

This Doctor Prescribes It

A well-known physician whose name we can give, says: "I have prescribed Abbey's Salt for others and used it in my own case, and find it a palatable laxative. It is particularly suited for cases of Sour Stomach and Habitual Constipation, and it may be used continually as an agreeable morning draught". The advice of an experienced practitioner is worth following.

All who want to have a real good laugh tonight should call into the People's Theatre and see "The Courting of the Merry Widow," one of the funniest films ever projected on canvas. There's a good Indian picture as well and the illustrated songs by Charlottetown's favorite—Mrs. Tufts.

The funeral of the late Dr. C. O. McArthur, of North Wiltshire, took place yesterday afternoon. A large number of people followed the remains to their last resting place. The officiating clergymen were Rev. T. P. Fullerton, City, and Rev. W. I. Green, Brookfield. The pall-bearers were: D. J. McLean, Shelton Welsh, Malcolm Matthews, George Deacon, Daniel McDonald and Edison Easter.

Styles of Pownal, gave a telling and instructive address upon some of his Missionary experiences in the West Indies. All present highly appreciated it. On Friday evening, May 20th, the memorial service to His late Majesty King Edward VII was held. Appropriate hymns were rendered ably by the choir. The singing was hearty especially the National Anthem at the close. The opening service was conducted by the Pastor Rev. George Orman. The Rev. D. B. McLeod with earnestness and feeling delivered a most able and inspiring address which lingered long in the memory of all who were privileged to hear him.

Sir:

If the "nappy-go-lucky-slap-it-on-a press-and-let'er-go" kind of advertising you are using is doing you some good doesn't it seem reasonable to suppose that "something different"—bright, convincing, thought-out and mailed regularly "direct" to your list will prove of much greater values (This is intended only for the man who feels the bullet strike him).

I study Printing! I make a feature of preparing printing that is profitable. That is, I make it profitable to my patrons. I study types and effects to insure attractive arrangement, and I believe you'll appreciate how I handle your work. From a card to a catalogue I want to figure on your work.
