Makes Stubborn Coughs Vanish in a Hurry

Surprisingly Good Cough Syrup Easily and Cheaply Made at Home

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2½ ounces of Pinex and make it into 16 ounces of cough syrup, and watch that cough vanish.

Pour the 2½ ounces Pinex (50 cents worth) into a 16-ounce bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents, and gives you 16 ounces—a family supply—of a most effective remedy, at a saving of $2. A day's use will usually overcome a severe cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it loosens the dry, hoarse or tight cough and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter coughs, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiacol, which is so healing to the membranes.

●Avoid disappointment by asking your druggist for "2½ ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Toronto, Ont.

—VOLUNTEERS.—A large crowd gathered at the railway station Monday morning to bid farewell to the following young men who have enlisted with the 6th Mounted Rifles and left for Charlottetown by the nine o'clock train:— Capt. T. H. E. Inman, Lot 16; Lieut. A. Squarebriggs, Miscouche; Messrs. Earl Reid, Eddie Gaudet, Gordon Arbing, Leo Gallant, Summerside; E. Birch, Lot 16, and Joseph P. Arsenault, St. Eleanor's.—X.

—POLICE COURT.—Two drunks were arrested in Summerside on Friday night. One of them put up the necessary bail for his appearance at the Police Court on Saturday morning, but he failed to appear and the bail was forfeited. The other appeared for trial Saturday at the Police Court before His Honour Stipendiary Magistrate McQuarrie. He pleaded guilty and was fined $5 and costs or 10 days. He paid the fine, but being unable to give a satisfactory explanation as to where he procured the liquor, he was remanded back to jail until such time as his mental faculties were in a better condition to give the information needed.—H.

—HORSE RACES.—At a meeting of the Summerside Driving Club held on Wednesday evening it was decided to hold ice races on Wednesday afternoon, March 3rd. There will be three classes, namely, a free-for-all, 240 trot and pace and a green race. Races to start at 2 o'clock sharp. Entries will close Wednesday at 11 a. m. with the secretary, R. H. Morrison. As considerable trouble has been experienced, much to the annoyance of those attending the races held in the past, by the owners not having horses ready when races are called, the club has decided not to let any horse start who is not entered and ready to score when the races are called.—X.

—MUD DIGGING.—The ice in Summerside harbour is in good condition considering the mild weather. Mud diggers are rushing the business. They claim that the demand for mud is greater than the output. However, a few weeks of favourable weather will see all the customers supplied. One of the largest dealers here has already loaded and shipped over one hundred car loads of mud, another man single handed has sent out forty loaded cars. The P.E.I. Railway authorities are receiving good praise for the attention given in supplying empty cars.—H.

—COOPERATIVE MEETING.—An enthusiastic meeting of thhe farmers of Mont Carmel was held in Mont Carmel Hall on Monday. The meeting was composed of the members of the three distinct club district of Mont Carmel, Cape Egmont and St. Rephael. The hall was packed to the doors with the interested members of this section all eager to obtain information as to the cooperative methods of the day. Mr. Joseph M. Aneain as chairman opened the meeting at 7 o'clock. In an elaborate speech he congratulated the members on their unanimous efforts which was amply shown by the large attendance and stated that some good must necessarily follow their strenuous endeavors. Mr. Aneain passed a few brief remarks on the previous aid that the club gave yearly toward the seed fair, and stated that the members must continue to act in a similar way. Remarks on the Government grants and local exhibition were also duly made by the chairman. Messrs. J. J. Gallant, Maximin Gallant, Joseph J. Galland and John McLure followed closely the remarks of the chairman. The latter speaker emphasized the benefit derived from exhibition and seed fairs inasmuch as the farmers were put in the way of buying first class seeds and stock. Directors as follows were appointed in regards to the Egmont Bay exhibition for Cape Egmont, Maximin Gallant, Joseph J. Gallant and Ben. F. Gallant. For Mt. Carmel, Amand Gallant, John McLure and Jeremiah Gallant. For St. Raphael: Joseph M. Ameain, Joseph O. Poirier and Joseph R. Poirier. Mr. Joseph M. Aneoin pronounced himself briefly on the methods of cooperation especially in buying seeds and other farm materials. Having made an investigation Mr. Aneoin was prepared to give quotations on prices for cooperative buying which he stated very clearly that the farmers had all to gain by doing so. Mr. Joseph J. Richard who remarked that if seed of a desirable quality could be got from farmers, it would be perhaps more advantageous financially. Mr. J. M. Anaoin spoke himself in favor of beef raising which he thinks is more profitable than pork raising. Three men as follows were appointed to look into the prices of seeds: Jeremiah Gallant, Joseph M. Aneoin and John McLure, after which the meeting adjourned. —R.

