Nearly Insane From Leg Ulcers

She tells of suffering and brief story of her case. Read these two letters from Sarah D. Lawrence of Roebuck, Ontario "I can't sleep at night from leg ulcers. I am in pain most of the time. I have doctored but no use. A lady from Winnipeg says that D. D. D. cured her of a bad case of eczema. That her sores are all healed. Can you help me?"

Now a few words from a later letter. "I have used D. D. D. as directed, and my leg is completely well. Why not be convinced and try this remedy today for any form of skin disease? One application and the itch is gone. Your money back if relief doesn't come from the first bottle. \$1.00 a bottle. Try D. D. D."

Raisin Day

SATURDAY, APRIL 30th, IS RAISIN DAY!

This event will be celebrated in every state in the Union. It will be celebrated in the biggest cities and the smallest of villages.

Every newspaper in the country has co-operated with the raisin growers and packers to make this one of the biggest commercial successes ever attempted.

Profit from this Campaign This campaign—to which you have not contributed one penny—has been spread broadcast all over the country in a determined effort to stimulate lagging business.

It is to your interest that it should be a success. The producer who spend a record appropriation in this era of unsettled business conditions and slow markets for food products deserves that every merchant should take off his coat and get out and hustle to reward the splendid enterprise displayed.

Arrange for Window Displays It isn't enough for a producer to advertise in the local papers. The dealer must support that advertising by his efforts.

Go to this intelligently. Get advertising matter to help make a window display. If you have trouble in getting display matter clip the big ads running in the local newspaper. Paste these ads up in your store, on your doors and windows.

Make big window displays. Raisins offer particularly good opportunities for dressing a window attractively.

Don't let the merchant around the corner go ahead of you, by showing a finer display of raisins in his window. Make yours stand out so people will notice it from across the street to come to your store for raisins.

Spring Medicine

New Needed by Nearly Every One to Purify the Blood and Build Up Strength.

Few come to these trying spring days without weakness, debility, that "tired feeling," caused in large part by impure, de-vitalized blood. Change of season often "takes all the strength out of me," as many people say. The tonic and blood purifier needed is Hood's Sarsaparilla. It quickly dispels that exhausted feeling, enriches the blood and benefits the mental, muscular and nervous systems. In a word, says a druggist, "Hood's Sarsaparilla is our most dependable restorative."

Only the best tonic and purifying ingredients used,—roots, herbs, barks and berries, such as physicians often prescribe. A record of 46 years successful use. It will do you good. Try it this spring. A mild laxative, Hood's Pills.

Hood's Sarsaparilla

IS THE IDEAL SPRING MEDICINE.

It is expected that definite word will be announced at once.

TO HOLD CONFIRMATION.—Definite word has been received that the Archbishop of Nova Scotia, Right Rev. Clair L. Worrell will be in Charlottetown on Sunday, June 19th, on which day he will hold confirmation at St. Paul's Church in the morning and in St. Peter's in the evening. He may also go to Cherry Valley to hold confirmation the same afternoon.

OUR ISLAND SILVER FOX WHEN MADE UP.—The Guardian representative had the pleasure of being shown by Mr. Chester McLure a Silver Fox Neck Scarf made from our Island fur. This is one of the most beautiful of skins, being beautifully colored and a mixture of black and silver, fine and silky. The raw skin itself would easily command a price of five hundred dollars. This set is to be worn by Mrs. W. A. Miller, wife of one of the leading fox growers on Prince Edward Island. Mrs. Miller is to be congratulated on having such an exceptionally fine neck fur. She is doubly proud of it due to the fact that the original animal from which the pelt was procured was raised on the home ranch.

CHARLOTTETOWN PICTOU SERVICE.—Many inquiries have been received as to the date when the proposed steamship service between Charlottetown and Pictou will start. The weather is now ideal making conditions for this service just what they should be.
