

DON'T SNIFFLE ALL WINTER

Chances of "colds" are increased by common constipation. It may lower resistance to infection.

Kellogg's ALL-BRAN absorbs water and softens like a sponge — forms a soft mass — aids elimination.

Just eat two tablespoonfuls daily. As a cereal with milk or cream, or in recipes. Sold by all grocers.

WHEN NEWS IS NEWS—Esteemed correspondents are reminded that a daily newspaper is not a book of history, and are requested to send in news for publication within at least a week of their happening. The Guardian has unfortunately had to turn down recently several reports especially obituary notices, which have reached us long after the event occurred. "News while it is news" is the slogan.—t.