WILSON RECEIVES BRITISH AND GERMAN AMBASSADORS TO U. S.

WASHINGTON, Feb. 26.—Encouraging reports from both Ambassadors Page and Gerrad at London and Berlin were received by President Wilson and his cabinet today concerning the attitude of Great Britain and Germany toward the latest American proposals for the safeguarding of neutral commerce from the dangers of submarines and mines, and the unrestricted shipment of foodstuffs to the civilian population of belligerent countries. Complete replies are not expected for several days because the subject is still under consideration by England and her allies.

—A FRIENDLY TIP.—If you have not as yet subscribed for the Daily Guardian you're certainly losing the news of the day. Be a live one and keep posted.—Z.

—NEW ADDITIONS.—Mr Fidele Bernard is the proud father of a bouncing baby boy, while Mr Cletus Gavin, of Sea Cowpond, feels quite elated on the arrival of a beautiful baby girl. Both children, with their mothers, are doing well.—Z.

—FOR MEDICAL TREATMENT.—Mr John Pineau, of Mimminigash, is a guest at the Bernard Hotel, where he is daily treated by his physician, Dr Johnston, for the loss of the fingers of his left hand, as stated in the Guardian the other day.—Z.

—VISITING FRIENDS.—Mr and Mrs John McColgan, together with Mr and Mrs Charles Saunders, are visiting at Mrs John B. Gallant's, of this village. Both of these gentlemen are Americans, and are the husbands of Mr Ireny Perry's daughters of Palmer Road.—Z.

—TRYING TO ORGANISE.—The ladies of this town, together with those of the surrounding country, had a meeting recently to organise the Ladies Auxiliary Society. It was decided that shortly it would be advisable to have Mrs McCallum of Summerside come up and start the branch here.—Z.

—WEEKLY TIT-BITS.—The leading druggist strongly advocates a fire department for this town.——Mr Fred Perry, a young draughtsman, expects to go to Europe after the war, where the construction of buildings will be then on the boom.——Everyone here is looking forward to see the police officer resplendent in his new uniform at Easter.——Dr Johnston still has his eye on a splendid farm adjoining his large estate here.—Z.

—TROTTING HORSE SOLD.—Mr William Agnew, of Charlottetown, was lucky purchaser of the famous trotting horse owned by Mr James Christopher, of this town. That the price paid was a fancy one is evidenced from the fact that this beautiful specimen of horse flesh was one of the finest horses in West Prince. On the race track he was known as John Beggs, and was a descendant of the famous Juno Parkside family.—Z.

—HOTEL ARRIVALS.—For week ending February the 27th were registered at the Bellevue Hotel:—J. B. Gaudet, Miscouche; K. Sharbelle, Portage; Leo H. Laidlaw, Halifax; Wm. Yetman, Toronto; J. T. McDonald, Montreal; George I. Stevens, St John; L. Smith, Montreal; J. A. Mackskill, J. E. Duncan, Halifax. Registered at the Bernard Hotel were the following:—R. Johnston, Long River; W. D. White, F. White, Alberton; J. Costain, Ebbsfleet; Wm. Agnew, Charlottetown; J. J. McNally,, Summerside.—Z.

—CLEANER INJURED.—Sylvrain Gallant, cleaner for the P.E.I. Railway at Tignish, a few weeks ago had the misfortune to fall while at his work and injure the cap of his right knee. Nothing serious resulted until last week, when he became so lame and his limb so swollen that he was removed to the hospital, Charlottetown, the early part of this week and had to undergo surgical treatment, besides having his right leg put into plaster of paris cast. The latest report from his physician shows that he is resting well and his limb is mending slowly.—Z.

—TWO HONOURED MEN ENTERTAINED.—The leading citizens of Tignish met at the Bellevue Hotel the other evening to welcome Hon. Chas. Dalton from his trip in the Western States, and Senator P. C. Murphy on his return from the Senate at Ottawa. All present were glad to see each of these gentlemen looking so well, and the evening was spent in a most pleasing manner, which was enlivened by Hon. Charles Dalton, who in his witty manner told many incidents of his travels throughout the Southern States.—Z.

