

Sterns' Fashionable Livery

Fashionable Livery means stylish rigs; that they are rubber-tired, drawn by live and well-groomed horses; that we have every style of wagon and carriage that a man of reason could ask for—in fact rigs that compare favorably with those from the finest private stables in town. Our turn-outs haven't got that "livery stable-rig" stamp about them.

This is very reasonable weather for driving—roads are excellent and the air bracing. Use telephone if you like—no. 100.

PHILADELPHIA, Sept. 16.—The Christian Scientists of this city, who were yesterday refused a charter for their church by Judge Asnod, in the Common Pleas court on the ground that the charter was sought for a double purpose—a church and a business—the business being the sale of Mrs. Baker Eddy's book, to-day decided to carry the matter to the Supreme court of the state.

MESSRS. C. C. RICHARDS & Co.

Gentlemen,—In '98 I had my hand and wrist bitten and badly mangled by a vicious horse. I suffered greatly for several days and the tooth outs refused to heal, until your agent gave me a bottle of MINARD'S LINIMENT which I began using, and the effect was magical. In five hours the pain had ceased, and in two weeks the wound had completely healed and my hand and arm were as well as ever.
