Aching Back Gets Relief Quick! One Rub With "Nerviline" Cures

Every Bit of Stiffness and Soreness Goes When "Nerviline" is Used

Pain in back or side is awful hard to reach. Deep in the tissue is a congested or strained muscle. It is a long way for a liniment to go. Liniments you have used have not reached it, and the pain bothers you, whether moving or lying down. What a pity you haven't tried Nerviline! Penetrating, you ask? Yes, and powerful, too. Nerviline strikes in far deeper than any application you have ever used. You might pay

a dollar, ten dollars, a hundred, for that matter, but you could not equal Nerviline, either in strength, quickness of action, or permanency of relief.

If you think this too much to say for Nerviline, try it, and be convinced.

If you receive from Nerviline even a little less relief from pain than this advertisement induces you to expect, you can get your money back.

The only pain remedy in the world sold under a guarantee is Nerviline—surely it is safe to try it.

Nerviline is sold by druggists everywhere, 25 cents or 50 cents a bottle, or direct from The Catarthozone Co., Kingston, Canada.

PREMIER WHITNEY AT HIS OFFICE

TORONTO, May 7.—For the first time since his illness Sir James Whitney was back at his office yesterday and presided over the Cabinet.

ADVENTURES OF KATHLYN

(Continued from page one)

"That her majesty had chosen Durga Ram to be her consort and to him now forthwith she will be wed the salaamed."
So the mask was off! "Marry you? O, no! Mate with you, a black?" "Black?" he cried, as if a whirlwind had struck him across the face.
"Yes, black of skin and black of heart. I have submitted to the face of this Durbar, but that is as far as my patience will go. God will guard me."
"God?" mockingly.
"Yes, my God and God of my fathers!"
To the muttable faces below she looked the queen at that instant. They saw the attitude, but could not interpret it.
"So be it. There are other things besides marriage."
"Yes," she replied proudly; "there is death."

Assured Protection Assured Protection

The greatest industry known in Canada. The Mason Pure-bred Silver Black Fox Co., Ltd., without doubt is one of the best protected companies to-day on P. E. Island. Why? Because our black beauties go into a ranch costing about \$4,000.00. Secondly, because the man that has full oversight of our stock is an experienced ranchman; also a man that enjoys the full confidence of the public. Thirdly, because the promoters and directors are men of the highest standard along all business lines. Fourthly, because our company will have only from five to ten pairs, just the size that pays the largest dividends. Now take the summary of the above company. Not one dime you invest goes towards paying for an expensive ranch. Not one dime you invest goes towards paying for running expenses of ranch. Not one dime goes towards paying officials' salaries. Every dime you invest goes directly to pay for the foxes at the lowest capitalization offered on the market, quality being considered. Now for the benefit of those who wish to get in on the ground floor as termed by some, we beg to advise you that we have made provisions for a limited number to do so, providing opportunity is taken advantage of without much delay. Now what do the shareholders stand to share in? We are going to make this so clear that the ten-year-old school boy can figure out his rightful dividend. Say the first year we only have ten pups in our ranch, that would give shareholders ninety per cent. of the ten pups; or still plainer the shareholders own nine of the pups while the tenth one is owned by the ranchers for all running expenses. Can one conceive of a more generous or better protected proposition submitted? Impossible! Now for the benefit of the interested one: Just drop the undersigned a line to the effect that you would be pleased to have further insight into our company, which, without doubt, is the best of all 1914 fox propositions. On doing so a prospectus will be furnished you. The undersigned can be seen in Grand, May 6th, and in Bedouque, May the 8th. Further station of call made later.

Yours respectfully,
W. S. NEWTON,
Charlottetown, P. E. I.

Capital \$30,000 Shares \$50.00 each

This company offers to the public the best investment on the market at the present time having purchased through the Farm Stock and Fox Exchange from Mr. John D. Haslam three pairs of beautiful Silver black fox pups now in his ranch near Alberton, P. E. I., and capitalized at \$10,000 dollars per pair they will be reached by Mr. William McGovern at Mermaid, Lot 48, who has had exceptional success breeding Island raising foxes having seven litters of pups from eight pairs ranches by him this year. \$15,000 dollars worth of Stock has already been subscribed and the balance is now offered to the public. Anyone wishing to get in on a ground floor proposition had better make application at once as the stock is selling very rapidly and will not be long on the market. The Company is small; this ad. is small but that does not say that the Profits will be small as some of the smallest Companies of 1913 were the largest dividend payers. Write for prospectus and application blank to any of the following directors: John A. McDonald, Johnsons River, Pres; William L. McEachern, Mermaid, Vice Pres; Malcolm McDonald, Johnsons River, Director; William Duffy, Bumbury, Director; Fraser T. Morrow, Mermaid, Director; John J.
