

Had Palpitation of The Heart

EVER SINCE SHE WAS NINE YEARS OLD, MILBURN'S HEART AND NERVE PILLS EFFECTED A COMPLETE CURE.

If you find your health failing, your food apparently doing you no good, your heart beating irregularly—now slow, now fast—skipping a beat now and then, palpitations or throbbings on the slightest excitement or exertion, pain in the region of the heart, face pale, dizzy and faint spells, these all point to heart weakness, to nerve derangement, to a state of health consequent upon these, which, if not corrected and cured by Milburn's Heart and Nerve Pills, will surely end in utter prostration and hopeless invalidism.

From the depths many have been raised by this remarkable remedy, as its power is beyond all question most marvellous; but, why wait until you have gone so far? Taking these pills now will turn you from the perilous path of sickness and put you on the highway to health.

Miss Mary Wilson, Toronto, Ont., writes: "It is with the greatest of pleasure that I recommend Milburn's Heart and Nerve Pills. Ever since I was nine years of age I have been afflicted with palpitation of the heart, pain in my side and nervousness. As I grew older it kept increasing. After having tried numerous doctors' medicines, but to no avail, I was induced to try your pills, and after using several boxes I began to improve, so kept on taking them for some time until now I can truthfully say I am in perfect health."

Milburn's Heart and Nerve Pills are 50 cts. per box or three for \$1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.

AN ENGLISH AUTHOR WRITES:

"No shade, no shift, no fruit, no flowers, no leaves,—November! Many Americans would add no freedom from catarrh, which is so aggravated during this month that it becomes constantly troublesome. There is abundant proof that catarrh is a constitutional disease. It is related to scrofula and consumption, being one of the wasting diseases. Hood's Sarsaparilla has shown that what is capable of eradicating scrofula, completely cures catarrh, and taken in time prevents consumption. We cannot see how any sufferer can put off taking this medicine, in view of the widely published record of its radical and permanent cures. It is undoubtedly America's Greatest Medicine for America's Greatest Disease—Catarrh.
