CHARLOTTETOWN AND QUEEN'S COUNTY

It pays to buy in this Province.

Prof. Theodore Ross, City, has returned from Truro.

The Plant Line Calendar for 1912 just received has, as a frontispiece, a fine picture of their new twin-screw 18 knot steamer Evangeline.

Rev. Jas. McDougall will preach on Sabbath the 14th, at Canoe Cove at 10.30, DeSable at 3 and Hampton at 7, and Coleman on Wednesday and Thursday the 17th and 18th at 6.30 p. m.

Rev. R. H. Stavert, of Harcourt, was pleasantly surprised on Friday evening last, when he was invited to meet a large gathering at the home of Mr. and Mrs. S. M. Dunn and was there presented with a well filled purse, accompanied by an appreciative address. The address was read by Mrs. Dunn in the absence of Rev. E. H. Creed and Mrs. Leonard Barrett made the presentation. Rev. Mr. Stavert replied feelingly and a very pleasant evening was spent.—St. John Exc.—(Rev. Mr. Stavert belongs to Wilmot, P. E. I.)

The general conference of the Methodist Church, according to an Ottawa despatch, will apply for legislation at the present session of Parliament, authorizing any congregation of the church to receive, hold and administer real or personal property given for endowment of special purposes, authorizing any conference to establish a city mission or church property. Power will also be sought to authorize the sale or transfer of property held by trustee boards and the application of such funds to church purposes. "Co-operation with other churches has done away with the necessity of maintaining a considerable amount of church property which is desired to dispose of."

Ralph March, an ex-president of the Hampton Curling Club of St. John (N. B.,), was a guest of the Montreal club last night. When the evening's play was concluded Mr. March provided one of the most interesting personal entertainments that has been seen in Montreal for many a long year. His versatility was unbounded, for not only could he play the piano and sing either to his own accompaniment or in conjunction with somebody else, but he also proved himself to be a reciter of no little merit. Mr. March will be the guest of the club at luncheon today and if he can be induced to provide the members with a similar entertainment to that which he gave them last night, it is certain that there will be an augmented attendance.—Montreal Gazette. (Mr. March has many friends here.).

A concert and Xmas tree was held in Point Prim school house on Monday evening, Dec 25th. The room was crowded to the doors and both young and old assembled to listen to the splendid program which was rendered by the young people of the said district consisting of choruses, solos, dialogues, recitations and music from violin, organ and gramaphone. A large Christmas tree was provided for the occasion which was gorgeously decorated and loaded with presents. After the program was given Santa Clause appeared and distributed these. He also gave some very interesting sketches of his journey from Greenland. The meeting was brought to a close early after which all started for their respective homes, much pleased with their evenings entertainment.

The following letter, signed "Islander," to the Editor of the Halifax Herald appears in a recent issue of that paper:—Sir— Speaking of the recent election in Prince Edward Island, the editor of the Canadian Courier says:—"Might I respectfully suggest to Premier Mathieson that there are two things requiring the attention of a courageous public man in this province. In the first place the legislative council should be abolished so as to reduce the size of the Prince Edward Island legislature. The legislative council as they have it in the maritime provinces is a relic of medievalism. If Ontario, Manitoba, Saskatchewan and Alberta, with their larger populations, their tremendous territory and their magnificent problems, can get along with a one-chambered legislature the little province of Prince Edward Island should be able to struggle along with the same equipment." Isn't this really too much, seeing that it comes from Canada's only "national magazine." The islanders abolished their legislative council many moons before the Courier came into existence. Prince Edward Island has only one chamber. Don't you think it is about time we stopped poking fun at the English editors for their ignorance of Canadian affairs?

::Our Guaiacol Emulsion is a fine old standard remedy—a great flesh producer—prescribed for either children or adults who lack flesh or strength. For long standing coughs, or wasting diseases it gives the very best results. Our customers tell us it is better than any emulsion they have ever used. 40c. bottle. E. A. Foster, Central Drugstore.

J. A. Clark of the Experimental Farm, City, has returned from Truro.

The news in yesterday's issue concerning Sir Charles Tupper's condition was a Canadian Press despatch.

Miss Elizabeth Pratt has returned to her home in Pownal after spending a week visiting her friend Miss Marie McNeill, Southport.

When the Anglo-Rustico school closed for the Xmas holidays, the pupils showed their appreciation by presenting their teacher, Miss Winnifred MacLeod, New Glasgow, with a beautiful travelling suitcase.

The sidewalks and footways are in a very rough and dangerous condition in front of the Bishop's palace and from the west end of the Legislative building towards Crabbe's Corner. There are other places about town almost equally bad. In the extreme cold of the past few days foot passengers have had need to move quickly, which increases their danger, especially at night. Councillors seeking re-election would do well to have the walks put in safe and passable condition, which they certainly are not at present.

The concert recently given by the Mission Band of Pleasant Valley was a great success. The church was crowded by an appreciative audience Rev. J. B. Gough, presided. All were glad to have present a beloved former pastor Rev. Geo. Sellar. The program, which consisted of choruses, solos, trios, exercises, drills, recitations and dialogues, was well carried out by the members of the Band. A beautiful Christmas tree was in evidence and at the close of the exercises candy and nuts were distributed to each member of the Sabbath School. Rev. and Mrs. Gough were kindly remembered as also the Superintendent Thos. Bertram and the teachers of the Sabbath School. The sum of $14.25 was realized.

Dr. R. H. Burrell, who has been practising in Amherst for the past two years, has accepted the position of General Manager of the Confederation Life Insurance Company for Eastern Nova Scotia and will leave for Halifax today to take over the management from A. E. Lawson, the former manager, who has been transferred to western Canada. D. Burrell will, however, continue to reside in Amherst for some time at least. The many friends of the genial doctor will wish him every success in his new field of labor. He will spend the present week in Halifax with Mr. Lawson, but expects to return to Amherst on Saturday of this week.—Halifax Exc. (Dr. Burrell is well known here.).

To the Electors of Charlottetown

Ladies and Gentlemen :---I beg to inform you that I have at the solicitation of a number of influential citizens, consented to nominate for the office of Mayor of Charlottetown.

I have always been in favor of the progress and prosperity of our City and all such progressive measures the citizens desire and are deemed consistent with a reasonable expenditure of public money shall have my hearty support. If elected I shall do my utmost to administrate this honorable trust to the advancement of the citizens. As the time is short, and especially as civic voting is now conducted by ballot, I shall not be able, nor do I deem it necessary to prosecute a personal canvas.

I therefore avail myself of this opportunity to earnestly solicit your votes and influence in the approaching Mayoralty contest.

Thanking you for past favors and confidently anticipating your hearty support.

I remain, ladies and gentlemen,

Yours faithfully,

CHAS. LYONS.
