Trinity United Church The annual congregational meeting which was postponed from Thursday on account of the weather, will be held on Wednesday evening next after which a service will be given for the work of the year. It will be more than a mere annual report of the previous year for one item of the program calls for retrospection. The service will be held at 7.30 p.m. in the church. The theme will be "Love Feast." Steady progress has been made in the past year and the best evidence of this is that our finances have not only been maintained but have increased. The increased giving started with the beginning of the year and has continued to the end of the year. The situation is accounted for by the fact that we have not only been able to create a large surplus in our accounts, we enter upon 1943 with a surplus of \$1,000.00.

Discuss Hospital For Eastern King's County

At a meeting of the Eastern King's Board of Trade held at the Hotel Victoria, January 20th, plans were discussed for the establishment and maintenance of a hospital to serve the medical needs of the people of the county. The President of the Board, Melvin J. McQuaid, presided and in his report on the subject of the hospital which had developed here where only two doctors were expected to serve the medical needs of some four or five thousand people and were asked to do this without the aid of either a hospital or hospital equipment, this was most unfair. Mr. McQuaid continued, and he hoped that it plans to promote a hospital, he would be supported by the people. Dr. A. A. MacDonald addressed the meeting and said he would welcome the establishment of a small hospital. Dr. MacDonald pointed out that hospitalization is the trend now and in support of this cited several instances in Western Canada where there are communities no larger than our own supporting hospitals for the hospital where men surgically inclined could do their work would be the best for the community. Dr. MacDonald continued and he hoped that the movement would be supported by the people. Others speaking in support of the plan included Dr. A. H. Smallwood, Dr. C. McLean, P. E. Holland, J. F. Ryan and Dr. MacDonald.
