

JUDGE OF NATAL SUPREME COURT

Mr. Justice Finnemore Tells of Remarkable Cure of Distressing Eczema by Cuticura—Grew Worse Under Professional Treatment.

OTHER SUFFERERS CURED BY CUTICURA

"I suffered a severe attack of eczema on the scalp, face, ears, and neck, and was for several months under professional treatment, but became worse. My face was dreadfully disfigured, and I lost nearly all my hair. My wife prevailed upon me to try the Cuticura Remedies, which I did with most satisfactory results, the disease disappearing and my hair growing thicker and glossier than before my illness. My wife has purchased Cuticura for other sufferers with good results in each case.—Robert Isaac Finnemore (Judge of the Natal Supreme Court), Pietermaritzburg, Natal."

AGONIZING ECZEMA And Itching, Burning Eruptions, with Loss of Hair, Cured by Cuticura.

The Cuticura Treatment is at once agreeable, speedy, economical, and comprehensive. Bathe the affected parts freely with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment to allay itching, irritation, and inflammation, and soothe and heal, and, lastly, take Cuticura Resolvent, or Pills, to cool and cleanse the blood. This treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humours, and points to a speedy, permanent, and economical cure of torturing, disfiguring humours, from infancy to age, when all other remedies fail.

A Warning to Mothers. Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitutes, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.
