Trooper, Squatter and Ungava came into port with coal and supplies. The Acadia, a survey boat, with Captain Frank Ryan in charge, also called in port.

At the present time work is almost over for the season, due to cold weather, the harbour having frozen over previous to the time when the party left for home on October 24.

A carload of prime silver foxes was assembled at Summerside on Sunday night and left this morning to be exhibited at the Royal Winter Fair, in Toronto. Two other occupants of the car, Edgar Milligan of McNeill's, P. E. I., and a brother of the man fatally injured, Herbert Buchanan, of Fredericton, P. E. The victim received a fracture of the skull, had one ear torn completely off and other injuries. The car was demolished. Dr. E. T. Kennedy, of Sussex said tonight no inquest would be held.

Buchanan and Milligan were on a visit to relatives in Quincy and Concord, N. H., when Buchanan received word that his father was ill. I. at Cape Tormentine tomorrow morning.

All went well, according to Herbert Buchanan until they were about two miles west of Anagnone, and were travelling along between 45 and 50 miles an hour when the car got out of control and rolled over at least four times. Her recovery from the operation is considered marvelous by her relatives and friends who wish to thank the Hospital staff and doctors for the care and treatment which she received during her stay in the Hospital. Her daughter, Mrs. McBeth of Alberton waited on her during her illness.

**DEATH CAME WITH GREAT SUDDENNESS**—James Morris of Bedford Station, Mr. Morris with a number of the other residents of this district, had been spending the evening at a neighbor's house, where he was just as jolly and apparently as well as he ever was and ate a hearty supper before leaving. While walking along the road about 1.30 a. m. with his neighbor, Mr. Charles McDonald, he suddenly stopped to get his breath, and remarked that he felt as if he was taking a weak turn, and immediately expired. A car coming up took the party home and medical aid was called, but death had come with awful suddenness, caused by heart failure.

John Adamson minister of the congregation presided. The choir rendered appropriate music and a duet was tenderly sung by Mrs. Russel Webster and Mrs. J. R. Compton. Rev. J. M. McLeod of Charlottetown, a life long friend of the deceased and his co-pastor for many years, gave this address, in which he referred to his early training in a godly home, in the public school, in the Normal school, Dalhousie College, and the Presbyterian College, Montreal. The ministerial life of over forty years, was given to St. Peter's Bay (25 years) and to Belfast (16 years) and four years ago, he retired from the active service of the ministry. Some of his outstanding characteristics were stressed, particularly his faith in God his loyalty to the church, and his deep interest in the welfare of the people. The pulpit was draped, the church was crowded, and the people were sympathetic as the life and work of their former beloved pastor were impressively set before them. Those who sat under his ministry and the younger generation were led to consider seriously the Counsel of Holy Writ, "Remember your leaders, the men who spoke the word of God to you; look back upon the close of their career and copy their faith." (Heb. 13:7 Moffat)

The fire was discovered by "Whacker" McEachern who saw the glow of the fire from where he was working across the street from Mr. McDonald's store. It is interesting to note that His Lordship is under the care of Dr. Ray Brow, formerly of Charlottetown, who came by aeroplane with the serum for Dr. S. R. Jenkins.

**FUNERAL YESTERDAY**—The funeral of the late James K. McGee, which was largely attended, was held yesterday morning from his late residence, 242 Dorchester Street to St. Dunstan's Basilica, where a Requiem High Mass was celebrated by Rev. J. Sullivan. The pall bearers were Messrs. Frank Power, James Power, Reg. Flanigan, J. Vickerson, Alfred Martin and Robert Monteth. Service at the grave was conducted by Rev. P. McMahon, D. D.

**DELIGHTFUL TRIP ABROAD**—Miss Elaine Beales is being welcomed home by her numerous friends in Charlottetown after a delightful trip to Europe, where she visited the British Isles and France. She had as her travelling companions the Misses Ruth and Jean Miller. The party left Charlottetown on August 26th, sailing from Quebec on the 28th on the "Duchess of Bedford." During their trip abroad they met on the streets of Edinburgh Dr. John Howie of Montreal, and his bride, Miss Jean Henderson of Charlottetown, who are on their honeymoon trip. Later on they also had the unexpected pleasure of meeting them in one of the opera houses in Paris. Mrs. Howie was the only Islander they saw during their trip.

**SLIGHT BLAZE**—Last evening shortly after 5 o'clock, a slight blaze was discovered in a box of excelsior on the second floor of P. J. McDonald's store. Mr. McDonald with the help of his clerks, extinguished the blaze and carried the burning box outside before the firemen arrived. The origin of the fire is a mystery as nobody is allowed to smoke cigarettes on that floor, and there is no possibility of a fire from a short circuit in that section of the building. The fire was discovered by "Whacker" McEachern who saw the glow of the fire from where he was working across the street from Mr. McDonald's store. Had the blaze remained undiscovered for five minutes more it is probable that Charlottetown would have had another serious fire.

