It is with deep regret we record the death of Mr. Joseph Smith, which took place at his home at Lake Verde on Saturday, February 26th, after a two weeks illness of pneumonia. The deceased who was 69 years of age, was a man of many fine qualities, an honest, upright, and trustworthy, neighbor always ready and willing to lend a helping hand in time of need, his genial disposition and jovial conversation made him a welcome visitor by young and old to all homes. His death will leave a vacancy in the community, which will be hard to fill. During his illness he was frequently visited by his pastor, who administered to him the last rites of the Catholic Church. He leaves to mourn, besides a wide circle of friends, one daughter, Mrs. Frederick Duffy, Lake Verde. His wife having predeceased him six years ago. News of the death of Mrs. Wm. H. Kendall of Rochester, N. H., only daughter of Mr. and Mrs. Artemas Ferguson, Mt. Herbert, P. E. I. came as a great shock to her many friends. Less than a year ago she was married at the Pownall Parsonage and left her girlhood home with a bright future before her. Her happy married life was, however, suddenly cut short, when recently she was stricken with pneumonia. Complications followed, and in spite of all that loving hands and medical skill could do, she fell peacefully asleep on March 10th, leaving a heart-broken husband and an infant son.

Pearl, as she was familiarly known, was a young lady of keen mind and winning personality, who by her loving disposition endeared herself to all who made her acquaintance. She was never happier than when helping others. Unselfish, noble-hearted, generous to a fault, honest and upright of character, she was greatly beloved.

Pearl will be missed, but her memory will live on, and will continue to cheer and inspire those whose privilege it was to know her

The funeral service and interment took place at Rochester, N. H.

To her husband, father, mother and brother, the deepest sympathy is offered.

The sympathy of unnumbered friends go out to the family of the late Mrs. Patrick Trainor, who died at her residence 24 Harrison St. St. John N. B. on March 21st in the 79 year of her age. The deceased lady whose maiden name was Miss Rose Creighan was born in Kinkora, P. E. I., and in January 1875 was married to Mr. Patrick Trainor of that place, by the Rev. Patrick Doyle, and where ten children were born to them. Twenty nine years ago their family of four sons and six daughters came to St. John N. B. and entered business and settled here in 1905. Mr. and Mrs Trainor and since then lived there, and prospered A few years ago the first break was their eldest daughter, Mrs. Elizabeth Crosby and later Mrs. Emma Butler, was called away. These were the only deaths in the family. To speak of Mrs. Trainor in the short paragraph of a newspaper, would not do the subject full justice. She was a woman of superior intelligence and to know her was to admire her, and love her. To her husband and children she was queen of the realm, called Home, and she reigned there in all wisdom and prudence in all gentleness and patience over those whom God had entrusted to her charge, and the devotion and love that her family lavished upon her, their idolized Mother was her earthly reward. Her sons entered business and were succesful, her daughters married all in St. John. But no day passed that they did not call and greet Mother and ask her wise counsel in any perplexities. A very appy event occurred in July 1925 when Mr. and Mrs. Trainor celebrated their golden wedding, and over one hundred friends offered their felicitations. Two of Mr. and Mrs. Trainor's grandsons are priests, Rev. J. Butler of Buctouche and Rev. Albert Butler of Halifax, one grand daughter Miss Agnes Butler is a novice in St. Vincents Convent St. John. For the last few years she was a great sufferer from neuritis and since July 1926 was confined to her bed, and when the family and friends realized that the beloved wife and mother was about to leave them their sorrow was extreme. But the Heavenly Father whom she loved and served, and whose every inspiration during her long life was directed to Him for the Grace of a happy death she passed peacefully away surrounded by all her family and fortified by the sacrements of the Holy Catholic Church administered by the Rev. George Coffin C. S. R., who was at her bedside when dying. She has left to her family and friends a precious legacy in her example and devotion to her holy religion and its practises.

Her funeral took place from St. Peters Church on the 24 March, where a solemn requium Mass was celebrated by her grandson Rev. Joseph Butler, Rev. J. Coloran C. S. S. R. as deacon and Rev. G. Coffin as subdeacon. She was laid to rest in the New Catholic Cemetery, Rev. Fr. Carr, Rev. J. Butler and Rev. Fr. Coffin officiated at the grave. Her pall bearers were her four sons and two sons-in-law. She leaves to mourn four sons, John J. T., Albert, Edmund and J. Ambrose, four daughters, Mrs. J. Butler, Mrs. J. Kindred, Mrs. I. Buckley and Miss Lavinia at home, who, with her aged husband and many friends now sorrowfully mourn one whom they loved in life. R. I. P.

He was pinned in and helpless as the stack hurtled down, first striking the one storey wooden roof of the greenhouse and then crashing right across the cab in which he was confined. To avoid imitations, always look for the signature of Chas. H. Fletcher. Absolutely Harmless—No Opiates. Physicians everywhere recommend it.

Anaemic—Nervous

THE anaemic child is in no condition to stand the mental and nervous strain of school work and examinations, along with the enormous burden which physiological changes put upon the system at this time of life.

The importance of good, robust health during this critical period cannot be sufficiently emphasized. It may mean the difference between invalidism and health throughout a lifetime.

Fortunately this condition responds promptly to restorative treatment and the results obtained by the use of Dr. Chase's Nerve Food have proven beyond doubt its suitability in such cases.

Mrs. Archie Martelle,

Cornwall, Ont., writes:—

"My daughter, while attending school, was sick for two years, and had to be kept home. She had nervous trouble, and was under the doctor's care, but he did not seem to do her much good. She was very thin, restless, and hardly ate anything. Her complexion became sallow. I began giving her Dr. Chase's Nerve Food, and it did her the world of good. Her improvement was gradual, but it was not very long before she was quite herself again. I cannot recommend this treatment too highly."