—YOUNG CHILD LOST.—To be unable to tell his rescuers his name or where he was from was the sad predicament of Maxwell McInnis, a two and a half-year-old child of Joseph McInnis, of Sea Cowpond, found himself in when he became lost in a thickly wooded field the other day. The child left home with his little sled and soon found himself wandering in the woods, lost. Snow was falling and to retrace his steps was an impossibility. After five hours' wandering around he was fortunate in coming across Mr John O'Brien, who was driving through these woods, hauling. But his rescuer, not knowing the child, was unable to take him to his home. To all questions put to the lad he would answer he was going to the woods for his dad. Mr O'Brien took the child home and upon making enquiries soon heard of the search party already out looking for this wee mite of humanity.—Z.

—CIVIC IMPROVEMENT MEETING.—The citizens of Tignish met on Saturday evening for this second annual meeting for the betterment of this town, Monsignor D. M. McDonald presiding, with Mr Wm. A. Gaudet as secretary. The report of the Sidewalk Committee—Mr John A. Hacket, chairman—was read, stating that about 820 square yards of cement sidewalks had been constructed by the Committee during the year (not including fully 200 more square yards constructed by private individuals, besides the approaches to the Roman Catholic Church), that all this had been paid for and there was still a balance of hand. Senator P. C. Murphy in glowing terms complimented the Committe on the splendid manner in which this work had been performed, and also the active part each individual member had taken to see the work carried through successfully. He moved that the report be adopted as read, together with a vote of thanks to the Committee. This motion was seconded by Hon. Charles Dalton. Messrs A. J. McFadyen, Eddie Gallant, T. Bernard and Dr McBride, each in turn supporting the motion, spoke along the same lines as the Senator. Needless to say the motion was carried amidst the applause of all present. The report of the committee on police work was next read, showing that duirng the year gone by all the arrests made, and the fines collected in each case, had materially helped to support this department, and, along with the amounts subscribed voluntarily a year ago for this purpose, had been ample to pay the police officer for the past year's work and still leave a balance in the bank. Mr A. J. McFadyen moved that this report be adopted as read, and upon being seconded by Senator Murphy was carried unanimously. A vote of thanks was then tendered Monsignor McDonald, who, as already stated, was presiding on this occasion, for the assistance he had given the committees. The chairman, in flowing language, responded in a manner which showed that he appreciated this mark of courtesy tendered him. Following in line of business came the new building of sidewalks between the depot and the Bellevue Hotel, and from the Post Office to the depot. The committee was authorised to proceed as it had been doing, and by the voluntary subscriptions which were at once started it is a foregone conclusion that citizens will see these new walks this summer, even if the P.E.I. Railway fails to keep its promise of last year, to construct a part of same. Next followed the taking up of voluntary subscriptions for the maintenance of the police officer for the coming year, and inside of five minutes enough had been subscribed to keep two instead of one, which shows that all those present had voiced the sentiments of the speakers who spoke on the police protection of this town just previous to taking up these subscriptions. Those who spoke in favour of maintaining the police system and also to reappoint Mr John Ahearn as incumbent to the force, were Hon. Chas. Dalton, Senator P. C. Murphy, Messrs John Hacket, W. D. Sumner and others. All told this meeting was harmonious, and everything was carried out like clockwork, which shows that in unity there is strength. "God Save the King" was sung before dismissing the meeting.—Z.

In the "Home Guard"

The householder who through Life Insurance protects his dependents against want is just as truly in the "Home Guard" as the good citizen who carries a rifle.

The Last Line of Defence

for many a man is his insurance policy, and if it be in the CANADA LIFE that defence may be greatly strengthened by applying his dividends to relieve the burden of payments in his later years.

In many cases Canada Life dividends have cancelled the premiums, and turned an expense into a source of revenue.

For Example

Under Canada Life policy No. 13,813 dividends have been applied as a life annuity towards paying the premium of $42. In the past five years the annuity was $44.94, paying the premium and leaving a margin of $2.94. In the next five years all premiums will be paid by profits and there will be a yearly cash return of $18.04 besides. This annuity is guaranteed for life and will be further increased every fifth year.