**MISCELLANEOUS SHOWER**—The home of Mr. John Picketts, of Wilmot, was the scene of an enjoyable affair on Monday evening, when about one hundred and fifty guests of both sexes gathered to extend their best wishes and shower his daughter Miss Myrtle, with beautiful and useful gifts on the eve of her wedding. A daintily trimmed basket was brought in to the reception room and the bride-to-be was escorted by Miss Olive Jardine to the room where every one had assembled. The presents were opened by the Misses Lillian Sobey, Catherine Clark and Lillian Hogg. The verses accompanying the gifts were read by Messrs Austin Jardine and Emerson Huestis and were the cause of a good deal of merriment. The evening was pleasantly spent in music and song. Mrs. Jenkins favoured the party with an exceptionally well rendered solo. Mrs. Waldron Davidson, of Kensington, Mrs. Justine Woodside, of Clinton, and Miss Gladys Picketts, all sisters of the bride-to-be were the hostesses of the evening and served a delicious lunch before departing for their homes. All joined in singing for She's a Jolly Good Fellow.

**RETURN FROM MONTREAL**—Monsignor Maurice McDonald returned last evening from Montreal, where he visited Bishop O'Leary, who is seriously ill in the Royal Victoria Hospital. Monsignor McDonald reports that His Lordship, though he has been very ill, is improving, but will remain in the hospital for considerable time. It is interesting to note that His Lordship is under the care of Dr. Ray Brow, formerly of Charlottetown, who came by aeroplane with the serum for Dr. S. R. Jenkins.

**TAKING UP BUOYS**—During the next three weeks the Marine Department steamers will be busy collecting buoys before navigation closes for the winter. Prevailing windy weather of late has made this work increasingly difficult. At the present time the steamer "Stanley" is in port at Aspy Bay, preparatory to picking up the Magdalen Island buoys. The "Bran" is at Summerside and will proceed to lift the buoys at West Point, Shediac, Summerside and Malagash. N. S. I. is expected that buoys in Charlottetown harbor will be taken in about December 1st.

**TO SHARE BIG ESTATE**—A press despatch from New York states that Mr. Albert W. Gilbert, of Hartford, Conn., and Mr. Edwin R. Gilbert, of Los Angeles, California, are to share equally in the \$76,451 estate of their brother, Charles Allen Gilbert, celebrated magazine artist, who died on April 25th, last. This is revealed by a transfer tax appraisal for the estate just filed at New York. Mrs. Edwin R. Gilbert, of Los Angeles, was formerly Miss Laura Green, a sister of Miss Georgie Green, of Summerside, and Dr. Cecil Green, of Montague.

**FAMILY REUNION**—After a separation of more than 20 years a reunion was held of 6 sisters and 3 brothers at the home of Mrs. Eli McLean, 267 Fitzroy Street. The reunited family consists of Mr. Irving McAusland, Cambridge, Mass., who with Mrs. McAusland has been absent from the Island for 16 years. Mrs. Jennie Ferguson, Mrs. Benjamin Sentner, Loyalist, Mrs. Eli McLean, Mrs. Harry Ferguson, Mrs. Sadie McAusland, Mrs. Edward C. Haywood, and Messrs. Melvin and Daniel McAusland. Mrs. Jennie Ferguson is accompanying her brother back to Cambridge on a visit. Mr. McAusland made the trip to the Island by motor.

**FUNERAL SERVICES**—The funeral of the late Peter Lawless, who died at his home in Norborough on the 17th, November inst., was held on Wednesday morning last to St. James Church, Summerville. A large procession of mourning friends and neighbors followed the remains to the Church where a funeral Mass was celebrated by the pastor Rev. Francis McDonald. The deceased was widely known and highly respected in the community in which he was born and lived during his entire life of seven-y-eight years. Of a kind and sociable disposition, industrious and generous he made friends among all classes. While busily engaged in his own personal pursuits, he could always find time to assist a neighbor or any worthy project in the community. The elderly inhabitants of this fine district are fast passing away, and the late Mr. Lawless like many others will be greatly missed by a host of friends. He leaves a respectable family of three sons and four daughters to mourn the loss of a kind and indulgent parent. His wife predeceased him about thirteen years. The pall-bearers were the following: P. J. Smith, J. W. Stewart, H. W. Hughes, J. A. Hughes, Robert Bowdson and J. R. Sharpe.
