Harold Tabor. It was announced today by Manager Sylvio Mantha of Montreal Canadiens as he put his troop through practice sessions at the arena here. The 16-year-old Tabor is in the Pacific Coast league last season.

"I like Tabor's style and the boy likes our club," said Mantha. "If we can strike a reasonable arrangement with Seattle Harold will be ready to sign a Canadian contract."

A two-hour drill brought out mid-season form in a few of Mantha's charges, particularly Johnny Gagnon, dark-haired winger who was travelling a fast clip and, according to Mantha, looked better today than he did at the close of last season.

Brightest prospect of the amateur players trying out is young Jeff Deslets, speedy right winger who came up from Charlottetown for a tryout. He was with the powerful Stratford junior team before travelling to the Maritimes.

Mantha said Deslets looked capable now of entering major league hockey and would probably be signed up for this season. Other amateurs showing possibilities are Jean Paul Bourcier of Verdun, Wilbur Hillier of Sudbury and the 190-pound Leonard Godin from Kirklin Lake, a defenceman prospect of whom much is expected.

Mantha has divided his forwards in four lines in a color scheme—cream, red, green and blue. Paul Faynes was right at home with the green line in today's practice flanked by Gagnon and Jack McGill and it was this line that caused Sylvio to rub his hands in satisfaction for they turned it on in outstanding style.

Pete Lepine, Wildor L'rochelle and Paul Ruge made up the fast-moving red forward line today. Leroy Goldworthy, Armand Mondou and George Mantha slightly sissy in cream but in looks only and the blue line was formed of Marcel Raymond, Tommy Filmore and Maxie Bennett.

SAINT JOHN, N. B., Oct. 22.—Chief Justice J. B. M. Baxter was a patient in the Saint John General Hospital last night, having torn a ligament of his left knee when he tripped in the cellar of his home at West Saint John yesterday. He will remain in hospital for a week or more.
