

BACKACHE NOT A DISEASE

But a Symptom, a Danger Signal Which Every Woman Should Heed.

Backache is a symptom of organic weakness or derangement. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Read about Mrs. Woodall's experience.

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and an enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my own work, washing and everything, and never have backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLLIE WOODALL, Morton's Gap, Kentucky.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Seal of Approval.

Zutoo has made good. Zutoo has made itself indispensable to thousands who never before used a headache remedy. By sheer force of its merit, it has overcome the prejudice which these persons had against it because they thought all headache cures were alike. They now know that Zutoo is different.

A very pleasing event took place at the home of Herbert and Mrs. Bell, 117 Eglon, on Wednesday morning at a very early hour when their eldest daughter Ethel Violet was united in the bonds of matrimony with Jesse Matthews, son of Henry J. and Mrs. Matthews, also of Alberton. The ceremony was performed by the Rev. H. S. Strothard assisted by the organ. The presents were numerous and very pretty consisting of silverware, table linens, cutglass, etc. Immediately after the wedding breakfast the happy couple left by the early train on a trip to important points in Nova Scotia. They will return in about three weeks and will reside in a pretty new house which is about completed. The happy pair have the wish of their many friends for a happy wedded life. A.

MONTREAL, Nov. 27.—Montreal as another mysterious case. Joseph Lalonde, 52, a sewing machine agent, died at his home as the result of a vicious assault by four assailants whom he met in a saloon.

Lalonde told his mother he had been lured into a barn by the men and there beaten and robbed. When he regained consciousness he found himself lying on the road near the Mountain. He managed to stagger home but grew gradually weaker and died early in the evening. He could give no description of his assailants.

NEW YORK, Nov. 27.—Gambling houses are closing for lack of patronage because the persons patronizing them are being watched by the police and John Doe was subpoenaed as a court case.

Commissioner Waldo has started a new crusade against gambling. Patrons are being followed home from gambling houses and subpoenaed, then let off by the police on promise never to return to the resort again.

Men already subpoenaed not only keep their promise but spread the news of their narrow escape among other patrons.

As a result some widely known gambling houses against which the police have been unable to get direct evidence have closed doors.

EASY AND SURE WAY TO CURE COLDS

Don't Neglect a Cold, Ely's Cream Balm Will Stop it in the Sneezing Stage.

A cold generally attacks the weakest part, affecting the eyes and ears in some and producing nasal catarrh and throat troubles in others. A cold is due to an inflammation of the membrane lining the air passages, and may be promptly cured with a little Ely's Cream Balm, which immediately relieves the inflammation and all the distressing symptoms, such as sneezing, coughing, running at the nose and eyes, hoarseness, sore throat, fever and headache. One reason why this pure, antiseptic Balm acts so quickly is because it is applied directly to the tender, sore surfaces.

Even in severe, chronic cases of catarrh, Ely's Cream Balm never fails to quickly and effectually check the poisonous discharge which clogs the head and throat, causing the disgusting hawking, spitting and blowing of the nose. This remedy not only drives out the disease, but heals and strengthens the weakened membranes, thus ending catarrh.

Catarrh is a filthy, disgusting disease. Don't put up with it another day. Get a 50 cent bottle of Ely's Cream Balm from your druggist, and see how quickly you will be relieved. It is perfectly harmless. E. A. Foster, Agent.
