### P.W. COLLEGE PROGRESS

Mr. Marani, Archi-  
tect, In Interview  
Dissipates All Ru-  
MORS.

The work of rebuilding and re-  
constructing Prince of Wales Col-  
lege is going on apace notwith-  
standing the fact that practically  
all outside labor or mechanical ap-  
pliances are being utilized. At the  
request of the Government, though  
not specifically mentioned in the  
contract, the Stewart Construction  
Company, Limited are employing local  
labor almost wholly. The lack of  
the use of mechanical appliances  
will delay progress somewhat but  
understanding this the contractors  
are assured that the work will be  
completed within the time speci-  
fied and that Prince of Wales Col-  
lege will be ready for occupation  
after the Christmas vacation. It  
is so then that it will be one of  
the speediest contracts ever carried  
out and it will mean that only eight  
and one half months have elapsed  
since the appointment of the archi-  
tect and the conclusion of the work  
and the occupation of the building.  
It was reported in the Evening  
Liberal organ of Thursday that  
there had been a hold-up on ac-  
count of a delay in receiving steel

GENEVA, Switzerland, July 22.—  
(A.P.)—Germany threatened to  
leave the world disarmament con-  
ference today, lining up with Italy  
in stating the declaration to be  
adopted before adjournment was  
entirely unacceptable. Count Ru-  
dolf Nading, the German spokes-  
man, said that when the confer-  
ence is resumed after the summer  
recess it will be without the col-  
laboration of Germany unless the  
delegates recognize before adjourning  
Germany's right to a position  
of equality among the other na-  
tions of the world.

Meanwhile in the room next to  
that in which the disarmament dele-  
gates were gathered, a session of  
the interparliamentary union broke  
up in a dispute between the French  
and the Italians. It developed that  
the Italian deputy, Costamagna,  
had aroused the resentment of the  
French Socialist deputy, Kanaulad,  
by attempting to instruct the meet-  
ing on parliamentary procedure.

### COSGRAVE SOUNDS NOTE OF WARNING

Predicts Gravest Re-  
sults From Erect-  
ion Of Tariff Bar-  
riers By Free State  
And England.

DUBLIN, July 22.—(Canadian  
Press Cable)—Solemn warning  
against disastrous economic war  
with Great Britain, "into which the  
Irish people are being dragged,"  
was issued tonight by former Presi-  
dent William T. Cosgrave, leader  
of the opposition.

Mr. Cosgrave called on electors  
of the Free State to prevent econ-  
omic war with their best custom-  
er, and urged further direct ne-  
gotiations between the two govern-  
ments, to settle amicably the dis-  
pute arising out of the Irish refusal  
to pay land annuities. He foresaw  
the gravest results from the erect-  
ion of tariff barriers by both coun-  
tries.

### Delegates Will Be Guests Of Bessboroughs

OTTAWA, July 22.—(By The  
Canadian Press)—Much interest is  
being taken in the dinner which  
is being given Saturday evening  
in honor of Imperial Conference  
delegates by Their Excellencies the  
Governor-General and Viscount  
Bessborough. The handsome  
residence of the King's representa-  
tive in the Dominion has never  
looked more attractive than now.  
Their Excellencies will receive their  
guests in one of the many recep-  
tion rooms and in the dining room  
covers will be laid for about 85  
guests. The sheer and filmy even-  
ing costumes of the visiting ladies  
will be shown to the best advantage  
against this effective background  
of stately rooms with their rich  
furnishings.  
Following the dinner at Rideau  
Hall, a number of local golf and  
boating clubs have arranged dances  
for the delegates. The wide ver-  
andahs will be welcome on a warm  
summer evening, and as the clubs  
are all situated on the water or  
overlooking the Ottawa River, the  
evening promises to be most enjoy-  
able.

### Two Members Of Irish Delegation

THE IRISH ARE HERE FOR THE CONFERENCE IN FORCE

As we see them, those who help make up the delegation from the Irish Free State, who have arrived in Ottawa for the Imperial Conference. Their reason for coming, they say, is to discuss economic and trade problems. At left is shown Sean T. O'Kelly, vice-president of the Irish Free State and leader of the Irish delegation. Sean will likely be around where the going is the heaviest and if there are any fireworks he probably will be among those present. At right we see J. F. Meyleck of Dublin, secretary of agriculture.

### Heavy Fighting Is Reported On Brazilian Front

(Associated Press)  
BUENOS AIRES, July 22.—  
Wounded began arriving in Rio De  
Janeiro today from a heavy ar-  
tillery offensive launched by Brazil-  
ian Federal troops against the Sao  
Paulo State rebels at strategic  
points along a 225-mile front near  
the border line between Sao Paulo  
and the State of Minas Geraes.  
The rebels replied spiritedly to  
the gunfire of the loyal forces. The  
Government claimed that Guanapu,  
Ourifono and other centres, seized  
by the revolutionaries at the outset  
of their movement, had been re-  
gained, but the offensive has not  
yet penetrated appreciably into Sao  
Paulo territory.  
The federal forces increased their  
hospital detachments, indicating  
that casualties were heavy.

### GERMAN COURT WILL HEAR APPEAL TO-DAY

Prussia's Arguments  
Against Ousting Of  
Its Cabinet Will Be  
Submitted.  
BERLIN, July 22.—(A.P.)—To-  
morrow the German Supreme  
Court will hear arguments in Prus-  
sia's appeal against the ousting  
of its Cabinet by President Von  
Hindenburg and the Von Papen  
Government. There will be at  
least moral support from Bavaria,  
Baden and Wurttemberg, all of  
which have filed complaints ques-  
tioning the constitutionality of the  
Federal Government's course. Even  
among the Protestants there ap-  
peared to be an agreement that the  
Federal Government was within  
its rights in declaring martial law  
for Berlin and the Province of  
Brandenburg, but they question  
whether the Federal authorities  
can legally interfere in the internal  
government of a state to the ex-

### Movie Star Seeks Divorce

PARIS, July 22.—(A.P.)—Maurice  
Chevalier, the actor, today filed a  
petition for divorce from his wife,  
Yvonne Vallee Chevalier. It was  
said at the Palace of Justice that  
no decision was expected until the  
end of the summer.  
Chevalier charged desertion.  
Friends of his wife said she prob-  
ably would file a counter suit.  
Chevalier was married in 1927 to  
the French actress Yvonne Vallee  
before he began his career in the  
films.

### Mills Resume Operation

FALL RIVER, Mass., July 22.—  
The United Rayon Mills resumed  
operations today after a four week  
period of idleness with a force of  
300 workers, an increase of 100 over  
the number employed when the  
mills were closed.

LIVERPOOL, England, July  
22.—A. M. Smith's China King

pool Cup, one of the fixtures  
of the English turf, but was  
disqualified and Lady Derby's  
Zane Grey, which finished sec-  
ond, declared the winner.

of the tariff to make available in a

Try To Burn  
Glace Bay Hotel  
GLACE BAY, N. S., July 22.—(By  
The Canadian Press)—Incendiaries  
who seem to be determined to burn  
down the Commercial Hotel were  
thwarted again today when Con-  
ductor J. N. McDonald of the  
Sydney and Louisburg Railway  
turned in an alarm which brought  
firemen to the scene in time to  
save the building. Early Saturday  
morning the building was on fire  
in three different places, but little  
damage resulted.
