MORE SOLDIERS COMING.—The Adriatic which sailed from England on March 1st had a total of 1,611 all ranks on board, including 18 officers and 506 other ranks for Halifax, 61 other ranks for Charlottetown, two officers and twenty other ranks for St. John, one officer and sixteen other ranks for Moncton, two officers and two other ranks for Quebec, and 26 officers and 391 other ranks for Montreal.

DIED IN ENGLAND.—Mr. and Mrs. Roland Day, York, have received the sad news of the death in England of their son Roland, who left Charlottetown in 1915, having enlisted for active service with the 55th Battalion. He went from here to Sussex, thence to Valenciennes and after completing his training there proceeded to England arriving there the second week in November. He crossed to France on June 4th having transferred from the 55th Battalion to the 5th Canadian Mounted Rifles. For eighteen months he was engaged as a stretcher bearer and was promoted Sergeant. After the armistice was signed he got two weeks leave of absence in England and was about to rejoin his Battalion when he took ill with influenza. After two months in the hospital he went to York to rejoin his comrades and sad to say, took a relapse and passed away. There are left to mourn besides his parents two brothers, Cecil, linotype operator on the News, New Glasgow, N. S., and Harry and two sisters, Miss Elsie, employed in Stewart's bakery, Charlottetown, and Miss Nellie, at home, to all of whom deep sympathy goes out in their sad loss.
