You are sick and not aware of it, just able to drag yourself around, but totally incapable of exertion or hard work. Your stomach is crying out for assistance. Hadn't you better give it some Ferrozone?

Your nerves require a good bracing tonic, and the best thing for them is Ferrozone. Why don't you use this sovereign remedy? It is intended for cases just like yours. Ferrozone is superior for the blood and nerves to any curative agent the world has ever known. Its recuperative powers are beyond description as a trial will demonstrate.
