TO RELIEVE GEN. WHITE And Drive the Boers Back Out of Natal.

REQUIRES HEAVY FIGHTING.

Troopships Sent to Durban—Pigeon Post Reports—White Has Plenty of Provisions and His Defences Grow Stronger—Buller's Coming Army—Kruger's Nephew Married in Canada.

LONDON, Nov. 10.—(Special)—The troops ships Rosslyn Castle and Moore have reached Cape Town and the former was sent forthwith to Durban.

TO RELIEVE GEN. WHITE.

Daily arrivals of troops at the Cape are now expected and the indications are that first movement will be to relieve Gen. White at Ladysmith and then push the Boers back by a direct attack in front.

This will mean heavy fighting and probably severe losses, as the Boers have strongly fortified the passes.

GEN. WHITE TALKS WELL.

A message from Gen. White says his provisions are plentiful and his entrenchments daily growing stronger.

A DUTCH FABRICATION.

An Amsterdam report says a British regiment was decimated on Friday by the Free Staters; six hundred being killed or wounded, and 300 horses captured.

Nothing is known here of this and the report is not credited.

BULLER'S GROWING ARMY.

General Buller's army will reach 95,000 by Christmas when all his reinforcements arrive.

PIGEON POST REPORTS.

General White's pigeon post messages say the Boers continue artillery firing daily, but do not say what his guns are doing.

This causes fear that his ammunition may be getting scarce.

BOER TREACHERY CONFIRMED.

White's reports further show that the Boers fired on a party returning to camp after receiving refugees sent in under a flag of truce.

MILITARY SPIRIT AT MCGILL.

MONTREAL, Nov. 10.—(Special)—The students in the Faculty of Applied Science at McGill, imbued with the military spirit, are taking steps to form an engineering corps.

ENTHUSIASTIC MEETING

Held in the First Methodist Church Last Night.

Last night's mass meeting in the First Methodist church was enthusiastic, inspiring and deep interest was manifested. On the platform were Dr. Carman, General Superintendent of the Methodist church, Rev. Mr. McConnell, Rev. Mr. Teasdale, Col. Moore, J. D. Seaman, J. T. Mellish, L. L. Beer, Dr. Johnston who acted as chairman. Dr. Brecken could not be present as announced, on account of indisposition. Dr. Johnson in opening the meeting gave a brief and forceful address.

REV. DR. CARMAN.

The first speaker of the evening was Mr. J. D. Seaman. He spoke of the benefits of International work, and the blessing of fellowships.

Mayor Dawson was the next speaker. He referred to the growth of the Methodist church since its organization and the time of John Wesley.

Dr. Carman then addressed the meeting. During his strong and inspiring address the deepest interest was manifested. His subject: "The \$1,000,000 Fund" was handled in a masterly manner. He said that it was thought that the British required more ammunition, but we need the ammunition and the commissary also.

The modes and ways of 1000 years ago were grand, but they do not meet the demands of our time. We must make use of all the facilities that can be obtained. Trade and commerce demand greater facilities than in former times. So also in the Church of God we need a multiplication of instrumentalities. We should hold to the old things that ought to be kept sacred. The same fire, steam, water, as was used in olden times is used still.

The same electricity was used in Seth's time is still in use. Keep to the old sources of power, the fire of the gospel, the water of life. We do not want a trimmed or mutilated gospel. Time brings its changes. A fund is being raised. A fund that the church may be put on a footing equal to the demands of the times. Methodism is dogma alive, christianity in earnest, it is on fire. The Methodists of the Dominion of Canada have undertaken to raise \$1,000,000. Dr. Carman thought it was not beyond the bounds of possibility.

He urged all to put down their names, the names of those in glory as well as those travelling on the earth, and the blessing shall be theirs. After some remarks made by Mr. J. T. Mellish and Rev. J. J. Teasdale, the meeting closed. The subscription for the \$1,000,000 fund will be taken next Sunday. The choir provided splendid music suitable to the occasion.

Dr. Carman, General Superintendent of the Methodist Church of Canada will deliver a lecture in Grace church on Thursday evening of next week. The Doctor is a most eloquent lecturer and the subject he has selected is one on which many Charlottetown people would like to hear him. It will be a pleasure to hear him as he speaks on "Colonial Empire". Dr. Carman will preach tomorrow morning in Grace church in the interest of the 20th Century Thanks giving Fund. It is understood that the pastor of the church has an important statement to make at the morning service.
