—CARD PARTY—On Friday evening, February 8th, a well attended card party took place in Albany at the home of Mr. and Mrs. J. B. Noonan. There were eleven tables engaged in an enjoyable game of Auction Forty-fives. Keen competition was pleasantly and enjoyably maintained for the respective prizes, which were won as follows: Ladies' first, merited by Mrs. Baal Sherry; Gent's first, merited by Mr. Emmett Hagen. After this, all were served with a dainty lunch by the ladies. Then the final freeze-out took place, which was closely contested and won by Miss Margaret Noonan. The rest of the night was whittled away by music, dancing and singing. The music was furnished by Mr. Cyrus Perry and a favorite song by Mr. Roland Philpott, of Albany. The visitors then returned home well satisfied with an evening well enjoyed.

—CARD PARTY—Despite the unfavorable weather and roads on Monday night Feb 23, a large number of sporty folk gathered at the home of Mr. and Mrs. Daniel Murphy, Norboro for their weekly card party. Keen interest was taken in the games, by each player putting forth every effort to capture the prize. Finally the game ended, scores summed up and it was discovered that the lucky winner of

the ladies prize was Miss Martina White of South Free-town. While Mr. Emery Mulligan of South Free-town carried off the gent's A dainty lunch was then served by the ladies after which the remainder of the evening was pleasantly spent in music and dancing. A special feature of the night's entertainment was a step dance by Messrs. Dan, Peter and John L. Murphy. —CATHOLIC WOMEN'S LEAGUE—The regular monthly meeting of the Catholic Women's League was held in the K. of C. Home on Wednesday evening. The president, Mrs. Joseph Callaghan occupied the chair. There was a very good attendance. The chaplain, Rev. G. J. MacLellan, D. D., V. G., was present and addressed the members and spoke of the good work that the Catholic Women's League was doing in providing hot cocoa to the undernourished children at the Convent School. He said that there was a marked improvement in their appearance and in their work. The Social Service Committee's report was read, which showed that there had been heavy demands for clothing during the past month. Many children had been provided with clothing of all kinds. In order to raise funds to carry on this good work it was decided to hold a pantry sale on Saturday, March 16 at Holman's. A nomination committee was appointed to arrange for the election of officers which will take place at the April meeting. The study club will resume its regular meetings on Thursday and all members were urged to attend. Meeting adjourned.
