

WANTED INVENTIONS

An interesting and encouraging thing about these fortune producing inventions is that most of them are of ordinary or minor value in themselves. If you have a notion that you may invent a big thing to make money, get rid of it at once. Many of the Patents that have made their inventors millionaires are those which contained very few entirely new ideas. The simplest ideas have earned fortunes for their patentees. The demountable tire rim—any of these could have been invented by a man of average ability. In your every day life, at home, at your office, in your shop you handle any number of articles that are subject to improvement. If you can think of a way of improving some article or process already in use, or if you can invent a new useful device or process or article of manufacture, you are on the road to fortune. Dennison made a fortune from a single shipping-tag. Prepare now to meet the demands of Industry in All Fields for New Ideas and New Inventions. Before sending your invention to any attorney or manufacturer or disclosing your invention, write for our free blank form PROOF OF CONCEPTION in order to protect your invention and secure your rights.

DIME SOCIAL—On the evening of Thursday December 11th, one of the series of dime socials being held by the Presbyterian Church at Hunt River was held at the home of Mr. and Mrs. William Silliphant. Mr. and Mrs. Silliphant's home is large and commodious and they very kindly offered the use of it to the young people on the above date. Although the evening was very cold and windy quite a number of the young people assembled and spent a very pleasant evening in games and music. Quite a snug sum was realized.

GIFT FOR PINE HILL—Pine Hill College has received a very large gift of \$3000 from Mr. G. R. Crowe, of Winnipeg, who has always been an interested friend of the institution. It is to be divided into two bursaries or scholarships, as the College may decide. The donor, as the College may decide, may name the bursaries, or may request that the other will bear his own name. As the interest will not be available this year, Mr. Crowe is sending a cheque to cover the amount, so that the students may receive the immediate advantage.

On the eve of Miss Katie Stanley's resignation as organist and choir conductor in the Methodist Church, the choir last Sunday morning, presented her with an address and appreciation of her services. Miss Stanley had been organist and choir leader of Grace Methodist choir for a period of five years, prior to the Union, and since that time, has most capably performed the arduous duties of the same position in the united churches. The address, from the choir, was presented with sincere regret felt by all at the severance of the pleasant and harmonious relations which have always existed between choir and organist, and appreciation of her splendid ability as a musician, concluded by extending best wishes for continued success in the years to come.

Miss Stanley replied, thanking the choir for their kindness and expressing her regret at severing her pleasant relations with them.

The Federal Driving Club held their first race meet on Pinette ice January 1st 1920.

Though the weather was not all that could be desired the races started at two o'clock p.m. About five hundred people enjoyed the sport enough to pass a snow storm and especially the ladies who waited to see the last heat.

The Federal Driving Club is as yet in its infancy and therefore had no time to advertise the races, on this account the Newtown and Iona friends did not arrive in time to start their horses.

The club intends to make a series of races this winter and invites all Belfast horsemen to come and make a good winter's sport.

The track patrol was in charge of Lieut. M. E. MacDonald with Percy McLean, J. R. McWilliams and A. W. Grandma Never Let Her Hair Get Gray
SHE KEPT HER LOCKS DARK AND LUSKY, WITH SAGE TEA AND SULPHUR

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally so evenly. Preparing this mixture, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Weyth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw it through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Weyth's Sage and Sulphur Compound and look years younger.

In St. Paul's Church last evening the pulpit of that church was occupied for the first time in its history by a non-Anglican minister, Rev. Dr. Fullerton, who delivered an able sermon on the Forward Foreign Mission. A special service was drawn up for the occasion, consisting of hymns, psalms and scripture readings in which Revs. Taylor, Glendinning and Freeman assisted. Mr. Charles Earle sang a solo in his usual able manner. A collection was taken up during the service amounting to \$37 towards the P. E. Island Hospital.

The deceased leaves to mourn besides his father and mother Mr. and Mrs. Geo. MacDonald, four brothers, Leo, teacher in Queen Square School Charlottetown, Leonard, George and Louis at home.

On Monday, December 22nd Mrs. Donald McLeod a highly esteemed lady of Spring passed peacefully away at the ripe old age of 91 years. This deceased has been in failing health for some years and the coming of the end was not altogether unexpected. Besides a sorrowing husband who is now nearing the end of life's journey Mrs. McLeod leaves to mourn the loss of a kind and loving mother seven sons and one daughter. The daughter is Mrs. William McLean of Braddane and the sons are Daniel, John, Donald, James, John Alexander and Theophilus all of Bangor, Maine, and Kenneth of Springfield. The funeral was held on Tuesday, December 23rd and the services were conducted by Rev. R. H. Stavert, assisted by F. Yates of Pine Hill College. The pall bearers were William McLean, Daniel Nicholson, Duncan McLennan, Harold McQueen, Daniel McDonald and Alex. McDonald. Interment was in the Hartsville cemetery.

On Friday, Dec. 12, Mr. Murdoch B. McLennan, a very highly esteemed citizen of Hartsville, passed away at the ripe old age of 96 years. The deceased had been confined to his bed because of rheumatism for some seven years, but otherwise was quite hale and hearty. During the past six months he has taken a number of bad turns, and a few weeks before his death he began to fail quite rapidly until the above mentioned date his spirit left his body. He was a man of sterling integrity and true worth, ever ready to help on every good cause. He was of late years at times a great sufferer but his suffering was borne with Christian fortitude. His daughter-in-law, Mrs. John McLennan, who cared for him, gave him the best possible attention. To the old gentleman she was in very truth an angel of mercy and because of her faithfulness she will fit the last no doubt be greeted by the Master saying: "Well done, good and faithful servant, even as you have done it unto one of my suffering ones you have done it with me. Enter thou into the joy of thy lord." The funeral was held on Tuesday, Dec. 16, and the services were conducted by Rev. R. H. Stavert. The pall bearers were Donald McLennan, Malcolm McLennan, John McLennan, Duncan McLennan and John D. Nicholson. Interment was in the Hartsville cemetery.

LAID TO REST.—The remains of Mrs. John Bevan whose death occurred so suddenly on Friday evening last were laid to rest yesterday afternoon in the Peoples Cemetery. The funeral was largely attended. The pall bearers were Messrs. E. H. Haney, E. T. Higgs, W. W. Stanley, Spurgeon Bertram, Irving McKenzie and G. H. Holbrook. Rev. Mr. Glendinning officiated at the services at the home and at the grave. The death of Mrs. Bevan came as a severe shock to the members of her family, who only five months previously had been bereft of their father. Her husband had been in poor health right up to the moment of her death when she was suddenly stricken with apoplexy. She complained of a pain or smothering in her throat and collapsed almost immediately. The deceased was a woman held in high esteem by all who had the pleasure of her acquaintance and her loss in the family is one that seems hard to bear as she was ever solicitous as to their welfare.

PLEASING EVENT.—To see the old year out and the coming of the New Year was the pleasure of those who gathered at the Gerard Hotel, Borden on New Years Eve. The occasion was a dance given by the proprietress Mrs. E. E. Crosby. Invitations were scattered broadcast and when the victrola struck up "Lord MacDonald's Reel" the Customs, the Car Ferry, the Transfer and the surrounding districts were fully represented. Usually on these occasions the young are the ones that take the most enjoyment of them, not so at this event, for Doc Oster's theory that "all men over a certain age should be 'chlorformed' received a sudden jolt, when the genial M. D., and the smiling countenance of Billie Scott and the graceful figure of Gordon Dawson appeared on the scene. Round after round of applause greeted these old timers to the dance hall who by their easy and graceful movement captivated the arm of many a young dancer.
