Dealings Light On Montreal Market
 MONTREAL, Feb. 14 — (CP)—Security prices were generally easier on a narrow list in continued light dealings today on the stock exchange and curb market.
 In papers, St. Lawrence Corporation issues came in for some play in late trading with the common 1-1 and the Preferred 1-2. Abitibi Common and International retrieved early slips and Donnacora lost a rise. Consolidated converted a slight loss into a modest gain and Abitibi Preferred was down 1-8. St. Lawrence Paper Preferred and Brown were written and B. C. Forest, M. and O. Bathurst and Powell River weaker.
 Massey stocks were among the more active industrials with the Common up 1-4 at the close after temporarily being shaded and the Preferred 3-4 higher. Tar and Cement were firmer and National Steel Car, Montreal Locomotive, Cockshutt and Asbestos on the downside. Disco 'B' and Bullmint Products erased early losses. Canadian Breweries upped 1-4 and Seagrams ended 1-8 ahead in beverage while Celanese lost 1-2 in textiles and C. W. Lumber 1-2 in miscellaneous stocks.
 Montreal Power was the leader among utilities and closed unchanged. Gatineau was improved. Shawinigan even and Bazilian off 3-8 in light trade. C.P.R. was steady after an opening slip.
 Imperial advanced 1-2 and Petroleum 1-4 in oils. Metals were only moderately active with aluminum, Nickel, and Smelters in arrears.
 In a mainly dull mines section, Sherbrooke finished up five cents and Quebec Yellowknife two cents while Formage converted a dip into a gain of 1-3-4 cents. Dominion City and Gorme and Lower. Trading box score: Total sales, 184,400 shares; industrials, 43,800; mines, 140,800; stocks higher, 46; lower, unchanged, 85; new highs, 14; new lows, 9.

London Stocks Rally Sharply
 LONDON, Feb. 14—(Reuters)—The stock market rallied sharply today with industrials and oils leading. The market was buoyant with British Government stocks.
 Among industrials, motors and stores led with the able gains of the oil and gas stocks. The market was active with Dutch Shell and B.M. stocks leading the way. A few features developed among foreign issues, including the 5% debentures of the Siamese and German Polish stocks.
 The metal dealings, irregularly developed in the Argentine, but a section but home rails kept steady following maintenance of the price of steel. A dividend for last year at five per cent.

HALF WALES TRADE DUE TO SIX PORTS
 CARDIFF, Wales, Feb. 12 — (CP)—Total traffic handled during 1946 by the six South Wales ports of Cardiff, Swansea, Newport, Barry, Port Talbot and Penarth was only a little more than half the trade in only two main commodities before the war.
 Official returns issued by the operating Great Western Railway Co. listed shipments of coal and timber at 349,000 tons compared with 1935 tonnage of 18,200,618. Total freight handled through the ports last year fell from 12,074,248 tons in 1946 to 11,023,108. The main decrease was due to loss of special war traffic.
 A few regular trades cut off by hostilities have resumed on fairly substantial lines, notably imports of iron ore, iron and steel pitwood.
