NO APPETITE—LITTLE SLEEP

Symptoms of a Run-down Condition, We have a Remedy. We ask every weak, run-down person in Charlottetown and Souris to try our Vinol, with the understanding that their money will be returned if it does not re-establish their health. Letters like the following give us confidence: "I am in the millinery business and on my feet most of the time. I got so weak and run-down that I lost my appetite and was unable to sleep, had a severe chronic cold and lost my color. I learned about Vinol through a friend, and within three weeks after taking it I noticed an improvement, and soon gained in weight, health and strength. I am recommending Vinol to my friends and they also speak highly of it." Catherine Hoar, West, Chester, N. Y.

In hundreds of cases where old-fashioned cod liver oil and emulsions have failed to restore strength and health, Vinol has succeeded, because while it contains all the curatives they do, its good work is not retarded by useless, greasy oil. E. A. Foster, Central Drugstore, Charlottetown. W. J. Mabon, druggist, Souris.

—ENJOYABLE SMOKER.—On Wednesday evening last a very enjoyable "smoker" was held in Castle Hall E. of P., Summerside. Owing to other attractions the attendance was not as large as should have been but those present thoroughly enjoyed themselves. There was a short musical programme, including songs by Bruce Johnson, M. Calder and Charles Melkie, Corp. Warren, of 105th, presiding at piano. Short addresses on the principles of the order were delivered by T. B. Grady, who presided, and J. C. Jardine. Refreshments were then served, after which the remainder of the evening was spent in music, songs, with short remarks by Sergt. H. B. Huestis, of the 105th Battalion, Mayor-elect Jardine, W. J. Lidstone and others. Crescent Lodge K. of P. had recently moved into their new hall and the smoker was in the form of an opening and anniversary service combined. This lodge was reorganized in November, 1914, and in the past year added 22 new members to the roll, the present membership being now 54, with a number of applications awaiting initiation.—C.
